Three Men in a Boat  
(To Say Nothing of  
the Dog), published  
in 1889, is a  
humorous account by  
English writer Jerome  
K. Jerome of a two-  
week boating holiday  
on the Thames from  
Kingston upon Thames  
to Oxford and back to  
Kingston. The book  
was initially  
intended to be a  
serious travel guide,  
with accounts of  
local history along  
the route, but the  
humorous elements

took over to the point where the serious and somewhat sentimental passages seem a distraction to the comic novel. One of the most praised things about Three Men in a Boat is how undated it appears to modern readers - the jokes have been praised as fresh and witty. The three men are based on Jerome himself (the narrator Jerome K. Jerome) and two real-life friends, George Wingrave (who would become a senior manager at Barclays Bank) and Carl Hentschel (the founder of a London printing business, called Harris in the book), with whom Jerome often took boating trips. The dog, Montmorency, is entirely fictional but, "as Jerome admits, developed out of that area of inner consciousness which, in all Englishmen, contains an element of the dog". The trip is a typical boating holiday of the time in a Thames camping skiff. This was just after commercial boat traffic on the Upper Thames had died out, replaced by the 1880s craze for boating as a leisure activity. Following the overwhelming success of Three Men in a Boat, Jerome later published a sequel, about a cycling tour in Germany, titled Three Men on the Bummel (also known as Three Men on Wheels, 1900).

Three Men in a Boat, published in 1889, is a humorous account by Jerome K. Jerome. It is a story of three men, accompanied by a dog, as they travel in a boat up the River Thames. The book was initially intended to be a serious travel guide, with accounts of local history along the route, but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction. The three men are based on Jerome himself (the narrator J.) and two real-life friends, George and Carl with whom he often took boating trips. The dog, Montmorency, is entirely fictional. Because of the overwhelming success of Three Men in a Boat, Jerome later published a sequel, about a cycling tour in Germany, titled Three Men on the Bummel. Three Men on the Bummel (also known as Three Men on Wheels) was published in 1900, eleven years after his most famous work, Three Men in a Boat (To Say Nothing of the Dog). The sequel brings back the three companions who figured in Three Men in a Boat, this time on a bicycle tour through the German

Black Forest. Idle Thoughts of an Idle Fellow, published in 1886, is a collection of humorous essays by Jerome K. Jerome. It was the author's second published book and it helped establish him as a leading English humorist. While widely considered one of Jerome's better works, and in spite of using the same style as Three Men in a Boat, it was never as popular as the latter. Jerome Klapka Jerome (1859 – 1927) was an English writer and humorist, best known for the comic travelogue Three Men in a Boat.

This is the text of the Inaugural Lecture of the first Professor of

Palaeography in the history of the University of Cambridge. It contains an account of the institutional provision for the subject since 1892, and illustrates the interaction of manuscript-studies with those of history, language, and literature by discussing the role played by Gaelic ecclesiastical exiles in continental Europe - and especially in central Europe - in the ninth century. The interrelationships of a series of multilingual manuscripts, written mostly by Irish ecclesiastics, provides the principal evidence for this study of an important aspect of intellectual creativity and transmission of knowledge in the Carolingian world.

*Three Men in a Boat Illustrated* ?????? ????????

Three Men in a Boat is one of the most popular English travelogues, having never been out of print since its publication in 1889 and causing its publisher to comment, "I cannot imagine what becomes of all the copies of that book I issue. I often think the public must eat them." The novel itself is a brisk, light-hearted, and

funny account of a two-week boating holiday taken by three friends up the Thames river. Jerome is a sort of everyman narrator, and even the stodgiest reader can sympathize with at least some of the situations and conundrums he and his friends find themselves in during their adventure. Interspersed between comic moments are slightly more serious descriptions of the picturesque villages and landscape the friends explore, making *Three Men in a Boat* not just a comic novel but an actual account of the life, times, and land of late 19th century greater London. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

George, J., Harris and Montmorency, the dog, are the best of friends. Armed with interesting anecdotes, their quirky personalities and a boat, the three men and the dog decide to go on a boat trip across River Thames. But they discover that their fancy ideas of a boat trip, which includes

visits to many famous riverside towns of England in the 19th-century, are very different from the reality!

Jerome K Jerome's *Three Men in a Boat* is a comic tale of friendship, misadventure and fun. It is a delightful story for all ages and seasons. Hidden within the seemingly funny incidents and comments are the writer's opinions on the foibles in England's history and society. The book offers a refreshing look at the various places, people and mannerisms in the country.
