Since its publication in 1939, countless would-be readers of "Finnegans Wake" - James Joyce's masterwork, which consumed a third of his life - have given up after a few pages, dismissing it as a "perverse triumph of the unintelligible." In 1944, a young professor of mythology and literature named Joseph Campbell, working with Henry Morton Robinson, wrote the first "key" or guide to entering the fascinating, disturbing, marvelously rich world of "Finnegans Wake." The authors break down Joyce's "unintelligible" book page by page, stripping the text of much of its obscurity and serving up thoughtful interpretations via footnotes and bracketed commentary. They outline the book's basic action, and then simplify -- and clarify -- its complex web of images and allusions. "A Skeleton Key to Finnegans Wake" is the latest addition to the "Collected Works of Joseph Campbell" series. State of New York Supreme Court Appellate Division-Third Department Delacorte Press

The plays of Mar í a Mart í nez Sierra were popular in Spain, South America and in translation on Broadway and London's West End in the first half of the 20th century but they were thought to be written by her husband, the celebrated director and playwright Gregorio Mart í nez Sierra.

After his death, the authorship of his work was revealed to be that of Mar í a, making her one of the most important playwrights of her time. This edited collection features three plays by Mar í a Mart í nez Sierra, translated by Helen and Harley Granville-Barker, along with an introduction by Patricia O'Connor, University of Cincinnati, US, which examines Mar í a's extraordinary life and work, and the battle for her authorship to be recognized in both the Spanish-speaking and anglophone world. This volume focuses on plays centred on strong women; and each is translated by the eminent man of theatre Harley Granville-Barker and his wife, Helen, whose own story holds stark parallels to Maria's in terms of authorship. The collection is edited by playwright Richard Nelson and Professor Colin Chambers, who contribute an essay on the translation work of the Granville-Barkers. The plays are: *The Kingdom of God* (1928); *The Romantic Young Lady* (1920) and *Take Two From One* (1931). Mar í a Mart í nez Sierra: *A Great Playwright Hidden in Plain Sight* recognizes Mar í a de la O Lej á raga Garc í a, to use her birth name, as one of the most important female playwrights, not just in Spain, but globally, in the first half of the 20th century.
