History Dell

In June of 1940,
when Paris fell
to the Nazis,
Hitler spent a
total of three

hours in the City
of Light—abruptly
leaving, never to
return. To this
day, no one
knows why. Kate
Rees, a young
American
markswoman,
has been
recruited by
British
intelligence to
drop into Paris
with a dangerous
assignment:
assassinate the
Führer. Wrecked
by grief after a
Luftwaffe
bombing killed
her husband and
infant daughter,
she is armed
with a rifle, a
vendetta, and a
fierce resolve.
But other than

rushed and rudimentary instruction, she has no formal spy training. Thrust into the red-hot center of the war, a country girl from rural Oregon finds herself holding the fate of the world in her hands. When Kate misses her mark and the plan unravels, Kate is on the run for her life—the time wrestling with the suspicion that the whole operation was a set-up. New York Times bestselling author Cara Black is at her

best as she brings Occupation-era France to vivid life in this masterful, pulse-pounding story about one young woman with the temerity—and drive—to take on Hitler himself. *Features an illustrated map of 1940s Paris as full color endpapers. **Playing The Game** St. Martin's Press The author shares her tips and advice for creating romance in everyday life, with suggestions on how to share romantic rituals, prioritize time for

romance, celebrate special days, and discover the power of spontaneity. **Three Weeks in Paris** Three Weeks in Paris In New York Times bestselling author Barbara Taylor Bradford's new novel, Annette Remington, a London art consultant and private dealer, is at the top of her game. She is considered a rising star in the international world of art, and has a roster of wealthy clients who trust her judgment and her business acumen. Her success reaches new heights when a rare and long lost Rembrandt finds its

way into her hands, which she restores and sells for top dollar. Called the auction of the year, Annette becomes the most talked about art dealer in the world. Annette is married to her mentor and personal champion, the much older Marius Remington. For twenty years, Marius has groomed her into the international art star that she has become, not to mention saving her from a dark and gritty past. She is his pride and joy, and as her best advisor, it's with great care that he hand picks only the best journalist possible to do a profile on his beloved wife in a

popular London Sunday newspaper. Jack Chalmers is a bit of a celebrity himself, becoming one of the top journalists of his time. Marius believes only he will be able to capture the true brilliance of his lovely wife. But Marius never intends to put his marriage in jeopardy. How could he have known that the connection between Jack and Annette would ignite so many secrets? And how could he know that Jack would uncover a scandal that could ultimately destroy them all? Barbara Taylor Bradford does it again in this epic novel of seduction, passion and international

intrigue. Playing the game has never been so thrilling. **Dollars for the Duke** Random House Digital, Inc. Shows how death education can be brought from the healing professions to the literature classroom. **Act of Will St. Martin's Press** In twenty-two wonderfully articulate essays, Barbara Kingsolver raises her voice in praise of nature, family, literature, and the joys of everyday life while examining the genesis of war, violence, and poverty in our world From

the author of *High Tide in Tucson*, comes Wonder, a new collection of essays that begins with a parable gleaned from recent news: villagers search for a missing infant boy and find him, unharmed, in the cave of a dangerous bear that has mothered him like one of her own. Clearly, our understanding of evil needs to be revised. What we fear most can save us. From this tale, Barbara Kingsolver goes on to consider the chasm between the privileged and the poor, which she sees as the root cause of violence and war in our time. She writes about her attachment to the land, to nature and wilderness, trees and mountains—the place from which she tells her stories. Whether worrying about the dangers of genetically engineered food crops, or creating opportunities for children to feel useful and competent — like growing food for the family’s table — Kingsolver looks for small wonders, where they grow, and celebrates them. *A Woman of Substance* Random House Trade Paperbacks One of the top-ten bestselling novels ever written. “An extravagant, absorbing novel of love, courage, ambition, war, death and passion.” —The New York Times Barbara Taylor Bradford’s *The Emma Harte Saga* begins with this record-shattering New York Times

bestseller that traces Emma Harte's legacy through multiple generations of indomitable women. From the servants' quarters of a manor house on the brooding Yorkshire moors to the helm of a profitable international business, Emma Harte's life is a sweeping saga of unbreakable spirit and resolve. Rising from abject poverty to glittering wealth at the upper echelons of society, there is only one man the

indomitable Emma cannot have—and only one she yearns for. The novel was also the subject of a popular 1984 miniseries starring Jenny Seagrove and Deborah Kerr. “A long, satisfying novel of money, power, passion and revenge set against the sweep of 20th century history.” —Los Angeles Times “A wonderfully entertaining novel.” —The Denver Post “A mighty saga. Little has been so riveting since

Gone with the Wind.” —Manchester Evening News “Tailor-made for fans of McCullough's *Thornbirds*.” —Publishers Weekly “The storyteller of substance.” —The Times (London) When It's Over St. Martin's Press The New York Times hails Barbara Hambly's novels featuring Benjamin January as “masterly,” “ravishing,” and “haunting.” The Chicago Tribune

crowns them “da zzing...January a wonderfully rich and complex character.” Now the bestselling author returns with a story that leads January from the dangerously sensual milieu of New Orleans into a world seething with superstition and dark spirits, where one man’s freedom turns on a case of murder and blood vengeance. Days of the Dead Mexico City in the autumn of 1835 is a lawless place, teeming with bandits and

beggars. But an isurgent letter from a desperate friend draws Benjamin January and his new bride Rose from New Orleans to this newly free province. Here they pray they’ll find Hannibal Sefton alive--and not hanging from the end of a rope.Sefton stands accused of murdering the only son of prominent landowner Don Prospero de Castellon. But when Benjamin and Rose arrive at Hacienda Mictlán, they

encounter a murky tangle of family relations, and more than one suspect in young Fernando’s murder. While the evidence against Hannibal is damning, Benjamin is certain that his consumptive, peace-loving fellow musician isn’t capable of murder. Their only allies are the dead boy’s half sister, who happens to be Hannibal’s latest inamorata, and the mentally unstable Castellon himself, who

awaits Mexico's holy Days of the Dead, when he believes his slain son will himself reveal the identity of his killer. The search for the truth will lead Benjamin and Rose down a path that winds from the mazes of the capital's back streets and barrios to the legendary pyramids of Mictlán and, finally, to a place where spirits walk and the dead cry out for justice. But before they can lay to rest the ghosts of the past, Benjamin

and Rose will have to stop a flesh-and-blood murderer who's determined to escape the day of reckoning and add Benjamin and Rose to the swelling ranks of the dead.

Days of the Dead Macmillan
A New York Times bestseller and a "Best Thriller of the Year" Winner of the Goncourt Prize and now an international phenomenon, this dizzying, whip-smart novel blends crime, fantasy, sci-fi, and thriller as it plumbs the mysteries

surrounding a Paris-New York flight. Who would we be if we had made different choices? Told that secret, left that relationship, written that book? We all wonder—the passengers of Air France 006 will find out. In their own way, they were all living double lives when they boarded the plane: Blake, a respectable family man who works as a contract killer. Slimboy, a Nigerian pop star who uses his womanizing image to hide that he's gay. Joanna, a Black American lawyer pressured to play the good

old boys' game to succeed with her Big Pharma client. Victor Miesel, a critically acclaimed yet largely obscure writer suddenly on the precipice of global fame. About to start their descent to JFK, they hit a shockingly violent patch of turbulence, emerging on the other side to a reality both perfectly familiar and utterly strange. As it charts the fallout of this logic-defying event, *The Anomaly* takes us on a journey from Lagos and Mumbai to the White House and a top-secret

hangar. In Hervé Le Tellier's most ambitious work yet, high literature follows the lead of a bingeable Netflix series, drawing on the best of genre fiction from "chick lit" to mystery, while also playfully critiquing their hallmarks. An ingenious, timely variation on the doppelgänger theme, it taps into the parts of ourselves that elude us most. **The Cavendon Luck** Macmillan From the author of *The Wishing Tide* comes a stunning new novel about two summers, one journal, and the secrets that can break and open our hearts....

Pragmatic, independent Lily St. Claire has never been a beachgoer. But when her late father leaves her a small house on Hideaway Key—one neither her mother nor she knew he owned—she's determined to visit the sleepy spit of land along Florida's Gulf Coast. Expecting a quaint cottage, Lily instead finds a bungalow with peeling shutters and mountains of memorabilia. She also catches a glimpse of the architect who lives down the beach.... But it's the carton of old journals in the front room that she finds most intriguing. The journals were written by her

mother's sister, an infamous beauty whose name has long been banned from the St. Claire home. The journals tell a family tale Lily has never heard, of her mother and her aunt as young girls in Tennessee and the secrets that followed them into adulthood. As she reads, Lily gains a new understanding: about her family and about herself. And she begins to open her heart—to this place, these people, and the man next door. But can she ever truly learn to trust, to believe that love is not a trap but a harbor? And is it true that hearts, even broken ones, can be forged anew?
