It’s the eve of 1953, and Aloysius Archer is in Los Angeles to ring in the New Year with an old friend, aspiring actress Liberty Callahan, when their evening is interrupted by an acquaintance of Callahan’s: Eleanor Lamb, a screenwriter in dire straits. After a series of increasingly chilling events—mysterious phone calls, the same blue car loitering outside her house, and a bloody knife left in her sink—Eleanor fears that her life is in danger, and she wants to hire Archer to look into the matter. Archer suspects that Eleanor knows more than she’s saying, but before he can officially take on her case, a dead body turns up inside of Eleanor’s home . . . and Eleanor herself disappears. Missing client or not, Archer is dead set on finding both the murderer and Eleanor. With the help of Callahan and his partner Willie Dash, he launches an investigation that will take him from mob-ridden Las Vegas to the glamorous world of Hollywood to the darkest corners of Los Angeles—a city in which beautiful faces are attached to cutthroat schemers, where the cops can be more corrupt than the criminals . . . and where the powerful people responsible for his client’s disappearance will kill without a moment’s hesitation if they catch Archer on their trail.

Twelve Red Herrings C.J. Archer
“ Set in 1970s Bombay, the novel explores art, ambition, gender roles and class with the same shimmering prose of Swamy ’ s first book, the story collection A House Is a Body. ” —San Francisco Chronicle “ [A] sublime, boundary-pushing exploration of sexuality, creativity, and love. ” —NPR In this transfixing novel, a young woman comes of age in 1960s- and 1970s-era Bombay, a vanished world that is complex and indelibly rendered. Vidya ’ s childhood is marked by the shattering absence and then the bewildering reappearance of her mother and baby brother at the family home. Restless, observant, and longing for connection with her brilliant and increasingly troubled mother, Vidya navigates the stifling expectations of her life with a vivid imagination until one day she peeks into a classroom where girls are learning kathak, a dazzling, centuries-old dance form that requires the utmost discipline and focus. Her pursuit of artistic transcendence through kathak soon becomes the organizing principle of her life, even as she leaves home for college and falls in complicated love with her best friend. As the uncertain future looms, she must ultimately confront the tensions between romantic love, her art, and the legacy of her own imperfect mother. Lyrical and deeply sensual, with writing as mesmerizing as kathak itself, Shruti Swamy ’ s The Archer is a bold portrait of a singular woman coming of age as an artist—navigating desire, duty, and the limits of the body. It is also an electrifying and utterly immersive story about the transformative power of art, and the possibilities that love can open when we ’ re ready.

One couple. Two stories. One truth. Sort of. Jacob Fishman is miserable. His wife, Cindi, is miserable. His editor wants him to write another book. Suffocating in his own self-consciousness, Jacob decides to explore the frailties, fears, and deficiencies of his life with Cindi including, most tellingly, her desire to have a baby—and his desire not to. He creates Fishman doppelg ä ngers, literary avatars, to see if their lives can be better than his. He wills himself to the intersection of truth, verisimilitude, and fantasy and finds himself paralyzed once there, no longer sure which events unfold in real life and which exist only in his book. Cindi, watching her life being laid bare, sees her husband as a megalomaniacal provocateur and chafes at his cherry-picking of their marriage and identities. Set in and around the University of Nevada, Reno, Jacob Fishman's Marriages is the story of an author’s conceit and what the creation of art excuses. It is the story of a husband and a wife and a husband and a wife—the same husband and wife. Sort of. Praise for Barry Friedman: “This masterpiece would blow away the competition, if there were competition for such a masterpiece, which there is not.” —Shane Gericke, bestselling author of The Fury “I haven’t been able to get five pages in without having to catch my breath. You’re a brave writer, my brother.” —Charles P. Pierce, Esquire “Barry Friedman has written a raw, gut-wrenching book about the game-playing side of a marriage gone wrong. But this ain’t a fairy tale. This is a brilliant look at a walk on the dark side of life.” —Jerry Izenberg, Red Smith Award-wining author of Once There Were Giants and After the Fire: Love and Hate in the Ashes of 1967 “Seeing the broken yet still beautiful world through his eyes is cathartic.” —Jennifer Taub, author of Big Dirty Money
