“ A smart, edge-of-your-seat story with plot twists you ’ ll never see coming. Stacy Willingham ’ s debut will keep you turning pages long past your bedtime. ” —Karin

Slaughter When Chloe Davis was twelve, six teenage girls went missing in her small Louisiana town. By the end of the summer, her own father had confessed to the crimes and was put away for life, leaving Chloe and the rest of her family to grapple with the truth and try to move forward while dealing with the aftermath. Now twenty years later, Chloe is a psychologist in Baton Rouge and getting ready for her wedding. While she finally has a fragile grasp on the happiness she's worked so hard to achieve, she sometimes feels as out of control of her own life as the troubled teens who are her patients. So when a local teenage girl goes missing, and then another, that terrifying summer comes crashing back. Is she paranoid, seeing parallels from her past that aren't actually there, or for the second time in her life, is Chloe about to unmask a killer? From debut author Stacy Willingham comes a masterfully done, lyrical

thriller, certain to be the launch of an amazing career. A Flicker in the Dark is eerily compelling to the very last page. The Idea of You Harper Collins

For Regan Penhaligon, there's no better place to run to than the exclusive Ardnoch Estate in the remote Scottish Highlands. Her impulsive behavior has finally caught up with her and Regan's visit with her sister, Robyn, is an opportunity to hide from someone who has grown dangerously obsessed with her. Determined to make amends for her mistakes, Regan plans to repair her relationship with Robyn by staying close. And when an offer of help comes from Thane Adair, Regan gratefully accepts. Widower, Thane, needs a new nanny housekeeper for his two young children and when they bond with Regan Penhaligon, he offers her the job. But as the weeks pass and the complex

American reveals who she really is, Thane struggles with his growing attraction to her. Regan never expected to feel so intensely for Thane, but she can't deny her passion for him or her love for his children. When someone from Thane's past threatens his family, Regan wants to be his pillar of support. However, his continued inability to trust her might just destroy their chance at future happiness... and the person who drove Regan to Ardnach might snuff out her chance for any future at all.

Fall in love with a Lauren Blakely romance, which NYT bestselling author Carly Phillips calls "The perfect blend of sexy and emotional, with sparks and heat!" Dog trainer Cara Bailey wants to find "the one," but fantasizing about her sexy-as-hell

client, firefighter Travis Jansen, is getting in the way. Her only option? Get the confirmed bachelor out of her system-in every position possible-so she can settle down with Mr. Right. Starting right now. Travis doesn't do relationships, so no matter how badly he wants the pretty little brunette, he keeps his distance. Until Cara goes and changes the game. She'll fulfill all of his fantasies if he agrees to walk away when it's over. But when the wildfire between them blazes out of control, it will consume everything-and everyone-in its path... family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, The Four Winds is an indelible portrait

of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Amazon's Best Romances of 2022 So Far Bustle's Most Anticipated Books of May Goodreads' Most Anticipated May Romances SheReads' Best Romance Books Coming in 2022 A gym nemesis pushes a fitness influencer to the max in Amy Lea's steamy debut romantic comedy. Curvy fitness influencer Crystal Chen built her career shattering gym stereotypes and mostly ignoring the trolls. After her recent breakup, she has little stamina left for men, instead finding solace in the gym – her place of power and positivity. Enter firefighter Scott Ritchie, the smug new gym patron who routinely steals her favorite squat rack.

Sparks fly as these ultra-competitive foes battle for gym domination. But after a series of escalating jabs, the last thing they expect is to run into each other at their grandparents' engagement party. In the lead up to their grandparents' wedding, Crystal discovers there's a soft heart under Scott's muscled exterior. Bonding over family, fitness, and cheesy pick-up lines, they just might have found her swolemate. But when a photo of them goes viral, savage internet trolls put their budding relationship to the ultimate test of strength.

New York Times Book

Review Editors' Choice A
CNN and Christian Science Monitor Best Book of the Month For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say “give it to me” in five languages, and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and

sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms—at long last—with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected—it’s often harder, more fraught, and certainly weirder—but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called “the funniest man alive” (*Time Out*

New York), *The Best of Me* spans a career spent watching and learning and laughing—quite often at himself—and invites readers deep into the world of one of the most brilliant and original writers of our time.

What You Do Is Who You Are Bantam

From *New York Times* and *USA Today* bestselling author Penelope Douglas comes a companion novel to *Bully*, for fans of Colleen Hoover. This is Jared’s story. Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don’t care about

anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same. Includes a teaser for RIVAL, the next unforgettable novel from Penelope Douglas.... The Best of Me Lexi Ryan Solène Marchand begins an impassioned affair with a member of her daughter's favorite boy band.

Meet You in the Middle
Penguin
#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash

through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn’s two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she’s never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our

choices make us? And who would you be if you hadn't turned out to be the person you are right now?

After I Do Penguin

From the New York Times bestselling author of *The Love Hypothesis* comes a new steamy, STEM-inist novella... Nothing like a little rivalry between scientists to take love to the next level. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... Logically, Sadie knows that civil engineers are supposed to build bridges. However, as a woman of STEM she also understands that variables can change, and when you are stuck for hours in a tiny New York elevator with the man who broke your heart, you

earn the right to burn that brawny, blond bridge to the ground. Erik can apologize all he wants, but to quote her rebel leader—she'd just as soon kiss a Wookiee. Not even the most sophisticated of Sadie's superstitious rituals could have predicted such a disastrous reunion. But while she refuses to acknowledge the siren call of Erik's steely forearms or the way his voice softens when he offers her his sweater, Sadie can't help but wonder if there might be more layers to her cold-hearted nemesis than meet the eye. Maybe, possibly, even burned bridges can still be crossed.... To read Mara and Hannah's stories look for the novellas *Under One Roof*, available now, and *Below Zero*, coming soon from Berkley!

Great Circle Entangled:
Brazen

The fourth novel in the #1 New York Times and #1 USA Today bestselling

Crossfire series. Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...
