An antique Chinese box unlocks a world of adventure for a psychically gifted woman in this fantasy by a New York Times–bestselling author. The first book in the extraordinary Dirk & Steele Series! Long ago they roamed the earth—dragons, tigers . . . shapeshifters—men who wore the forms of beasts. Their world was magic. Now it is gone. But some remain . . . He looks out of place in Dela Reese’s Beijing hotel room—exotic and poignant, some mythic, tragic hero of an epic tale. With his feline yellow eyes, he’s like nothing from her world. Yet Dela has danced through the echo of his soul and knows this warrior will obey her every command. Hari has been used and abused for millennia. But he sees, upon his release from the riddle box, that this new mistress is different. There is a hidden power in Dela’s eyes—and with her, he may regain all that was lost to him. Where once he savaged, now he must protect; where before he knew only hatred, now he must embrace love. Dela is the key. For Dela, he will risk all. Praise for Tiger Eye “[A] first-rate debut. . . The romance between Delilah and Hari tantalizingly builds until it culminates in a sensual love scene. . . . [A] striking paranormal romance.” —Publishers Weekly “Liu’s debut novel, not unlike the puzzle box, holds a shiny new joy for readers of adventure and paranormal romance. Deeply sensual, a marriage of modern fantasy and ancient mysticism highlighted with a touch of humor, this is the next book fans of Sherrilyn Kenyon or Christine Feehan should read.” —Booklist
Out Of Control Ballantine Books
Eddi McCandry sings rock and roll. But her boyfriend just dumped her, her band just broke up, and life could hardly be worse. Then, walking home through downtown Minneapolis on a dark night, she finds herself drafted into an invisible war between the faerie folk. Now, more than her own survival is at risk-and her own preferences, musical and personal, are very much beside the point. War for the Oaks is a brilliantly entertaining fantasy novel that's as much about this world as about the imagined one.

Tiger Eye Good Press
Getting the Message Through, the companion volume to Rebecca Robbins Raines' Signal Corps, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized battlefields. The volume is an invaluable reference source for anyone interested in the institutional history of the branch.

Red, White & Royal Blue St. Martin's Griffin
Elena Baxter can work miracles with her fingers. She can coax bones to knit, flesh to heal. She can mend the mind and spirit. That is why she is taken. Artur Loginov joined Dirk & Steele, an international detective agency that specializes in the impossible, to help extraordinary souls in need—and to keep their secrets safe. For Artur himself is not like ordinary men—handsome, powerful, and tormented, he is able to do wondrous things with nothing but a thought and a touch. That is why he, too, is taken . . . Drawn together into the darkness, Elena and Artur find themselves caged and cornered, joined in a desperate fight

for their lives. But they will find strength where they never expected it: in a passionate look, in a tender kiss, in a heart-soaring, breathtaking . . . Shadow Touch
The Smell of Kerosene Macmillan
“ If you have yet to add Liu to your must-read list, you ’ re doing yourself a disservice. ” —Booklist When it comes to bold originality and pure storytelling skill, few authors of popular fiction can compare with the remarkable Marjorie M. Lui—and in the realm of paranormal romance, no one is better! With Soul Song, the sensational New York Times bestselling superstar brings readers another marvelous tale of passion and otherworldly occurrences centered around the mysterious Dirk and Steele Detective Agency—as a tormented young woman with the precognitive power to foresee terrible futures must place her own fate in the hands of a mesmerizing prince of the sea. A master at creating unforgettable love stories featuring shapeshifters, telekinetics, and extraordinary supernatural beings, Lui has earned herself a legion of fans, and Soul Song will merely add to their ranks. Christine Feehan, author of Dark Prince and one of the biggest names in paranormal romance, promises that, “ anyone who loves my work should love hers. ”
A Book of Golden Deeds Harper Collins

Madman, tyrant, animal—history has given Adolf Hitler many names. In Mein Kampf (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become Mein Kampf, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In Mein Kampf, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

501 Critical Reading Questions Harper Collins
In a month, I've gone from magicless to one of the most powerful dark mages in the world. You'd think that would make my life easier. But all that power is only potential until I learn how to wield it, and my enemies have a huge head start. While I'm picking up every skill I can, adversaries both within Villain Academy and beyond it are working to knock me down. My fellow scions? I can count at least a couple of them among those enemies. The others... Let's just say the lines between light and dark have gotten a lot more blurred. Nothing's safe here--not my mind, my heart, my magic, or the few people who're proving themselves my allies. When the danger turns deadly, will I be able to save all of them and myself?

Popular Science Penguin

This book puts the reader in the pilot's seat for a "day at the office" unlike any other. The Smell of Kerosene tells the dramatic story of a NASA research pilot who logged over 11,000 flight hours in more than 125 types of aircraft. Donald Mallick gives the reader fascinating first-hand description of his early naval flight training, carrier operations, and his research flying career with NASA. After transferring to the NASA Flight Research Center, Mallick became involved with projects that further pushed the boundaries of aerospace technology. These included the giant delta-winged XB-70 supersonic airplane, the wingless M2-F1 lifting body vehicle, and triple-sonic YF-12 Blackbird. Mallick also test flew the Lunar Landing Research Vehicle and helped develop techniques used in training astronauts to land on the Moon.
War for the Oaks Harper Collins
* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable

friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I ’ m jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

Act of War Harper Collins
WINNER OF THE SAMUEL ELIOT MORISON AWARD FOR NAVAL LITERATURE “ I devoured Act of War the way I did Flyboys, Flags of Our Fathers and Lost in Shangri-la. ” —Michael Connelly, #1 New York Times Bestselling Author In 1968, the small, dilapidated American spy ship USS Pueblo set out to pinpoint military radar stations along the coast of North Korea. Though packed with advanced electronic-surveillance equipment and classified intelligence documents, its crew, led by ex – submarine officer Pete Bucher, was made up mostly of untested young sailors. On a frigid January morning, the Pueblo was challenged by a North Korean gunboat. When Bucher tried to escape, his ship was quickly surrounded by more boats, shelled and machine-gunned, forced to surrender, and taken prisoner. Less than forty-eight hours before the Pueblo ’ s capture, North Korean commandos had nearly succeeded in assassinating South Korea ’ s president. The two explosive incidents pushed Cold War tensions toward a flashpoint. Based on extensive interviews and numerous government documents released through the Freedom of Information Act, Act of War tells the riveting saga of Bucher and his men as they struggled to survive merciless torture and horrendous living conditions set against the backdrop of an international powder keg.

A reflective look at some of those responsible for the placement of Jacksonville, Florida on the universal map of rock and roll. This autobiographical account of personal and professional triumph and tragedy takes the reader through the formative years of both Lynyrd Skynyrd and 38 Special, recounting those days when making records was only a dream. Former 38 Special stage manager and

co-writer, Larry Steele, gives a first-hand account of growing up on the Westside of Jacksonville, of forming his first band with Allen Collins, and of the journey they each pursued, where scores of novice musicians sought a better way of life. Steele describes his own experiences as a musician, along with the friendships that would endure the rivalry which existed between his own band and those who would eventually become Lynyrd Skynyrd. After years of performing with various bands in the North Florida area, including a brief stint with Skynyrd in 1973, Steele would begin his employment with 38 Special in January, 1980. From here is chronicled the 38 story from its very beginning; the frustrations of living in the shadow of Skynyrd while trying to perfect a sound of their own, and the decision to push forward after the tragic loss of their friend, brother and mentor, Ronnie Van Zant. From the rehearsal hall, to the recording studios, to headlining the most renowned concert venues of North America, Europe and Japan, take a ride on the buses, planes and bullet trains that took them all the way there.
