The 1000 Year Old Boy Ace Books

The Nebula Award – winning author of the Alex Benedict novels and the Priscilla Hutchins novels returns to the world of Ancient Shores in a startling and majestic epic. A working stargate dating back more than ten thousand years has been discovered in North Dakota, on a Sioux reservation near Devils Lake. Travel through the gate currently leads to three equally mysterious destinations: (1) an apparently empty garden world, quickly dubbed Eden; (2) a strange maze of underground passageways; or (3) a space station with a view of a galaxy that appears to be the Milky Way. The race to explore and claim the stargate quickly escalates, and those involved divide into opposing camps who view the teleportation technology either as an unprecedented opportunity for scientific research or a disastrous threat to national—if not planetary—security. In the middle of the maelstrom stands Sioux chairman James Walker. One thing is for certain: Questions about what the stargate means for humanity ’ s role in the galaxy cannot be ignored. Especially since travel through the stargate isn ’ t necessarily only one way...

The Hercules Text Angus & Robertson

From Nebula Award winner Jack McDevitt comes the eighth installment in the popular The Academy series—Priscilla “ Hutch ” Hutchins discovers an interstellar message from a highly advanced race that could be her last chance for a mission before the program is shut down for good. Hutch has been the Academy ’ s best pilot for decades. She ’ s had numerous first contact encounters and even became a minor celebrity. But world politics have shifted from exploration to a growing fear that the program will

run into an extraterrestrial race more advanced than humanity and war. Despite taking part in the recent scientific breakthrough that rejuvenates the human body and expands one ’ s lifespan, Hutch finds herself as a famous interstellar pilot with little to do, until a message from an alien race arrives. The message is a piece of music from an unexplored area. Despite the fact that this alien race could pose a great danger and that this message could have taken several thousand years to travel, the program prepares the last interstellar ship for the journey. As the paranoia grows, Hutch and her crew make an early escape—but what they find at the other end of the galaxy is completely unexpected.

The New York Times Best Seller "[Hope Never Dies is] an escapist fantasy that will likely appeal to liberals pining for the previous administration, longing for the Obama-Biden team to emerge from political retirement as action heroes."—Alexandra Alter, New York Times Vice President Joe Biden and President Barack Obama team up in this high-stakes thriller that combines a mystery worthy of Watson and Holmes with the laugh-out-loud bromantic chemistry of Lethal Weapon ’ s Murtaugh and Riggs. Vice President Joe Biden is fresh out of the Obama White House and feeling adrift when his favorite railroad conductor dies in a suspicious accident, leaving behind an ailing wife and a trail of clues. To unravel the mystery, “ Amtrak Joe ” re-teams with the only man he ’ s ever fully trusted: the 44th president of the United States. Together they ’ ll plumb the darkest corners of Delaware, traveling from cheap motels to biker bars and beyond, as they uncover the sinister forces advancing America ’ s opioid epidemic. Part noir thriller and part bromance, Hope Never Dies is essentially the first published work of Obama/Biden fiction—and a cathartic read for anyone distressed by the current state of affairs.

The Roadmakers left only ruins behind -- but what magnificent ruins! Their concrete highways still cross the continent. Their cups, combs and jewelry are found in every Illyrian home. They left behind a legend, too -- a hidden sanctuary called Haven, where even now the secrets of their civilization might still be found. Chaka's brother was one of those who sought to find Haven and never returned. But now Chaka has inherited a rare Roadmaker artifact -- a book called A Connecticut Yankee in King Arthur's Court -- which has inspired her to follow in his footsteps. Gathering an unlikely band of companions around her, Chaka embarks upon a journey where she will encounter bloodthirsty river pirates, electronic ghosts who mourn their lost civilization and machines that skim over the ground and air. Ultimately, the group will learn the truth about their own mysterious past.

On a routine survey mission studying a neutron star, an Academy starship receives a transmission in an unknown language. Before leaving the area, the starship launches a series of satellites to find the signal—and perhaps discover its origins. Five years later, a satellite finally encounters the signal—which is believed to be of extraterrestrial origin by the Contact Society, a wealthy group of enthusiasts who fund research into the existence of alien life. Providing a starship to the Academy to be piloted by Captain Priscilla “ Hutch ” Hutchins, the Contact Society embarks on a mission to find the source of the transmission. Across a myriad of stars, from world to world, Hutch and her crew follow the signal, but find only puzzles and lethal surprises. Then, in a planetary system far beyond the bounds of previous exploration, they discover an object. It is immense, ominous, and mysterious. And it may hold the answer not only to the questions of the Contact Society, but to those of every person who has ever looked to the sky and wondered if we were alone...

From Nebula Award – winning author Jack McDevitt comes the eighth installment of the Alex Benedict series featuring Gabe triumphantly reuniting with Alex and Chase to retrieve a possible alien artifact—which may lead them to solve the greatest archaeological mystery of their careers. After being lost in space for eleven years, Gabe has returned, and is trying to find a new life for himself after being presumed dead—just as Alex and Chase are relearning how to live and work with him. But when a seemingly alien artifact goes missing from Gabe ' s old collection, a mystery is uncovered concerning its origins and it grants everyone an opportunity to dive into solving it as a team, once again. When a lead on the artifact is tied to a dead pilot ' s sole unrecorded trip, another clue leads to one of the greatest mysteries of the age: the infamous disappearance of a team of scientists aboard a space station orbiting a black hole—the Amelia Earhart of their time. With any luck, Alex, Chase, and Gabe may be on the trail of the greatest archaeological discovery of their careers. Nebula Award winner Jack McDevitt, who Stephen King has called “ the logical heir to Isaac Asimov and Arthur C. Clarke, ” has created another terrific science fiction mystery in his beloved Alex Benedict series.

Mr. Was National Geographic Books

With a foreword by current coach Phil Martelli, Tales from Saint Joseph's Hardwood: The Hawk Will Never Die recounts the storied history of St. Joe's basketball through the eyes and eras of its great coaches. Hawk Hall of Fame coach (and former NBA Coach of the Year) Jack McKinney studs the fast-moving account with poignant and humorous anecdotes. Jack and author Bob Gordon interview hundreds of former and current players, coaches, Hawk mascots, and fans who add a trove of zippy Hawk lore. There's a lot of lore. St. Joe's has competed in parts of 11 decades standing toe to toe with all the big guys of college hoops. The Hawks have tumbled many a Goliath in chalking up over 1000 wins--more wins than all but a couple dozen other colleges in the entire nation. The book gives an in-depth profile of Jack McKinney from his youth in Chester to his two NBA championship rings. You'll also chuckle at the inside story of the Hawk mascot, which ESPN chose as college basketball's best. The Phillie Phanatic (a former Hawk himself) guest authors in the mascot chapter. All the memorable wins and heart breaking defeats are recaptured. Through the prism of 45 years, Tales from Saint Joseph's Hardwood: The Hawk Will Never Die looks back at the heart breaking 1960 point-shaving scandal. Up-close-and-personal profiles of Hawk stars like George Senesky, Matty Guokas, Cliff Anderson, Mike Bantom, Jameer Nelson, and Delante West stud the narrative. Palestra and Big Five lore abounds. Past and present Big Five coaches pick their all-time Big Five teams and recount their greatest memories. Finally, hilarious tales about Hawk teams playing overseas spice a must-read entertaining and informative book for collegebasketball lovers everywhere.
