Made to Break is a history of twentieth-century technology as seen through the prism of obsolescence. Giles Slade explains how disposability was a necessary condition for America's rejection of tradition and our acceptance of change and impermanence. This book gives us a detailed and harrowing picture of how, by choosing to support ever-shorter product lives, we may well be shortening the future of our way of life as well.

The word "Tole" of Tole Painting comes from the French language, and refers to tin goods decorated with painted pictures. Born in Europe, this custom was brought by immigrants to America, where it became a popular craft in everyday life. Nowadays, it includes not only tin goods but also furniture, wooden objects, pottery, glass, cloth, canvas - in other words, any material that might be decorated and used in everyday life. The collection of works in this book includes examples by thirteen local artists and five overseas artists, all with very different lifestyles and interests. More than 140 works are included, exhibiting all the qualities of Tole Painting without sacrifice to the simplicity and warmth of the craft. The individual styles, expert brushwork and creative coloring of these talented artists will not fail to draw the readers into the charming world of Tole Painting.

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.
