A Mind Abducted Bookouture

Deals with the period beginning at the close of the Neolithic era, from around the eighth millennium before our era. This period of some 9,000 years of history has been sub-divided into four major geographical zones, following the pattern of African historical research. Chapters 1 to 12 cover the corridor of the Nile, Egypt and Nubia. Chapters 13 to 16 relate to the Ethiopian highlands. Chapters 17 to 20 describe the part of Africa later called the Maghrib and its Saharan hinterland. Chapters 21 to 29, the rest of Africa as well as some of the islands of the Indian Ocean.--Publisher's description
The Accidental Salvation of Gracie Lee Tachyon Publications
Thompson examines the altar traditions in cultures from the Atlantic coast region of Africa, South America, the Caribbean, and the United States.

Into the Devil's Underground Cage Foster

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Lovecraft's Monsters Dial Press

The classic work that revolutionized the way business is conducted across cultures around the world.

Season of the Witch Simon and Schuster

She didn't see the patch of black ice until it was too late. The car started to spin, and as it veered off into the deep ditch and the mounds of snow beside the road, she saw him. The little boy frozen in the ice. When the remains of two bodies are found in an open grave along a desolate highway in Stillwater, Minnesota, Special Agent Nikki Hunt knows exactly who they are. The bright blue jacket lying on the frozen earth belongs to Kellan Rhodes, the missing boy she's desperately been trying to find for the last two days. The other body is his mother Dana, who had been Nikki's lead suspect. Although the wounds on Dana's body suggest she murdered her son and took her own life, Nikki finds evidence that suggests

she was a victim too. Dana was desperately trying to regain custody of Kellan, and Nikki finds boot prints at the scene that belong to someone else. When another child is reported missing, local journalist Caitlin Newport claims the cases are linked: Zach Reeves was taken away from his own mother in a custody battle, just like Kellan was. Caitlin once helped Nikki find out the truth about her own parents' murders, but her desire for a story nearly cost Nikki her life. Now, Nikki must decide if she can trust Caitlin again, before time runs out to find the killer and bring Zach home alive... An unputdownable thriller that will make your heart pound until its final, shocking conclusion. Perfect for fans of Robert Dugoni, Karin Slaughter, Lisa Gardner and readers who want to binge read into the night. What readers are saying about One Perfect Grave "WOW! WOW! WOW!... one of the most action packed books I have read... makes you turn the pages as fast as possible. Edge-of-your-seat story. And the End: Unbelievable!!! A must read!" Goodreads reviewer, 5 stars 'Wow... Absolutely Brilliant... this is a gripping, edge-of-your-seat page-turner...' Goodreads reviewer, 5 stars 'Had me glued to my Kindle... plenty of twists and turns, and a shocking conclusion.' Goodreads reviewer 'Astonishing read!... I've fallen in love with the quirky town and its people... I hope this series goes on forever.' Tove Reads, 5 stars

Tin God (Delta Crossroads #1) Twisted Minds Press

Dying to Tell Oxford University Press

She's no killer. She's just taking out the trash. Don't call Lucy Kendall a serial killer. She's fighting for the innocent, and she'll do whatever it takes to bring justice. When a child disappears, Lucy quickly discovers the link to a predator she's faced before—a man the state of Pennsylvania decided to turn loose on the streets. Determined to find the little girl and put a criminal behind bars for good, Lucy forces her way onto the case. As the search for the kidnapped child pulls Lucy into a web of evil beyond her darkest imagination, she'll have to face her own dark truths to save the little girl—and herself. Packed with suspense, All Good Deeds is a dark psychological thriller with a finely crafted mystery that takes readers into the deepest recesses of the human

psyche.

Madame Bovary's Ovaries Learning Express Llc Presents works of art selected from the South and Southeast Asian and Islamic collection of The Metropolitan Museum of Art, lessons plans, and classroom activities.

Face of the Gods Pan Macmillan

"Throughout his various stages, Dylan's work reveals an affinity with the Zen worldview, where enlightenment can be attained through self-contemplation and intuition rather than through faith and devotion. Much has been made of Dylan's Christian periods, but never before has a book engaged Dylan's deep and rich oeuvre through a Buddhist lens."--Back cover.

The Hunk Next Door Twisted Minds Press

In this award-winning, coming-of-age novel, ten-year-old Gracie Lee struggles to make sense out of her life as an Arkansas farm girl in the early 1970s. Wise beyond her age yet imbued with child-like innocence, Gracie focuses on the three things that keep her awake at night: Solving the mystery of the man in the gray house; Surviving another school year at Savage Crossing Elementary; and, Saving her alcoholic Daddy from himself (and thereby saving the whole family and wider world). Gracie feels certain there is more to life beyond school and dull church sermons. She worries about the soldiers in Vietnam and wonders what it must be like to have been born Lisa Marie Presley from Tennessee instead of Gracie Lee Abbott from Arkansas. Mostly, she wishes her Daddy wasn't so mean. Gracie's unchecked imagination leads to Nancy Drew-type adventure. Adventure leads to trouble. She confides in unexpected characters and seeks solace in a mysterious gray house beyond the cotton field. When Gracie faces a difficult family situation, she must make a life-altering decision, one that will test the very essence of her character. "At best, most first novels indicate potential. It would be wrong to say that, when reading Talya Tate Boerner's *The Accidental Salvation of Gracie Lee*, I was pleasantly surprised. Actually, I was amazed. There's magic here, in a wonderfully-told story that will find a special place in any reader's heart." Jeff Guinn, *New York Times* bestselling author. "Boerner's prose is a wonderful medium for unspooling Gracie's story, imbued with all the snark, wonder, and colorful details that characterize childhood... The author addresses real, high-stakes issues without slathering them in melodrama or saccharine sentimentality, and her book hearkens back to an older YA tradition of stories of plucky preteen girls, spooky houses, and inevitable tragedies that help mark the turning point

from childhood to adolescence. A stirring novel with a distinctive young narrator."

Bargainin' for Salvation Random House

First published in Great Britain in 2015 by Elliott and Thompson Limited.

All Good Deeds (Lucy Kendall #1) Nicholas Brealey International

Wrong place. Wrong time. And everything to lose. Running for his life ...Cage Foster discovers a body in one of New Orleans's most mysterious cemeteries. His partner recognizes the victim-she investigated him for the disappearance of his girlfriend months ago and suspects suicide. Cage isn't buying it-the evidence and the cause of death tell a different story. Running out of time ...Within days, others start to disappear. Cage is certain everything is tied to one of New Orleans's most powerful Mardi Gras Krewes, but with Fat Tuesday just days away, city officials demand Cage drop the investigation. Up against the city's rich and powerful who financially fuel a corrupted legal system, Cage only has two allies: A clairvoyant and a woman with a past so dark and damaged, he's afraid to trust her. The killer will do anything to keep from being exposed, and Cage's luck has finally run out, because this is *The Night He Died*.

The Martian Chronicles Good Press

This revised edition includes a New Intergalactic Introduction by the Author. Mary Daly's New Intergalactic Introduction explores her process as a Crafty Pirate on the Journey of Writing Gyn/Ecology and reveals the autobiographical context of this "Thunderbolt of Rage" that she first hurled against the patriarchs in 1979 and no hurls again in the Re-Surging Movement of Radical Feminism in the Be-Dazzling Nineties.

Prisoners of Geography Infobase Publishing
The Crossing forms the second part of Cormac McCarthy's critically acclaimed Border Trilogy, a story that began with *All the Pretty Horses* and concludes with *Cities of the Plain*. Set on the south-western ranches in the years before the Second World War, Cormac McCarthy's *The Crossing* follows the fortunes of sixteen-year-old Billy Parham and his younger brother Boyd. Fascinated by an elusive wolf that has been marauding his family's property, Billy captures the animal - but rather than kill it, sets out impulsively for the mountains of Mexico to return it to where it came from. When Billy comes back to his own home he finds himself and his world irrevocably changed. His loss of innocence has come at a price, and once again the border beckons with its desolate beauty and cruel promise. 'The Crossing is like a river in full spate: beautiful and dangerous' *The Times* This edition is part of the Picador Collection, a new list of the best in contemporary literature published in

Picador's 50th Anniversary year. McCarthy's eagerly anticipated new novels, *The Passenger* and *Stella Maris*, will be published by Picador in October 2022.

Critical Thinking Oxfam

"A funny, savage appraisal of a totally automated American society of the future."—San Francisco Chronicle Kurt Vonnegut's first novel spins the chilling tale of engineer Paul Proteus, who must find a way to live in a world dominated by a supercomputer and run completely by machines. Paul's rebellion is vintage Vonnegut—wildly funny, deadly serious, and terrifyingly close to reality. Praise for *Player Piano* "An exuberant, crackling style . . . Vonnegut is a black humorist, fantasist and satirist, a man disposed to deep and comic reflection on the human dilemma."—Life "His black logic . . . gives us something to laugh about and much to fear."—The New York Times Book Review

The Girl in the Ground: A Completely Gripping Mystery and Suspense Thriller Metropolitan Museum of Art

"One of the most profound and illuminating studies of this century to have been published in recent decades."—John Gray, New York Times Book Review Hailed as "a magisterial critique of top-down social planning" by the New York Times, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. "Beautifully written, this book calls into sharp relief the nature of the world we now inhabit."—New Yorker "A tour de force."—Charles Tilly, Columbia University

The Crossing IRD Éditions

For readers of such crusading works of nonfiction as Katherine Boo's *Beyond the Beautiful Forevers* and Tracy Kidder's *Mountains Beyond Mountains* comes a powerful and captivating examination of two entwined global crises: environmental destruction and human trafficking—and an inspiring, bold plan for how we can solve them. A leading expert on modern-day slavery, Kevin Bales has traveled to some of the world's most dangerous places documenting and battling human trafficking. In the course of his reporting, Bales began to notice a pattern emerging: Where slavery existed, so did massive, unchecked environmental destruction. But why? Bales set off to find the answer in a fascinating and moving journey that took him into the lives of modern-day slaves and along a supply chain that leads directly to the cellphones in our pockets. What he discovered is that even as it destroys individuals, families, and communities, new forms of slavery that proliferate in the world's lawless zones also pose a grave threat to the environment. Simply put, modern-day slavery is destroying the planet. The product of seven years of travel and research, *Blood and Earth* brings us dramatic stories from the world's most beautiful and tragic places, the environmental

and human-rights hotspots where this crisis is concentrated. But it also tells the stories of some of the most common products we all consume—from computers to shrimp to jewelry—whose origins are found in these same places. *Blood and Earth* calls on us to recognize the grievous harm we have done to one another, put an end to it, and recommit to repairing the world. This is a clear-eyed and inspiring book that suggests how we can begin the work of healing humanity and the planet we share. Praise for *Blood and Earth* "A heart-wrenching narrative . . . Weaving together interviews, history, and statistics, the author shines a light on how the poverty, chaos, wars, and government corruption create the perfect storm where slavery flourishes and environmental destruction follows. . . . A clear-eyed account of man's inhumanity to man and Earth. Read it to get informed, and then take action."—Kirkus Reviews (starred review) "[An] exposé of the global economy's 'deadly dance' between slavery and environmental disaster . . . Based on extensive travels through eastern Congo's mineral mines, Bangladeshi fisheries, Ghanaian gold mines, and Brazilian forests, Bales reveals the appalling truth in graphic detail. . . . Readers will be deeply disturbed to learn how the links connecting slavery, environmental issues, and modern convenience are forged."—Publishers Weekly "This well-researched and vivid book studies the connection between slavery and environmental destruction, and what it will take to end both."—Shelf Awareness (starred review) "This is a remarkable book, demonstrating once more the deep links between the ongoing degradation of the planet and the ongoing degradation of its most vulnerable people. It's a bracing reminder that a mentality that allows throwaway people also allows a throwaway earth."—Bill McKibben, author of *Eaarth: Making a Life on a Tough New Planet*

One Perfect Grave: A Gripping and Heart-pounding Crime Thriller Continuum

A deadly serious affair... The story breaks as Metro PD lieutenant Sam Holland attends a dinner party with her husband, Vice President Nick Cappuano: President Nelson is accused of having an affair. More shocking still, campaign staffer Tara Weber claims the president fathered her newborn son — while the First Lady was undergoing secret cancer treatment. When a high-profile murder case hits Sam's desk, she's shocked to uncover a connection to the presidential scandal. With the department caught up in its own internal scandals, and the chief's job hanging by a thread, Sam questions who she can trust as her team uncovers information that clouds an already-murky case. And with calls for the president to resign getting louder by the minute, Sam needs to close this case before she finds herself living at 1600 Pennsylvania Avenue...

Fatal Accusation Simon and Schuster

For readers who love Lisa Gardner, Lisa Jackson, and Allison Brennan. A FREE Romantic Thriller! The truth can be as deadly as any weapon. Jaymee Ballard trusted only one person in Roselea, Mississippi with the secret of her lost daughter. When that person is brutally murdered, it leaves her with heartbreak and a slew of unanswered

questions. The eerie similarity to a murder of one of Jaymee's close friends years ago causes her to realize her past has come back to haunt her and may cost her own life. Years of deception and abuse leave Jaymee with few options and fewer allies. She turns to the widower of her friend--a man struggling with his own demons--to help her find her daughter and identify the killer before he strikes again. Before all evidence, the truth--and Jaymee's daughter--are lost. TIN GOD is a romantic thriller set in a small town. Filled with pulse-pounding suspense and featuring a strong female protagonist, this mystery leaves the reader wanting more!
