My name is Amber Reynolds. There are three things you should know about me: 1. I ' m in a coma. 2. My husband doesn ' t love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can ' t move. She can ' t speak. She can ' t open her eyes. She can hear everyone around her, but they have no idea. Amber doesn ' t remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

"Contemporary fairy tales, cushioned by goofy humor and a deep tenderness for her characters, that aren't always as dark or as sinister as they initially appear." --The New York Times Book Review Aimee Bender ' s Willful Creatures conjures a fantastical world in which authentic love blooms. This is a place where a boy with keys for fingers is a hero, a woman ' s children are potatoes, and a little boy with an iron for a head is born to a family of pumpkin heads. With her singular mix of surrealism, musical prose, and keenly felt emotion, Bender once again proves herself to be a masterful

chronicler of the human condition.

NATIONAL BESTSELLER • " With more twists than a bag of pretzels, this compelling family saga may make you question what you think you know about your own relatives. " —Cosmopolitan " Roanoke girls never last long around here. In the end, we either run or we die. " After her mother's suicide, fifteen year-old Lane Roanoke came to live with her grandparents and fireball cousin, Allegra, on their vast estate in rural Kansas. Lane knew little of her mother's mysterious family, but she quickly embraced life as one of the rich and beautiful Roanoke girls. But when she discovered the dark truth at the heart of the family, she ran...fast and far away. Eleven years later, Lane is adrift in Los Angeles when her grandfather calls to tell her Allegra has gone missing. Did she run too? Or something worse? Unable to resist his pleas, Lane returns to help search, and to ease her guilt at having left Allegra behind. Her homecoming may mean a second chance with the boyfriend whose heart she broke that long ago summer. But it also means facing the devastating secret that made her flee, one she may not be strong enough to run from again. As it weaves between Lane ' s first Roanoke summer and her return, *The Roanoke Girls* shocks and tantalizes, twisting its way through revelation after mesmerizing revelation, exploring the secrets families keep and the fierce and terrible love that both binds them together and rips them apart.

"Razor-sharp... Deb Rogers writes with such verve and honesty about all the ways we stumble through life, and, like all great storytellers, gives us something wondrous when we reach the end of the journey. " —Kevin Wilson, bestselling author of *Nothing to See Here* A gleefully dark and entertaining debut for fans of Kevin Wilson and Karen Russell, about one young woman ' s sensational summer at a Floridian wildlife center for exotic monkeys Jamie is a Florida Woman. She grew up on the beach, thrives in humidity, has weathered more hurricanes than she can count, and now, after

going viral for an outrageous crime she never meant to commit in the first place, she has the requisite headline to her name. But when the chance comes for her to escape viral infamy and imminent jail time by taking a community service placement at Atlas, a shelter for rescued monkeys, it seems like just the fresh start Jamie needs to finally get her life back on track — until it ' s not. Something sinister stirs in the palmetto woods surrounding her cabin, and secrets lurk among the three beguiling women who run the shelter and affectionately take Jamie under their wing for the summer. She hears the distant screams of monkeys each night; the staff perform cryptic, lakeside sacrifices to honor Atlas; and the land, which has long been abandoned by citrus farmers and theme park developers alike, now proves to be dangerously, relentlessly untamed. As Jamie ventures deeper into the offbeat world and rituals of Atlas, her summer is soon set to inspire an even stranger Florida headline than she ever could ' ve imagined.

"A collection of wistful, witty stories." --Esquire "Hilarious, deep and a little bit dirty." --Harper's Bazaar A grief-stricken librarian decides to have sex with every man who enters her library. A half-mad, unbearably beautiful heiress follows a strange man home, seeking total sexual abandon: He only wants to watch game shows. A woman falls in love with a hunchback; when his deformity turns out to be a prosthesis, she leaves him. A wife whose husband has just returned from the war struggles with the heartrending question: Can she still love a man who has no lips? Aimee Bender's stories portray a world twisted on its axis, a place of unconvention that resembles nothing so much as real life, in all its grotesque, beautiful glory. From the first line of each tale she lets us know she is telling a story, but the moral is never quite what we expect. Bender's prose is glorious: musical and colloquial, inimitable and heartrending. Here are stories of men and women whose lives are shaped--and sometimes twisted--by the power of extraordinary desires, erotic and otherwise. See for yourself. Morgan Parker is a fearlessly forward and forward-thinking literary star." —Terrance Hayes The only thing more beautiful than Beyoncé is God, and God is a black woman sipping rosé and drawing a lavender bath, texting her mom, belly-laughing in the therapist 's office, feeling unloved, being on display, daring to survive. Morgan Parker stands at the intersections of vulnerability and performance, of desire and disgust, of tragedy and excellence. Unrelentingly feminist, tender, ruthless, and sequined, these poems are an altar to the complexities of black American womanhood in an age of non-indictments and déjà vu, and a time of wars over bodies and power. The Hundred Secret Senses Tin House Books

A. J. Albany's recollection of life with her father, the great jazz pianist Joe Albany, is the story of one girl's unsentimental education. Joe played with the likes of Charles Mingus, Lester Young, and Charlie Parker, but between gigs he slipped into drug-induced obscurity. It was during these times that his daughter knew him best. After her mother disappeared, six-year-old Amy Jo and her charming, troubled father set up housekeeping in a seamy Hollywood hotel. While Joe finished a set in some red-boothed dive, chances were you'd find Amy curled up asleep on someone's fur coat, clutching a 78 of Louis Armstrong's "Sugar Blues" or, later, a photograph of the man himself, inscribed, "To little Amy Jo, always in love with you--Pops." Wise beyond her years and hip to the unpredictable ways of Old Lady Life at all too early an age, A. J. Albany guides us through the dope and deviance of the late 1960s and early 1970s in Hollywood's shadowy underbelly and beyond. What emerges is a raw, gripping, and surprisingly sympathetic portrait of a young girl trying to survive among the outcasts, misfits, and artists who surrounded her.

The "wisest and most captivating novel" (Boston Globe) from the author of the bestselling The Valley of Amazement and the new memoir Where the Past Begins Set in San Francisco and in a remote village of Southwestern China, Amy Tan's The Hundred Secret Senses is a tale of American assumptions

shaken by Chinese ghosts and broadened with hope. In 1962, five-year-old Olivia meets the half-sister she never knew existed, eighteen-year-old Kwan from China, who sees ghosts with her "yin eyes." Decades later, Olivia describes her complicated relationship with her sister and her failing marriage, as Kwan reveals her story, sweeping the reader into the splendor and violence of mid-nineteenth century China. With her characteristic wisdom, grace, and humor, Tan conjures up a story of the inheritance of love, its secrets and senses, its illusions and truths.

The Girl in the Flammable Skirt Houghton Mifflin Harcourt

A haunting debut novel that explores the fraught journey toward adulthood, the nature of memory, and the startling limits to which we are driven by grief Facing the prospect of fatherhood, disillusioned by his fledgling teaching career, and mourning the loss of a former relationship, Francis Mason is a prisoner of his past mistakes. When his second-grade class discovers a dead body during a field trip to a San Francisco beach, Francis spirals into unbearable grief and all-consuming paranoia. As his behavior grows increasingly erratic, and tensions arise with the school principal and the parents of his students, he faces the familiar urge to flee—a choice that forces him to confront the character weaknesses that have shattered his life again and again, and to accept the wrenching truth about the past he's never been able to move beyond. A haunting debut novel, Bright Before Us explores the fraught journey toward adulthood, the nature of memory, and the startling limits to which we are driven by grief.

The Book of Atlantis Black: The Search for a Sister Gone Missing will have you questioning facts, rooting for secrets, and asking what it means to know the truth. A young woman is found dead on the floor of a Tijuana hotel room. An ID in a nearby purse reads "Atlantis Black." The police report states that the body does not seem to match the identification, yet the body is quickly cremated and the case is considered closed. So begins Betsy Bonner 's search for her sister, Atlantis, and the unraveling of the mysterious final months before Atlantis 's disappearance, alleged overdose, and death. With access to her sister 's email and social media accounts, Bonner attempts to decipher and construct a narrative: frantic and unintelligible Facebook posts, alarming images of a woman with a handgun, Craigslist companionship ads, DEA agent testimony, video surveillance, police reports, and various phone calls and moments in the flesh conjured from memory. Through a history only she and Atlantis shared—a childhood fraught with abuse and mental illness, Atlantis 's precocious yet short rise in the music world, and through it all an unshakable bond of sisterhood—Bonner finds questions that lead only to more questions and possible clues that seem to point in no particular direction. In this haunting memoir and piercing true crime account, Bonner must decide how far she will go to understand a sister who, like the mythical island she renamed herself for, might prove impossible to find.

The wondrous Aimee Bender conjures the lush and moving story

of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday, unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents' attention, bites into her mother's homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother's emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother's life outside the home, her father's detachment, her brother's clash with the world. Yet as Rose grows up she learns to harness her gift and becomes aware that there are secrets even her taste buds cannot discern. *The Particular Sadness of Lemon Cake* is a luminous tale about the enormous difficulty of loving someone fully when you know too much about them. It is heartbreaking and funny, wise and sad, and confirms Aimee Bender's place as "a writer who makes you grateful for the very existence of language" (San Francisco Chronicle). BONUS: This edition includes an excerpt from Aimee Bender's *The Color Master*.

*My Mother She Killed Me, My Father He Ate Me* Tin House Books  
The fairy tale lives again in this book of forty new stories by some of the biggest names in contemporary fiction. Neil Gaiman, "Orange" Aimee Bender, "The Color Master" Joyce Carol Oates, "Blue-bearded Lover" Michael Cunningham, "The Wild Swans" These and more than thirty other stories by Francine Prose, Kelly Link, Jim Shepard, Lydia Millet, and many other extraordinary writers make up this thrilling celebration of fairy tales—the ultimate literary costume party. Spinning houses and talking birds. Whispered secrets and borrowed hope. Here are new stories sewn from old skins, gathered by visionary editor Kate Bernheimer and inspired by everything from Hans Christian Andersen's "The Snow Queen" and "The Little Match Girl" to Charles Perrault's "Bluebeard" and "Cinderella" to the Brothers Grimm's "Hansel and Gretel" and "Rumpelstiltskin" to fairy tales by Goethe and Calvino and from China, Japan, Vietnam, Russia, Norway, and Mexico. Fairy tales are our oldest literary tradition, and yet they chart the imaginative frontiers of the twenty-first century as powerfully as they evoke our earliest encounters with literature. This exhilarating collection restores their place in the literary canon.

"Fried's stories are laugh-out-loud hilarious and wonderfully weird, yet his many strange worlds also have the power to haunt." --Dan Chaon In "Loeka Discovered," a buzz flows throughout a lab when scientists unearth a perfectly preserved prehistoric man who suggests to them the hopefulness of life, but the more they learn, the more the realities of ancient survival invade their buoyant projections. "Frost Mountain Picnic Massacre" meditates on why an entire town enthusiastically rushes out to the annual picnic that ends, year after year, in a massacre of astonishing creativity and casualty. The title story illuminates the desires and even the violence that surges beneath the tenuous peace among the animals in the Garden of Eden. Equal parts fable and wry satire, Seth Fried's stories suggest that we are at our most compelling and human when wrestling with the most frustrating aspects of both the world around us and of our very own natures—and show why he has been called "one of the most exciting new voices in fiction" (Charles Yu, author of *How to Live Safely in a Science Fictional Universe*). "He's channeling Saunders by way of Barthelme and Kafka, but also clearing a whole new territory of his own . . . Seth Fried is the future of fiction." —Hannah Tinti, author of *The Good Thief*
