Hergé HarperCollins Publishers

"Author of the critically acclaimed Tintin and the World of Hergé and the last person to interview Remi, Benoit Peeters tells the complete story behind Hergé's

origins and shows how and why the nom de plume grew into a larger-than-Remi personality as Tintin's popularity exploded. Drawing on interviews and using recently uncovered primary sources for the first time, Peeters reveals Remi as a neurotic man who sought to escape the troubles of his past by allowing Hergé's identity to subsume his own. As Tintin adventured, Hergé lived out a romanticized version of life for Remi."--Jacket.

Tintin Mammoth

A comprehensive and enjoyable new biography of the man who created Tintin. Georges Remi, better known as Herge, is widely regarded as the greatest twentieth-century master of the European bande dessinée. His Tintin books have sold well over 200 million copies worldwide. Drawing from private archives, exclusive interviews and thousands of hours of research, Raphaël Taylor both tells the story of the man's life - which spanned the greater part of the twentieth century - and searches for the inspiration behind his work. Taylor explores Herge the man, covering his youth, his controversial life in Nazi-occupied Brussels during the Second

World War, his depressive crises, the break-up of his first marriage and the manner in which his later life became a 'practice of philosophy'. And for each Tintin story Taylor provides succinct descriptions of the secrets of Herge's workshop, with a special focus on Tintin in TibetA" - Herge's most personal Tintin story. For fans, Taylor's painstakingly researched biography will bring many new insights; for those who know less about Herge, this is a beautifully written, sympathetic portrait of a fascinating writer and artist whose work has enchanted millions.
