Rideshare driving is a great new way to make extra money. Whether you are thinking about rideshare driving or are a veteran, this book walks you through simple strategies to help you make more money, raise your ratings, pay less taxes, all by driving smarter. I show you how just changing your focus to winning will help you win more often. I bring my experience as a computer game developer to show you how listing your goals as a rideshare driver will help you max out at being a rideshare driver. It is not working harder, it is working smarter. I used these same techniques to double my income driving the same number of hours in a few months. Small changes make a huge difference. Using things mentioned in the book, I was able to rebuild my plummeting rating from a 4.63 to a 4.94 in a few weeks on Lyft and maintain a 5.0 star rating on Uber without

giving away candy or gum. There is advice about what to consider when getting a good car, what you need to know about insurance, items you should carry with you in your car, why chasing the Surge or the Pink is a mistake, all things you should know so you drive smarter. It has tools and checklists so you can get more organized. It has advice on whether you should drive for Uber or Lyft. It helps you put the "independent" in independent contractor. From sign up to expert, if there is something you don't know about rideshare driving, it's likely in there. This is the rideshare driver's manual.

Updated and revised for 2019! Do you know someone who will soon be getting or has recently obtained their driver's license that makes you think twice about going out on the road? Maybe a friend or family member who is a notoriously bad driver who is constantly getting into car accidents? This gag driver's education book is the perfect way to tell them that you care and secretly fear them. In the New Driver's Guide to Things to NOT Crash Into, we focus on some very basic driving fundamentals, such as: What is a car? What are those round things at the bottom Where does it belong? In the second portion of the book we walk through dozens of examples of people, places and things that should not be crashed into at any time. We also take care to sarcastically explain reasons why these items are firmly on the DO NOT CRASH INTO list. Some practical examples for newly licensed drivers are: People Other cars Trees Houses Icebergs Mountains Creepy Garden Gnomes And many more! Pick up a copy for new driver in your family or circle of friends who will appreciate a good gag book and get a few good laughs as they learn to become safe and responsible drivers.

Are you wishing to master the driving stick? Are you trying to be fully in charge of your manual car as you've heard it's way more satisfying than an automatic one? But you've also heard it's not easy. There are gearshifts to master, your engine can stall, your car can roll backward on a hill, and understanding the clutch is a nightmare. So, what if I told you using a clutch is no more difficult than using a faucet, or that your car's handbrake is a

lot more than just a 'parking brake', or that I can teach you - in one sentence - how to avoid ever stalling your engine? I've already taught thousands of people how to drive stick - men and women of all ages - normal people, not engineering students or race car engineers. And I can teach you. This book is definitely what you've looking for.

You Can Be an Expert Driver Now! By Sergio C. Camacho Daily, thousands of new drivers, those driving under the influence, and those returning from suspended and revoked licenses will swamp our roads. Of course, many unlicensed operators are driving now in all countries. They will augment the already existing hazardous maneuvers on our overcrowded streets and roads. Sergio C. Camacho realized most accidents are avoidable. He was inspired to create this defensive drivers book to protect all drivers from carelessness and errors of other drivers, traffic tickets, road rage, and, ultimately, collisions. He based these driving tips on his 55 years of driving experience and the mistakes of his driving students. He spent six years as a drivers instructor in Los Angeles, on the world's most congested streets. These astute maneuvers are consistently overlooked by most drivers, even professional operators. The more these safety drivers tips are applied, the more defensive driving ideas will occur to the reader. This will further refine a driver's alertness and poise. Written in a succinct style with concise illustrations, this book will help any driver to focus, relax, and smoothly apply these driving tips. These astute tips will make anyone an expert driver!
