The educational system of Colombia is
described, and placement recommendations
concerning Colombian students who want to
study in the United States are presented. After
describing preschool and primary education,
secondary school and nonformal/vocational
education are described. Attention is directed
to current secondary school curricula and the
current grading system, as well as curricula and
grading prior to 1974. Undergraduate
admissions, credits, transfer practices,
grading/examinations, and degrees and
diplomas are discussed. The following levels of
college studies are examined: intermediate
professional studies, technological studies,
university studies, specialist programs, master's
programs, and doctoral programs. Guidelines
and placement recommendations are presented
as they pertain to Colombian degrees and
diplomas, military and police training, and
transfer of credits from Colombian institutions.
A list of higher education institutions that offer
different levels of programs is appended. The
list provides: the name of the institution;
addresses and telephone (when available);
1981-1982 enrollment figures; the date of
founding; the length of the programs; and the
diploma, degree, or title awarded. Also
appended are a list of courses for different
programs of study and a list of secondary school
courses by grade. (SW)
