Just received my TM-261A Service Manual on Tuesday. It is a superb product and well worth its modest cost. Thanks for a great job, Pete! Tom K2TFS: 01/05/2008: John Wise Once again thank you for the nice work you did on the manuals. If it was not for the B&W reproduction, you would think these manuals came from the manufacturer!

Nice Kenwood TM-261 Mobile 2 Meter Radio.
Works very well but gets hot especially when
using 50 Watt output setting. Recommend
leaving at 10 watts setting. Radio is not
the easiest to program, manual neglected
(missing) to describe how to set the tones.
No programming port is available. Overall a
good radio.
