Cost benefit: Great package for the price. A really good starting base for shifter kart racing. TM KZx(drove both a KZ9C and a KZ10B) BOTH BLUEPRINTED BY TECSAV Gearbox: Very smooth in both occasion. Engages very easily and with minimal force. Had work done to it. Power: Absolute rockets on the top end. Less bottom than a rok, but once it gets on a straight and in the higher gears, it becomes ...

TM Engines | Superkart.it, spare parts for go kart

Need service manual for TM K9B Shifter Engine. Just as the title says, I'm looking for a service manual or service guidelines for a TM K9B engine. My dad built a shifter kart using a TM K9B on an Avanti chassis in 2005 but since moving years ago its been sitting in storage for about 10 years. This past year I decided to get it down and get it running again. I took apart and cleaned the carb ...

TM Engines began in 1976 by two childhood friends from Pesaro Italy, Claudio Flenghi and Francesco Battistelli. Both men had a love for motorcycles and racing, and that love soon became a force to be reckoned with when they started their own motorcycle company by the name TM. In 1977, the men worked with a talented y
