"Sue Kwon's undeniable hip-hop résumé should be bowed down to! Sue is definitely one of the greats in visually capturing a culture." —Posdnuos of De La Soul The last decade of the 20th century into the first decade of the 21st represent a High Renaissance age of hip hop—an era in which rap music had reached critical mass and was exploding, and in which New York City itself witnessed the worldwide ascension and cultural domination of its powerful homegrown art form. In *Rap Is Risen: New York Photographs 1988-2008*, celebrated photographer Sue Kwon documents this era with a combination of incisive portraits and unposed, spontaneous images that capture the energy of these ascendant artists and the city itself. With access to some of rap music's biggest legends—some stars already, some at the cusp of their fame—Kwon's work offers an intimacy rarely seen in the hip hop photography of the time. The Wu-Tang Clan, Biggie Smalls, Jay-Z, Kanye West, Big Pun, Eminem, Mobb Deep, the Beastie Boys, Big L, Ice Cube, De La Soul and A Tribe Called Quest are all represented here, as well as dozens of other DJs and artists that communed with Kwon to produce these images. Method Man brushing his teeth, Fat Joe playing softball in the Bronx, Prince Paul kissing his baby son—the trust inherent between subject and photographer is evident in intimate, joyful shots like these. Giving a rare glimpse into real rap culture, and featuring 300 photographs, most of which have never been published before, *Rap Is Risen* is a necessary offering to music history and the faithful followers of hip hop. Sue Kwon began her career at the Village Voice and went on to shoot primarily hip hop artists for record labels such as Def Jam, Sony and Loud Records. Recent commercial collaborations include MCM, Sergio Tacchini and Carhartt WIP national campaigns.

Fans of *The Historian* won't be able to put down this spellbinding literary horror story in which a Columbia professor must use his knowledge of demonic mythology to rescue his daughter from the Underworld. Professor David Ullman is among the world's leading authorities on demonic literature, with special expertise in Milton's *Paradise Lost*. Not that David is a believer—he sees what he teaches as a branch of the imagination and nothing more. So when the mysterious Thin Woman arrives at his office and invites him to travel to Venice and witness a “phenomenon,” he turns her down. She leaves plane tickets and an address on his desk, advising David that her employer is not often disappointed. That evening, David's wife announces she is leaving him. With his life suddenly in shambles, he impulsively whisks his beloved twelve-year-old daughter, Tess, off to Venice after all. The girl has recently been stricken by the same melancholy moods David knows so well, and he hopes to cheer her up and distract them both from the troubles at home. But what happens in Venice will change everything. First, in a tiny attic room at the address provided by the Thin Woman, David sees a man restrained in a chair, muttering, clearly insane...

but could he truly be possessed? Then the man speaks clearly, in the voice of David's dead father, repeating the last words he ever spoke to his son. Words that have left scars—and a mystery—behind. When David rushes back to the hotel, he discovers Tess perched on the roof's edge, high above the waters of the Grand Canal. Before she falls, she manages to utter a final plea: Find me. What follows is an unimaginable journey for David Ullman from skeptic to true believer. In a terrifying quest guided by symbols and riddles from the pages of *Paradise Lost*, David must track the demon that has captured his daughter and discover its name. If he fails, he will lose Tess forever.

Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. *The Temporary European* is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle;

hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is "Jams Are Fun"—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's "dream job": researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, *The Temporary European* is inspiring, insightful, and fun.
