"From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan Stevenson was a gifted young attorney when he founded the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinkmanship - and transformed his understanding of mercy and justice forever."--Back cover.

Amy Julia Becker welcomes us into her life, from the charm of her privileged southern childhood to her adult experience in the northeast, and the denials she has faced as the mother of a child with special needs. Seminar paper from the year 2019 in the subject English - Literature, Works, grade: 4.1, , language: English, abstract: In Harper Lee's "To Kill a Mockingbird", the theme of racism is highlighted in various interactions between the characters. The story is narrated through the eyes of the protagonist, Scout, who resides in a fictional town in Alabama named Maycomb with her father Atticus and brother Jem. In the novel, various aspects of the vice are depicted, mainly in the conflict between the whites and the African-American community. Most of the misunderstandings in the town are caused by stereotypes that are told by members of opposing races. Thus, the narration details how prejudices and injustices along racial lines can impede social harmony. The discrimination against individuals based on their race was a common phenomenon in the 1930s. In history, people of color, particularly the blacks, were not accepted in white society. The white majority exercised supremacy over the black minority, and the latter was mainly involved in manual labor.
