## **We Don't Know Ourselves: A Personal History of Modern Ireland** Zondervan

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.

learning specialist), Mo Willems has crafted a mind-bending story that is even more interactive than previous Elephant & Piggie adventures. Fans of the Geisel Award-winning duo won't be able to put this book down--literally!

We Would See Jesus Routledge

2022 Scotiabank Giller Prize Longlist

For readers of *My Dark Vanessa*, a mesmerizing, disturbing, and thoroughly compelling novel about one woman's role in preserving—or destroying—her famous father's legacy. In front of me are hundreds of pages of work. Already I feel it leaving me. He will obliterate what is there, replace it, deny I ever wrote a word. But, he cannot take the words I write on my own. Hillary Greene's father, once a celebrated author and public figure, is now losing his memory and, with it, his ability to write. As her father's primary caretaker, each day begins with two eggs, boiled and Charlie Rose or some other host on the iPad screen. Her father compulsively watches himself in old interviews, memorizing his own speech, trying to hang on to who he was. An aspiring author herself, Hillary impulsively agrees to ghost-write his final work—a memoir spanning his career—and release it in his name. Diving deep into her father's past, and in turn her own, a horrifying truth begins to piece itself together. With full control over her father's memoir, Hillary is faced with a stark choice: reveal her father as a monster or preserve his legacy as a respected literary figure. But she wonders what writing the truth will do to her and if it will damage her own prospects for a career. Whichever option she chooses,

Hillary has to deal with the significant pain writing the memoir has resurfaced—specifically, how the truth about her father adds to her grief over the death of her enigmatic sister, Pauline. For the first time in her life, Hillary holds the power. Set in the wake of the #MeToo and Time's Up movements, *What We Both Know* is a visceral, intimate, and complex novel about confronting the personal and professional consequences—and potentially devastating fallout—of revealing the truth about a famous man. We're Different, We're the Same (Sesame Street) Abingdon Press

This primer on authentic education explores how mind and heart can work together in the learning process. Moving beyond the bankruptcy of our current model of education, Parker Palmer finds the soul of education through a lifelong cultivation of the wisdom each of us possesses and can share to benefit others.

*We Are in a Book!* (An Elephant and Piggie Book) Canongate U.S.

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, “The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death.” Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better. *To Know We're Loved* McClelland & Stewart

---

The world today is filled with angry voices, voices that often call for isolation and even violence against those who differ from us by race, nationality, religion, sexual orientation, or lifestyle. At the same time there are many voices that call for us to change, to make peace, to open ourselves up to others and hear what they 're saying. Most of these voices bring religious arguments to bear on the issue. Rev. Janice Springer goes a step, indeed several steps, further. She tells us how to reach out, how to pray, to interact, and indeed to change ourselves. This book provides a powerful approach to creating new, peaceful relationships and learning to live together while celebrating our differences and growing from them. The book includes guides to study, exercises, and activities, and a sample program for a retreat. It is written from the perspective of the author ' s Christian ministry, but it is inviting and useful to those of other faith traditions as well. Who will you invite to join you at the table?

#### Revelations Zondervan

For fans of David Almond ' s *Skellig* and Patrick Ness ' s *A Monster Calls*, here is a lyrical, atmospheric, and deeply emotional middle-grade novel with a touch of magical realism. Twins Jamie and Ned do everything together, from watching their favorite show, *Star Trek*, to riding their bikes, to beachcombing after a storm. But Ned is sick with cystic fibrosis, and he may someday leave Jamie behind. One day the boys find a strange animal on the beach: smooth flesh on one end, scales at the other, and short arms and legs with long webbed fingers and toes. Could it be a merman, like in the old stories Granddad tells? Together, the boys name the creature Leonard and decide to hide him in a tub in their garage. But . . . why is Leonard here? Jamie hopes he might bring some

miracle that will stop his brother from going where he can no longer follow. But Ned, who grows closer to Leonard every day, doesn ' t seem to be getting any better. . . . "An elegant story of courage and loss." —The Wall Street Journal "A heartrending but ultimately uplifting adventure novel." —School Library Journal, Starred "A hauntingly beautiful story about brotherly bonds, wrenching grief, and the untethered hope that everything will somehow work out." —Publishers Weekly, Starred "Captivating." —Shelf Awareness, Starred

#### The Gospel According to Matthew Random House Books for Young Readers

The touching story of a school principal and the bully whose life he'll change, by beloved New York Times bestselling author-illustrator Patricia Polacco. Mr. Lincoln is the coolest principal ever! He knows how to do everything, from jumping rope to leading nature walks. Everyone loves him . . . except for Eugene Esterhause. "Mean Gene" hates everyone who's different. He's a bully, a bad student, and he calls people awful, racist names. But Mr. Lincoln knows that Eugene isn't really bad—he's just repeating things he's heard at home. Can the principal find a way to get through to "Mean Gene" and show him that the differences between people are what make them special? "A touching and complex story that sends a positive message to kids and creates hope for these working with kids who seem to be lost and categorized as bullies."—Children's

## Literature

### The Right to Know Crown

Reshad Feild left the aristocratic roots of his native England at an early age to begin a life-long mystical search that took him around the world to Zen monasteries in Japan, the Himalayas in Nepal, Sufi mystics and whirling dervishes in Turkey, and the Gurdjieff and Ouspensky schools in England. He has been an antiques dealer, a stockbroker, a naval officer, and a performer with a British pop group. Reshad earned a doctorate in psychological counselling, and has run several esoteric schools in England, Canada, the United States, and Switzerland to help people embarking on the path of transformation. His other written works include *Going Home*, *Steps to Freedom*, *Here to Heal*, and *Alchemy of the Heart*.

### Find Your Why Schwartz & Wade

Who better than Elmo and his Sesame Street friends to teach us that though we may all look different on the outside—deep down, we are all very much alike? Elmo and his Sesame Street friends help teach toddlers and the adults in their lives that everyone is the same on the inside, and it's our differences that make this wonderful world, which is home to us all, an interesting—and special—place. This enduring, colorful, and charmingly illustrated book offers an easy, enjoyable way to learn about differences—and what truly matters. *We're Different, We're the Same* is an engaging read for toddlers and adults alike that reinforces how we all have the

same needs, desires, and feelings.

### We Saved You a Seat - Bible Study Book HMH

The easy accessibility of the Bible in most of the world's major languages can obscure a dramatic and sometimes unexpected story. In *Know How We Got Our Bible*, scholars Ryan Reeves and Charles Hill trace the history of the Bible from its beginnings to the present day, highlighting key figures and demonstrating overall the reliability of Scripture. Reeves and Hill begin with the writing of the Bible's books (including authorship and dating), move into the formation of the Old and New Testaments (including early transmission and the development of the canon), and conclude with several chapters on Bible translation from the Latin Vulgate to the ongoing work of translation around the world today. Written simply and focused on the overarching story of how the Bible came to us today, *Know How We Got Our Bible* is an excellent introduction for formal students and lay learners alike. Each chapter includes reflection questions and recommended readings for further learning.

### We Are Grateful Lerner Publishing Group

This book provides the first comprehensive philosophical examination of the right to know and other epistemic rights: rights to goods such as information, knowledge, and truth.

### The Power of Now Hyperion

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through

---

the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds- Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is

sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

*Mr. Lincoln's Way* Penguin

On the twenty-fifth anniversary of the publication of her classic *Leadership and the New Science*, bestselling author Margaret Wheatley once again turns to the new science of living systems to help leaders persevere in a time of great turmoil. I know it is possible for leaders to use their power and influence, their insight and compassion, to lead people back to an understanding of who we are as human beings, to create the conditions for our basic human qualities of generosity, contribution, community and love to be evoked no matter what. I know it is possible to experience grace and joy in the midst of tragedy and loss. I know it is possible to create islands of sanity in the midst of wildly disruptive seas. I know it is possible because I have worked with leaders over many years in places that knew chaos and breakdown long before this moment. And I have studied enough history to know that such leaders always arise when they are most needed. Now it's our turn.

*We Are Together* Simon and Schuster

Are you able to give your first impressions a second look? In this lighthearted and humorous take on life, Knox McCoy explores questioning and examining long-held ideas that no longer represent how we think. What would it mean to really examine what you think you know about yourself and your beliefs? To not just rely on the

---

cliches you ' ve always recited to yourself but to look deeply into why you think what you think? In *All Things Reconsidered*, popular podcaster Knox McCoy uses a unique blend of humor, pop culture references, and personal stories to show how a willingness to reconsider ideas can actually help us grow ourselves, our lives, and our beliefs. In this laugh-out-loud defense of changing your mind, Knox dives into a variety of topics including: Are participation trophies truly the worst? Is it really worth it to be a ride-or-die sports fan? Do we believe in God because of the promise of heaven—or the threat of hell? Does prayer work? Is anyone even there? In a world where we ' re divided by political, social, and religious differences, *All Things Reconsidered* is a hilarious and insightful book of essays that reminds us of the value of reflection and open-mindedness.

Reading the Bible Supernaturally  
National Geographic Books

“ [L]ike reading a great tragicomic Irish novel. ” —James Wood, *The New Yorker* “ Masterful . . . astonishing. ”

—Cullen Murphy, *The Atlantic* “ A landmark history . . . Leavened by the brilliance of O'Toole's insights and wit. ” —Claire Messud, *Harper ' s Winnie*

- 2021 An Post Irish Book Award — Nonfiction Book of the Year
- from the judges: “ The most remarkable Irish nonfiction book I ' ve read in the last 10 years ” ; “ [A] book for the ages. ”

A celebrated Irish writer ' s magisterial, brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world. Fintan O ' Toole was born in the year the revolution began. It was 1958, and

the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In *We Don ' t Know Ourselves*, O ' Toole, one of the Anglophone world ' s most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary “ backwater ” to an almost totally open society—perhaps the most astonishing national transformation in modern history. Born to a working-class family in the Dublin suburbs, O ' Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland ' s main export was beef and it was still not unknown for herds of cattle to clatter down Dublin ' s streets. Yet the Westerns were a sign of what was to come. O ' Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O ' Toole ' s telling, America became a lodestar, from John F. Kennedy ' s 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during

---

the 2008 financial crisis. A remarkably compassionate yet exacting observer, O ' Toole in coruscating prose captures the peculiar Irish habit of " deliberate unknowing, " which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, *We Don ' t Know Ourselves* is a landmark work, a memoir and a national history that ultimately reveals how the two modes are entwined for all of us.

*I Know We're All Welcome at the Table, But Do I Have to Sit Next to You?* Berrett-Koehler Publishers  
Includes bibliographical references (pages 156-157).
