What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

As seen on Oprah's Super Soul Sunday A beacon of hope in the face of our current world crises, this uplifting book demonstrates how embracing our interconnectedness is key to world transformation In a time of social and ecological crisis, what can we as individuals do to make the world a better place? This inspirational and thought-provoking book serves as an empowering antidote to the cynicism, frustration, paralysis, and overwhelm so many of us are feeling, replacing it with a grounding reminder of what's true: we are all connected, and our small, personal choices bear unsuspected transformational power. By fully embracing and practicing this principle of interconnectedness—called interbeing—we become more effective agents of change and have a stronger positive influence on the world. Throughout the book, Eisenstein relates real-life stories showing how small, individual acts of courage, kindness, and self-trust

can change our culture's guiding narrative of separation, which, he shows, has generated the present planetary crisis. He brings to conscious awareness a deep wisdom we all innately know: until we get ourselves in order, any action we take—no matter how good our intentions—will ultimately be wrong-headed and wrong-hearted. Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.

We Don't Know Ourselves: A Personal History of Modern Ireland Harper Collins

While companies search the world over to benchmark best practices, vast treasure troves of knowledge and know-how remain hidden right under their noses: in the minds of their own employees, in the often unique structure of their operations, and in the written history of their organizations. Now, acclaimed productivity and quality experts Carla O'Dell and Jack Grayson explain for the first time how applying the ideas of Knowledge Management can help employers identify their own internal best practices and share this intellectual capital throughout their organizations. Knowledge Management (KM) is a conscious strategy of getting the right information to the right people at the right time so they can take action and create value. Basing KM on three major studies of best practices at one hundred companies, the authors demonstrate how managers can utilize a visual process model to actually transfer best practices from one business unit of the organization to another. Rich with case studies, concrete examples, and revealing anecdotes from companies including Texas Instruments, Amoco, Buckman, Chevron, Sequent Computer, the World Bank, and USAA, this valuable guide reveals how knowledge treasure chests can be unlocked to reduce product development cycle time, implement more cost-efficient operations, or create a loyal customer base. Finally, O'Dell and Grayson present three "value propositions" built

around customers, products, and operations that could result in staggering payoffs as they did at the companies cited above. No amount of knowledge or insight can keep a company ahead if it is not properly distributed where it's needed. Entirely accessible and immensely readable, *If Only We Knew What We Know* is a much-needed companion for business leaders everywhere.

Know How We Got Our Bible Apologia Educational Ministries

A recent poll indicated that for every American who believes he or she is going to Hell, there are 120 who believe they're going to Heaven. This optimism stands in stark contrast to Jesus Christ's words written in the Bible: "Enter by the narrow gate. For the gate is wide and the way is easy that leads to destruction, and those who enter by it are many. For the gate is narrow and the way is hard that leads to life, and those who find it are few" (Matthew 7:13-14). The truth is that according to the Bible we don't automatically go to Heaven. In fact, Hell--not Heaven--is our default destination. Unless our sin problem is solved once and for all, we can't enter Heaven. That's the bad news. But once that's straight in our minds we're ready to hear the good news of Jesus Christ--Jesus took upon himself, on the cross, the Hell we deserve so that we could experience for eternity the Heaven we don't deserve! The Only Two Options There are two possible destinations when we die--Heaven or Hell. Can we really know in advance where we'll go? John, one of the writers of the Bible, said this: "I write these things to you who believe in the name of the Son of God that you may know that you have eternal life" (1 John 5:13). We can know for sure that we'll go to Heaven when we die. Do you? To sin means to fall short of God's holy standards. Sin is what ended Eden's paradise. And all of us, like Adam and Eve, are sinners. "For all have sinned and fall short of the glory of God" (Romans 3:23). Sin separates us from a relationship with God (Isaiah 59:2). Sin deceives us and makes us think that wrong is right and right is wrong (Proverbs 14:12). Sin has terrible consequences, but God has provided a solution: "For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord" (Romans 6:23). Jesus Christ, the Son of God, loved us so much that he became a man to deliver us from our sin. "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life" (John 3:16). He came to identify with us in our humanity and our weakness, but he did so without being tainted by our sin, self-deception, and moral failings (Hebrews 4:15-16). Jesus died on the cross as the only one worthy to pay the penalty for our sins demanded by the holiness of God: "For our sake he [God] made him [Jesus] to be sin who knew no sin, so that in him we might become the righteousness of God" (2 Corinthians 5:21). But God raised Jesus from the grave, defeating sin's consequences and conquering death (1 Corinthians 15:3-4, 54-57). When Christ died on the cross for us, he said, "It is finished" (John 19:30). In those times "It is finished" was commonly written across certificates of

debt when they were canceled. It meant "Paid in full." Christ died so that the certificate of debt, consisting of all our sins, could once and for all be marked "Paid in full." The Critical Decision Only when our sins are dealt with in Christ can we enter Heaven. We cannot pay our own way. Jesus said "No one comes to the Father except through me" (John 14:6). "There is salvation in no one else, for there is no other name under heaven given among men by which we must be saved" (Acts 4:12). Because of Jesus Christ's sacrificial death on the cross on our behalf, God freely offers us forgiveness. To be forgiven, we must recognize and repent of our sins. Forgiveness is not automatic. It's conditioned upon confession: "If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness" (1 John 1:9). Christ offers to everyone the gifts of forgiveness, salvation, and eternal life. "Let the one who is thirsty come; let the one who desires take the water of life without price" (Revelation 22:17). There's no righteous deed we can do that will earn us a place in Heaven (Titus 3:5). We come to Christ empty-handed. We can take no credit for salvation. "For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast" (Ephesians 2:8-9). This gift cannot be worked for, earned, or achieved. It's dependent solely on Christ's generous sacrifice on our behalf. Now is the time to make things right with God. Confess your sinfulness and accept the sacrifice of Jesus Christ on your behalf. You are made for a person and a place. Jesus is the person, and Heaven is the place. They are a package--they come together. You cannot get Heaven without Jesus or Jesus without Heaven. "Seek the Lord while he may be found; call upon him while he is near" (Isaiah 55:6). For all eternity you'll be glad you did. If you understand what God has done to make forgiveness and eternal life possible for you, you may want to express it in words like these: "Dear Lord, I confess that I do not measure up to your perfect standard. Thank you for sending Jesus to die for my sins. I now place my trust in him as my Savior. Thank you for your forgiveness and the gift of eternal life."

Psychiatrist Ludwig weaves insights from in-depth interviews with 21 biographers with observations from his own practice to investigate the mechanisms by which people construct identities. He describes how biographers must impose a narrative structure on the mass of often contradictory information in much the same way therapists try to foster understanding and awareness in their patients. He concludes by asserting that people can use the same methods to find meaning in their lives.

Eternal Life Crossway

In this searing meditation on the bonds of family and the allure of extremist faith, one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace—a revelatory memoir that “invites comparison to *Hillbilly Elegy*” (Publishers Weekly, starred review). “Searing, heartrending . . . This stunning tale reminds us that the only way to keep living is to ask God for the impossible: love, forgiveness, and hope.”—Kate Bowler, *New York Times* bestselling author of *Everything Happens for a Reason* Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta, Philip Yancey and his brother, Marshall, found ways to venture out beyond the confines of their eight-foot-wide trailer. But when Yancey was in college, he

uncovered a shocking secret about his father's death—a secret that began to illuminate the motivations that drove his mother to extreme, often hostile religious convictions and a belief that her sons had been ordained for a divine cause. Searching for answers, Yancey dives into his family origins, taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia; from trailer parks to church sanctuaries; from family oddballs to fire-and-brimstone preachers and childhood awakenings through nature, music, and literature. In time, the weight of religious and family pressure sent both sons on opposite paths—one toward healing from the impact of what he calls a "toxic faith," the other into a self-destructive spiral. *Where the Light Fell* is a gripping family narrative set against a turbulent time in post-World War II America, shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties-era forces of social change. In piecing together his fragmented personal history and his search for redemption, Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear. "I truly believe this is the one book I was put on earth to write," says Yancey. "So many of the strands from my childhood—racial hostility, political division, culture wars—have resurfaced in modern form. Looking back points me forward."

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.
