[The Company of Strangers](#) Createspace Independent Publishing Platform

This primer on authentic education explores how mind and heart can work together in the learning process. Moving beyond the bankruptcy of our current model of education, Parker Palmer finds the soul of education through a lifelong cultivation of the wisdom each of us possesses and can share to benefit others.

[Revelation Unraveled](#) Harper Collins

A New York Times Bestseller
An Indie Bestseller Perfect for fans of Marie Lu and E. Lockhart, *The Ones We're Meant to Find* is a gripping and heartfelt YA sci-fi with mind-blowing twists. Set in a climate-ravaged future, Joan He's beautifully written

novel follows the story of two sisters, separated by an ocean, desperately trying to find each other. Cee has been trapped on an abandoned island for three years without any recollection of how she arrived, or memories from her life prior. All she knows is that somewhere out there, beyond the horizon, she has a sister named Kay, and it's up to Cee to cross the ocean and find her. In a world apart, 16-year-old STEM prodigy Kasey Mizuhara lives in an eco-city built for people who protected the planet?and now need protecting from it. With natural disasters on the rise due to climate change, eco-cities provide clean air, water, and shelter. Their residents, in exchange, must spend at least a third of their time in stasis pods, conducting business virtually

whenever possible to reduce their environmental footprint. While Kasey, an introvert and loner, doesn't mind the lifestyle, her sister Celia hated it. Popular and lovable, Celia much preferred the outside world. But no one could have predicted that Celia would take a boat out to sea, never to return. Now it's been three months since Celia's disappearance, and Kasey has given up hope. Logic says that her sister must be dead. But nevertheless, she decides to retrace Celia's last steps. Where they'll lead her, she does not know. Her sister was full of secrets. But Kasey has a secret of her own.

The Elijah Calling (Pocket Sized) To Know as We Are Known

A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

Biblical theology and doctrines of Jehovah's Witnesses.

Origins of Judaism: The Literature of formative Judaism (6 v.) NavPress
A brief rebuttal to several points of Biblical theology by this well known debater is the subject of this booklet which is one of the authors most popular books.

To Know We're Loved Bloomsbury Publishing USA

This book is a new and original voice in Christian spirituality. A valuable and practical resource for both clergy and laity, a balance vision of the renewal of public life and how the church can contribute to it.

To Know as We Are Known Our Sunday Visitor

The easy accessibility of the Bible in most of the world's major languages can obscure a dramatic and sometimes unexpected story. In *Know How We Got Our Bible*, scholars Ryan Reeves and Charles Hill trace the history of the Bible from its beginnings to the present day, highlighting key figures and demonstrating overall the reliability of Scripture. Reeves and Hill begin with the writing of the Bible's books (including authorship and dating), move into the formation of the Old and New Testaments (including early transmission and the development of the canon), and conclude with several chapters on Bible translation from the Latin Vulgate to the ongoing work of translation around the world today. Written simply and focused on the overarching story of how the Bible came to us today, *Know How We Got Our Bible* is an excellent introduction for formal students and lay learners alike. Each chapter includes reflection questions and recommended readings for further learning.

I Want You to Know We're Still Here Barbour Publishing

A collection of timely, stirring, and witty prayers that give language to the full breadth of our everyday experiences—from joy to sorrow, and everything in between “ This is the prayer book I need right now, full of humor and beauty, candor and holy longing. ” —Jeff Chu, co-curator of *Evolving Faith* and author of *Does Jesus Really Love Me?* In his debut collection of short-form prayers (aka collects), Terry

Stokes names many things we didn't realize we could pray for, such as student loan debt cancellation, strength when we're about to make small talk, and restraint when we have the opportunity to be petty. The collection features an impressive range of humor and inspiration, and spans lament and solidarity, including prayers for • when one dreads the thought of returning to work on Monday • when one has been left on read by a friend • before shooting one's shot • after shooting one's shot • before walking into Target • when one fears getting canceled • those working in retail • when one's team is struggling These tender, moving, and entertaining prayers invite us to access the wonder and joy of God's presence in every situation we encounter. By putting words to the emotions and needs that lie beneath our petitions, our celebrations, and our protests. Stokes's prayers make for an engaging and heartfelt read that will delight and encourage any person of faith in the modern age.

Representing Australian Aboriginal Music and Dance 1930-1970 Wipf and Stock Publishers

"The Elijah Calling" by Ken Mentell investigates the end-time prophecy regarding the promised coming of Elijah. "The Elijah Calling" explores the dire warning of the prophets regarding the "end-time" great delusion that will come upon the entire world. In a stunning display of prophetic patterns and fractals the author proves the meaningful

arrangement of God's divine plan and how believers can equip themselves for the end-time conflict. Hidden within the scriptures are divinely designed sequences that show the hiding and revealing of Jesus Christ! Throughout the scriptures we see the repeating structure of hidden then revealed, death then resurrection, seed then image, descending then ascending, and flesh then spirit. Christianity finally has an answer for why Jesus Christ has been absent for 2,000 years! "The Elijah Calling" is a robust commentary on the Image of God and the method of correctly interpreting God's divine parables. No Theological library is complete without this Bible commentary!

The Daughter We Didn't Know We Had Zondervan

A collection of essays that explores new frameworks for the revitalization of education, advocating an acceptance of spirituality, an openness to diversity, and a balancing of the past and the future

Ecclesiastes or, The Preacher
Roaring Brook Press

The world today is filled with angry voices, voices that often call for isolation and even violence against those who differ from us by race, nationality, religion, sexual orientation, or lifestyle. At the same time there are many voices that call for us to change, to make peace, to open ourselves up to others and hear what they're saying. Most of these voices bring religious arguments to bear on the issue.

Rev. Janice Springer goes a step,

indeed several steps, further. She tells us how to reach out, how to pray, to interact, and indeed to change ourselves. This book provides a powerful approach to creating new, peaceful relationships and learning to live together while celebrating our differences and growing from them. The book includes guides to study, exercises, and activities, and a sample program for a retreat. It is written from the perspective of the author's Christian ministry, but it is inviting and useful to those of other faith traditions as well. Who will you invite to join you at the table? Camden Energion Publications NATIONAL JEWISH BOOK AWARDS FINALIST • "Part personal quest, part testament, and all thoughtfully, compassionately written." —The Washington Post "Esther Safran Foer is a force of nature: a leader of the Jewish people, the matriarch of America's leading literary family, an eloquent defender of the proposition that memory matters. And now, a riveting memoirist." —Jeffrey Goldberg, editor in chief of The Atlantic NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Esther Safran Foer grew up in a home where the past was too terrible to speak of. The child of parents who were each the sole survivors of their respective families, for Esther the Holocaust loomed in the backdrop of daily life, felt but never discussed. The result was a childhood marked by painful

silences and continued tragedy. Even as she built a successful career, married, and raised three children, Esther always felt herself searching. So when Esther's mother casually mentions an astonishing revelation—that her father had a previous wife and daughter, both killed in the Holocaust—Esther resolves to find out who they were, and how her father survived. Armed with only a black-and-white photo and a hand-drawn map, she travels to Ukraine, determined to find the shtetl where her father hid during the war. What she finds reshapes her identity and gives her the opportunity to finally mourn. *I Want You to Know We're Still Here* is the poignant and deeply moving story not only of Esther's journey but of four generations living in the shadow of the Holocaust. They are four generations of survivors, storytellers, and memory keepers, determined not just to keep the past alive but to imbue the present with life and more life.

Is the Bible God's Word? HFCA Publishing House

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

The Importance and Value of Proper Bible Study Author House

In a culture in which science is believed to hold the answers to every question, spiritual realities like the soul are often ignored or ridiculed. We

are told that neuroscience holds the key to explaining every aspect of human behavior. Yet Christian philosopher J. P. Moreland argues that Scripture, sound philosophical reasoning, and everyday experience all point to the reality of an immaterial soul. Countering the arguments of both naturalists and Christian scholars who embrace a material-only view of humanity, Moreland demonstrates why it is both biblical and reasonable to believe humans are essentially spiritual beings. He also describes the various components of the soul and how Christians can nurture their souls as disciples of Christ. Moreland shows that neuroscience and the soul are not competing explanations of human activity, but that both coexist and influence one another.

The Heart of Learning Destiny Image Publishers

Reshad Feild left the aristocratic roots of his native England at an early age to begin a life-long mystical search that took him around the world to Zen monasteries in Japan, the Himalayas in Nepal, Sufi mystics and whirling dervishes in Turkey, and the Gurdjieff and Ouspensky schools in England. He has been an antiques dealer, a stockbroker, a naval officer, and a performer with a British pop group. Reshad earned a doctorate in psychological counselling, and has run several esoteric schools in England, Canada, the United States, and Switzerland to help people embarking on the path of transformation. His other written works include *Going Home*,

Steps to Freedom, Here to Heal, and Alchemy of the Heart.

Helping Our Children Grow in Faith

Crossroad Publishing Company

Boston Bay Vikings: hot enough to melt the ice. Camden I grew up with only one dream—to become a professional hockey player. My dream came true and now I was a winger for the Boston Bay Vikings. I never gave much thought to having that ‘special’ someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team’s shower room. I went from a carefree bachelor to a fierce protector. Molly Exhausted and scared, I fell asleep in an empty room and came awake to find the gaze of three naked men on me. It turned out I’d found my way into the shower room of the Boston Bay Vikings—I’d never heard of them. However, it was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn’t want to leave his side, but I’d learned the hard way that anything good never lasted. Meet Camden Edwards and Molly Lewis in the first book of a new series by NYT and USA Today bestselling author, Lexi Buchanan.

The Astronomy of the Bible Accent Press Ltd

The Things We Learn When We’re Dead is about how small decisions can have profound and unintended consequences, but how we can sometimes get a second chance. On the way home from a dinner party, Lorna Love steps into the path of an oncoming car. When she wakes up she is in what appears to be a hospital – but a hospital in which her nurse looks like a young Sean Connery, she is served wine for supper, and everyone avoids her questions. It soon transpires that she is in Heaven, or on HVN, because HVN is a lost, dysfunctional spaceship, and God the aging hippy captain. She seems to be there by accident... or does God have a higher purpose after all? Despite that, *The Things We Learn When We’re Dead* is

neither sci-fi nor fantasy. It is a book about memory and how, if we could remember things slightly differently, would we also be changed? In HVN, Lorna can at first remember nothing. But as her memories return – some good, some bad – she realizes that she has decisions to make and that, maybe, she can find a way back home.

The Tree of Liberty Moody

Rewire Your Brain with Truth from Scripture Have you ever felt stuck in your Christian life? Have you wondered if the abundant life Jesus promised is really available for you right here and right now? If you answered yes to either of these questions, then this book is for you. This book will help you identify the spiritual growth barriers that are keeping you stuck as well as show you the way to experience more of the abundant life: a life characterized by more love, joy, peace, and hope than you ever dreamed possible before. Ken Baugh draws us into the inner workings of the brain and the heart, which inform how we process negative and traumatic experiences, but which also can be diverted from health and wholeness by such negative experiences. How we process hard things intellectually and spiritually recalibrates us toward either health and wholeness or bitterness and defeatism. Ken helps us rewire our brains by simmering in the Scriptures that remind us whom we belong to and what God has promised us. The end result is a resilient, robust faith

prepared to weather every storm and keep in step with Jesus.

The How-to Book of Evangelization
Baker Books

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

The Things We Learn When We're Dead
Canongate Books

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed

and Christ will rule a new Jerusalem.
With an introduction by Will Self.
