Called "smart, imaginative, and insanely addictive" by New York Times bestseller Darynda Jones, this urban fantasy thrill ride is perfect for fans of Charlaine Harris, Kim Harrison, and Chloe Neill. On the morning before her 67th death, it is business as usual for agent Jesse Sullivan: meet with the mortician, counsel soon-to-be-dead clients, and have coffee while reading the latest regeneration theory. Jesse dies for a living, literally. Because of a neurological disorder, she is one of the population's rare 2% who can serve as a death surrogate, dying so others don't have to. Although each death replacement is different, the result is the same: a life is saved, and Jesse resurrects days later with sore muscles, new scars, and another hole in her memory. But when Jesse is murdered and becomes the sole suspect in a federal investigation, more than her freedom and sanity are at stake. She must catch the killer herself--or die trying. And that was only the beginning... Praise for *Dying for a Living* ????? "frigging LOVED it. It is one of the most original story lines I have read to date. First published in 1988, this book is a study of all Blake's work in illuminated printing. It traces in particular, the development of his ideas on politics, religion, sexuality, and the imagination. There are substantial sections on some of Blake's best-known works, including the *Marriage of Heaven and Hell*, and the *Songs of Innocence and Experience*, and full critical essays on the *Four Zoas* and *Jerusalem*. The book describes the historical contexts of Blake's work, and sets it in relation to the political controversies of his age as these are reflected in the writings of Burke, Paine and Mary Wollstonecraft. It discusses the relationships of text and design in Blake, the characteristic verbal textures and rhythms of his longer poems, some influences on his thought, and developing structure of his personal myth and its relationship to other mythologies. The opening chapter discusses areas of fundamental disagreement with some of the main approaches to Blake whilst the final chapter discusses literary theory and the practice of criticism, arguing for an open and explicit involvement of personal experience and values and a more creative use of form in critical writing.

This book was originally intended to be (a 3 Volume set or Trilogy, but has been shortened to a single volume and edited for publication as a single title), *Not afraid To Tell The Truth* which could be subtitled: *Exposing the conspiracy of silence in the Last Days*, it is not a book about discipleship necessarily, nor is it a book you could use as a guideline for counseling; rather it is a book written with the intention of shedding light upon (13) contrasting themes running through the whole of God's Word, which the author believes have become confused by Western Christian wrong thinking, preaching and practice in the last days of the Church age*. False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel, but with far graver consequences.

The emphasis of this book is on the magnificence of God and our desire to obtain as much of His holiness in our hearts as we can. *Come Walk with Me to Glory* presents the reality of the love of God reaching out to us through the direct, personal, down-to-earth style of a heart that has been tested through both failure and success, and found to be true. We must stay focused on God, however difficult the test - whether it is losing a

beloved husband to Alzheimer's disease or a son to the ravages of AIDS. We must trust in God to become the anchor that enables us to survive the storms. *Come Walk with Me to Glory* offers an opportunity to see the spiritual life through someone else's eyes and to grow through their experiences and their consequences without having to live them. KIRKUS Review - Intensely personal spiritual memoir and testimony.... The author has uniquely structured this work to provide instruction, introspection and confession, with quality storytelling woven throughout... Matlock calls upon Christians to be bold, unafraid and intentional about living their faith. Anybody can be a child of God, but you have to want to be a servant. Through such intentional living, God provides opportunity, strength and direction. Matlock's writing is clear and approachable, and her style is personable and self-effacing ... How is the God of heaven showing Himself to the world? How has He shown Himself to you? Sweet Revelation is one woman's revelation story, a narrative memoir written to people in all walks of life. Author Davida Blanton describes times throughout her life when God showed Himself real to her. In her darkest moments of fear, disappointment, and grief, God's arm brought comfort to Davida and healed her brokenness, wrapping her in truth, embracing her in love, protecting her in light. The word revelation means an unveiling. When something is unveiled before our eyes, it is made visible. When eternal things are unveiled before us, allowing us to see in the spiritual realm, our lives are affected in profound ways. We are changed. This happens differently for each person, because every man and woman has unique needs and experiences. This book tells how it happened for one woman and invites you to consider how it happened in your own life. Jesus said, The person who has my commands and keeps them really loves me; and whoever really loves me...I will love him and will show Myself to him. I will let Myself be clearly seen by him and make Myself real to him. (John 14:21 AMP) Revelation of the sweetest kind. I anoint your eyes with eye salve, that you may see. -Words of Christ recorded in Revelation 3:18 (NKJV)

Tired of trying to measure up? Trade your anxiety and frustration for rest and relaxation. Many of us believe that in order to please God, we have to be perfect. It's an easy lie to buy into. In a culture that emphasizes accomplishment and ever-higher goals, we feel driven to do more, achieve more, be more. And we get caught up in the unforgiving treadmill of self-imposed rules, believing that we should, we need to, we must. The result? Anger, frustration, and anxiety that keep us far away from the life of peace that Jesus promised. For years, Sandra McCollom lived in this trap. Finally worn out from striving for perfection but constantly feeling like a failure, one day she prayed in desperation, begging God for help. God answered Sandra by setting her on a life-changing journey to discover the riches of His grace. In *I Tried Until I Almost Died*, Sandra shares how she left behind her burden of anxiety and fear and shows you how to experience for yourself the freedom of trusting solely in the perfecting power of God's grace.

Sin has many different names but the same face. No matter which sin it is and the severity of it, sin is simply missing the mark, falling short of the glory of God. Whether it is stealing a couple of jelly beans from the dispensary bins at the supermarket (I did that as a kid) or murdering someone in cold blood, though society views some crimes worse than others, sin is still sin. Fighting the good fight of faith against evil is a lifelong battle. Walking the narrow path is never easy, but as we train to be soldiers of the kingdom of God, we will be refined and aligned. Time to uproot the deception of sin, to receive the seed of the Word of God, and flourish in the awesome and unique being that God has created you to be—destined for greatness.

The resurrection message is the most important part of our belief system. Without the truth of the resurrection message, our faith is just another religion with no real substance. The Resurrection sets Christianity apart. This book is dedicated to establishing this truth. The extent of the work of Christ's resurrection is staggering. However, if there is one topic that is the central message of the Bible, it is the sacrifice of Christ. The Old Testament looks forward to it, whereas the New Testament looks back at it. We must be extremely careful not to allow these two ordinances to become routine in our Christian life (communion and baptism) and thereby reduce the significance of what Jesus did for us at his sacrifice and resurrection. The greatest gift that anyone can be given is eternal life, and the one that made that possible is Jesus. In Christ, we have victory, provided we see ourselves dead to sin and raised together with him. Even so consider yourselves also dead to sin and your relation to it broken, but alive to God [living in unbroken fellowship with Him] in Christ Jesus (Romans 6:11, AMP). I have been crucified with Christ [in Him I have shared His crucifixion]; it is no longer I who live, but Christ (the Messiah) lives in me; and the life I now live in the body I live by faith in (by adherence to and reliance on and complete trust in) the Son of God, Who loved me and gave Himself up for me. [Therefore, I do not treat God's gracious gift as something of minor importance and defeat its very purpose]; I do not set aside and invalidate and frustrate and nullify the grace (unmerited favor) of God. For if justification (righteousness, acquittal from guilt) comes through [observing the ritual of] the Law, then Christ (the Messiah) died groundlessly and to no purpose and in vain. [His death was then wholly superfluous.] (Galatians 2:20, AMP). We need to remember that the story doesn't end with Jesus' death. He is currently in heaven, in his resurrected body, and one day, he will return. The resurrection of Jesus was an act of the supreme love of God. Remember, our identification is in who we are in Christ and his resurrection. The Bible tells us in John 14:12 that the things Christ has done we can do, and greater than these we will do because he goes to the Father. The resurrection

demonstrated Jesus's victory over the power of death and confirms there is life beyond the grave. Jesus Christ offers us a resurrection power beyond ourselves that can make us alive; it empowers us to overcome the limitations of this realm with an infused ability as we focus on the Spirit of power working within us. I hope you receive much insight and revelation as you discover the wholeness of what Jesus achieved for you and me.
