Splendid Day David C Cook

"Dr. Jackson is to be commended for his in-depth work on grace for the believer. Grace in salvation or regeneration is followed by grace in sanctification in which he integrates the exchanged life as the entry point. Brokenness and suffering are shown to be vital ingredients of spiritual maturation. He has provided an excellent resource for a full orb-ed walk in the Spirit for personal appropriation or use in discipleship ministry." Charles R. Solomon, Ed. D., President and Founder of Grace Fellowship International and author of Handbook to Happiness.(Tyndale)

In the church today, we have everything buttoned up perfectly. The music is flawless, the sermon well-prepared and smoothly delivered, and the grounds meticulously kept. People come on time and go home on time. But a fundamental element is missing. The business of church has undermined the individual's need to truly live for Christ, so much so, that only a limited few are seeing their life impact the world. Dwight L. Moody takes us deep into Scripture and paints a clear picture of what ought to be an individual's life for Christ. The call for each Christian is to become an active member in the body of Christ. The motive is love for the Lord and our neighbor. The result will be the salvation of men, women, and children everywhere.

The incarnation has made mystics of us all. What if we read the gospels as if that were true? In his book *Contemplating Christ*, Vincent Pizzuto offers an exploration of the interior life for modern contemplatives that is as beautiful as it is compelling. With an emphasis on the gospels and Christian mystical tradition, his book explores ancient themes in new and surprising ways. Drawing on his rich experience as an academic and priest, Pizzuto gradually unfolds the Christian mystery of deification to which the whole of biblical revelation and the Christian contemplative life are ordered: through the incarnation, we have all been made "other Christs" in the world.

David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN:

A COVER-UP OF BIBLICAL PROPORTIONS...

Centuries ago, English translators perpetrated a fraud in the New Testament, and it ' s been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling—and correct—relationship with God. It ' s powerful. It ' s controversial. And with new eyes you ' ll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way Jesus defined it? MacArthur says it all boils down to one word: SLAVE " We have been bought with a price. We belong to Christ. We are His own possession. "

Endorsements: "Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian's great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible's most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing corrective to shallow Christianity, a masterful work of pastoral encouragement...a devotional classic." - Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary "John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves." - Dr. R.C. Sproul "Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man.' As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant'...but a 'slave'." - The Rev. Dr. Dallas H. Wilson, Jr., Vicar, St. John's Episcopal Chapel, Charleston, SC

Thrive as a Christian regardless of your age. Dr. George Sweeting's *How to Begin the Christian Life* revealed a plan for success in starting new lives of purpose in pursuit of Christ. Now he and his son Donald Sweeting present *How to Finish the Christian Life*, a guide that gives mature believers a new set of disciplines and encouraging truths to help them finish well. Volume 3 A deep, inspiring, and often challenging study of the Lord Jesus Christ's miracles and parables. Men who were led by the hand or groped their way along the wall to reach Jesus were touched by his finger and went home without a guide, rejoicing that Jesus Christ had opened their eyes. Jesus is still able to perform such miracles. And, with the power of the Holy Spirit, his Word will be expounded and we'll watch for the signs to follow, expecting to see them at once. Why shouldn't those who read this be blessed with the light of heaven? This is my heart's inmost desire. I can't put fine words together. I've never studied speech. In fact, my heart loathes the very thought of intentionally speaking with fine words when souls are in danger of eternal separation from God. No, I work to speak straight to your hearts and consciences, and if there is anyone with faith to receive, God will bless them with fresh revelation. - Charles H. Spurgeon Original title: *Miracles and Parables of Our Lord*. In this third volume, Charles H. Spurgeon expounds in inspiring and convicting detail on the death and resurrection of Lazarus, whom He loved.

"To be a disciple of Jesus Christ is to be in a position of privilege and blessing beyond anything the world might offer," begins author Jeremy Walker. *Life in Christ* explores the unsearchable riches of the Christian pilgrimage and traces its trajectory, highlighting key elements in the believer's experience. Do you wrestle with assurance? Have you grasped the engagement demanded in Christian living? Do you find the way wearying at times? Do you struggle with your Christian identity? Walker provides instruction for Christians to assess their own standing and progress in the faith exhorting and equipping and

always pointing them ahead to the hope of the glory of Christ. Along the way, he encourages God's people to live a life to the praise of His glory as he examines some of the basic truths that establish and direct a true child of God. "In this splendid book on the very central issues of eternity, Jeremy Walker, like J. C. Ryle of old, carries the reader along with an excellent, gripping style. It is a book that everyone should read and then pass on to others who need an explanation of the true gospel, especially those slaves of political correctness sadly found in many modern pulpits."

"Christ in you, the hope of glory." —Colossians 1:27 Why do we keep failing even in our best efforts to live the Christian life? Because no one other than Jesus Christ can live it, for the simple reason that He is the Christian life! And only He can live it in our lives as well. Major W. Ian Thomas takes a refreshing look at the pure thrill of living victoriously as you embrace the living Savior's presence within you. The more you become genuinely and relentlessly available to Christ, the more He can take over so that your Christian walk becomes vibrant and effective! This inspiring devotional, along with the application questions at the end of each reading, will help you focus consistently on Jesus Himself so you can serve and enjoy Him at an entirely new level and dimension. You can try to steer clear of sin. Avoid temptation. Refuse to steal, lie, or use drugs and alcohol. You can indeed try to be sinless. But that is still you. And you are still trying. Jesus Christ was not holy because He focused His efforts on avoiding sin. Instead, "He refused to allow there to be any possible explanation for the quality of His life but the Father, as God, dwelling in Him, as Man," writes Major W. Ian Thomas. So whom do you want dwelling in you? More of you? Or all of Christ? *Story Behind the Book* Major W. Ian Thomas was twelve years old when he accepted the Lord with a simple prayer. But by nineteen, "I had been reduced to spiritual exhaustion," he says, "with no hope or reason for going on." It was then that he discovered the life-transforming secret of the indwelling life of the living Lord Jesus Christ. God gave him a message through Galatians 2:20, where he learned to say, "Lord Jesus, I can't—You never said I could—but You can, and always said You would. That is all I need to know." Major Thomas came to understand it was Christ Himself living through him who would do His work. This is the message he has been passionately proclaiming all his life.

Is there still such a thing as a role model? As children, it took very little for us to look up to someone; oftentimes, these people were not even real. Following fictional heroes was perhaps a way to cope with a dysfunctional home, maybe even a fatherless one. With adulthood comes an added awareness of

the faults, failings and brokenness of people and our world. Is there anyone to whom we can look as we navigate the various aspects of life? Is there someone who can help us with its challenges, complications and demands? In "All Man All Amazing," we find the answer to these questions. While Jesus Christ is God, he also lived as a man, wading the waters of life like the rest of us. This book's view of Jesus through the primary lens of humanity will offer a refreshing perspective of the life of Christ, also providing encouragement and inspiration to those who read its pages. Christian and non-Christian readers alike will benefit from this treatment of history's most noteworthy figure, finding in his story some common ground with their own. Men will particularly be empowered to be the example they may have lacked growing up, fueled by practical takeaways from the different facets of Jesus' life. A reminder for some, and a new discovery for others, we will examine the life of a man who is truly worthy of emulation.

Simply speaking, love changes people. Christians, then, by definition, should exhibit the greatest transformation of all because, rightly understood and cherished, God's love makes them increasingly more like the One who has lavished his love on them. This truth is meant to tell believers who they are, their purpose and destiny, and how to faithfully persevere in their struggles against all opposition. But sometimes people lose sight of this. Because He Loves Me restores that vision, reminding Christians of their true identity as beloved children of God—adopted by the Father, espoused to the Son, and empowered by the Holy Spirit. Christianity is not a self-improvement program but a transferring of identity and growth, accomplished in history through Christ and in our daily lives through his Spirit. This book explores and celebrates these truths in an unforgettable way. Study questions and invitations for deeper discovery conclude each chapter.

Sharpen Your Defense Against the Enemy Satan, the author of evil and the father of lies, relentlessly attacks the children of God. But all authority in heaven and on this earth has been given to Jesus, and at the end of time, every knee in heaven and on earth will bow to His name. In Your Authority in Christ, Dr. Neil Anderson shows you how to exercise your authority in Christ to overcome the enemy. In this seventh of eight Victory Series studies, you will discover how Satan works in this world and how he attempts to oppose God, how good and evil spirits operate on the earth, how you can grasp your authority in Christ and overcome the enemy, and how to protect yourself from Satan's attacks by putting on the armor of God. This study, with six sessions, can be used individually or in a group, and includes a leader's guide, along with illustrations and questions for deeper reflection and practical applications. "You, dear children, are from God and have overcome [the enemy], because the one who is in you is greater than the one who is in the world" (1 John 4:4). Jesus has disarmed Satan, and the good angels outnumber the bad angels. Victory is assured for all those who put their faith in God.

Only fear the Lord and serve Him in truth with all your heart; for consider what great things He has done for you. - 1 Samuel 12:24 If there is a true faith, there must be a declaration of it. If you are a candle, and God has lit you,

then let your light so shine before men that they may see your good works and glorify your Father who is in the heavens (Matthew 5:16). Soldiers of Christ must, like soldiers of our nation, wear their uniforms; and if they are ashamed of their uniforms, they ought to be drummed out of the army. I believe that many Christians get into a lot of trouble by not being honest in their convictions. For instance, if a person goes into a workshop, or a soldier into a barracks, and if he does not fly his flag from the beginning, it will be very difficult for him to run it up afterwards. But if he immediately and boldly lets them know, "I am a Christian, and there are certain things that I cannot do to please you, and certain other things that I cannot help doing even though they might displease you" — when that is clearly understood, after a while the peculiarity of the thing will be gone, and the person will be let alone. However, if he is a little dishonest and thinks that he is going to please the world and please Christ too, he can depend on it that he is in for a rough time. If he tries the way of compromise, his life will be like that of a toad under a harrow or a fox in a dog kennel. That will never do. Come out. Show your colors. Let it be known who you are and what you are. Although your course will not be smooth, it will certainly not be half as rough as if you tried to run with the hare and hunt with the hounds, which is a very difficult piece of business. - Charles H. Spurgeon — A Brief Biography Faithful to Christ: A Challenge to Truly Live for Christ Review and Herald Publishing Company Using Paul's radical letter to the Philippians as his road map, Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity. The short book of Philippians is one of the most quoted in the Bible, yet Paul wrote it not for the popular sound bites, but to paint a picture of a mature Christian faith. While many give their lives to Jesus, few then go on to live a life of truly vibrant faith. In this disruptively inspiring book, Chandler offers tangible ways to develop a faith of pursuing, chasing, knowing, and loving Jesus. Because if we clean up our lives but don't get Jesus, we've lost! So let the goal be Him. To live is Christ, to die is gain—this is the message of the letter. Therefore, our lives should be lived to Him, through Him, for Him, with Him, about Him—everything should be about Jesus.

Whosoever will be chief among you, let him be your slave. — Matthew 20:27 You cannot have Christ if you will not serve Him. If you take Christ, you must take Him in all His qualities. You must not simply take Him as a Friend,

but you must also take Him as your Master. If you are to become His disciple, you must also become His servant. God-forbid that anyone fights against that truth. It is certainly one of our greatest delights on earth to serve our Lord, and this is to be our joyful vocation even in heaven itself: His servants shall serve Him: and they shall see His face (Revelation 22:3-4). Charles H. Spurgeon originally wrote this book for members of the Young People's Society of Christian Endeavor. Spurgeon's heartfelt writing style makes this book one that today still encourages believers to move into Christian action. He emphasizes simply moving forward, using the talents and resources you already have at your disposal, for the Lord's service and your own eternal reward. The concepts presented are easy to understand and straight-forward, if only you are ready to lay down your life to follow Christ.

E. Stanley Jones observed that people “ know everything about life except how to live it. ” We humans have acquired immense knowledge and achieved great things. We are enlightened, Jones said, but not necessarily enlivened. Steve Harper has been mulling over this human situation for a few decades and offers his profoundly inspiring conclusions in *Life In Christ*. Harper helps us recognize our tendency to search for life through rules and dogmas rather than in relationships with other people and with God. By living in relationship, we live as enlivened Christians, the abundant life God intends for us and the life we long for. He encourages us to see the spiritual life as a movement, where we are always on the way, taking steps forward to continually align our lives with Christ. He shows us how Christ can be the goal and pattern for our lives, motivating us to live as God ' s beloved and as instruments of God ' s love. Harper provides a wealth of helps, including a set of questions for reflecting on each chapter, a discussion guide for conversing about the book in a group, and extensive reading lists for further enrichment.
