Captain Maximus Harcourt,  
the unconventional tenth  
Duke of Alderidge, can deal  
with tropical storms, raging  
seas, and the fiercest of  
pirates. But he's returned  
home from his latest voyage  
to find a naked earl - quite  
inconveniently deceased - tied  
to his missing sister's bed.  
And he has only one place to  
turn. Now he's at the mercy of  
the captivating Miss Ivory

As though this sort of thing  
happened on the job every  
day. Max has never in all his  
life met a woman with such  
nerve. Her dark eyes are too  
wide, her mouth is too full, her  
cheekbones too sharp. Yet  
together, she's  
somehow...flawless. It's just  
like his love for her, imperfect,  
unexpected - yet absolutely  
true.

Reconsidering Elizabeth  
Bowen's Shorter Fiction:  
Dead Reckoning focuses  
on Elizabeth Bowen's  
representations of

implications of mayhem,  
murder, and suicide in *The  
Collected Stories of  
Elizabeth Bowen* (2006)  
edited by Angus Wilson

introduces five previously  
unpublished short story  
fragments and two nearly  
complete stories from *The

Levy argues that Bowen's

suicide without mourners.  
Bowen's compassionate

Perpetrator Trauma movement in the United States. Her innovations with the freedom of the short story produced an uncanny narration of violence. This book integrates the entirety of the scholarship on Bowen's short stories in a clear and original manner and offers a synthetic and compelling excavation of Bowen's unpublished short stories.

More Than Meets the Ink Oxford University Press The second volume of Max Saunders's magisterial biography sees the publication of Ford's post-war masterpiece, *Parade's End*, and the founding of the *Transatlantic Review*, the influential literary magazine that published Hemingway, Ezra Pound, and Picasso. It also documents Ford's marriage to Janice Biala, with whom he lived until his death in 1939.

*Gold Revitalization* Springer One of Elizabeth Bowen's most artful and psychologically acute novels, *The House in Paris* is a timeless masterpiece of nuance and atmosphere, and represents the very best of Bowen's celebrated oeuvre. When eleven-year-old Henrietta arrives at the Fishers' well-appointed

house in Paris, she is prepared to spend her day between trains looked after by an old friend of her grandmother's. Henrietta longs to see a few sights in the foreign city; little does she know what fascinating secrets the Fisher house itself contains. For Henrietta finds that her visit coincides with that of Leopold, an intense child who has come to Paris to be introduced to the mother he has never known. In the course of a single day, the relations between Leopold, Henrietta's agitated hostess Naomi Fisher, Leopold's mysterious mother, his dead father, and the dying matriarch in bed upstairs, come to light slowly and tantalizingly. And when Henrietta leaves the house that evening, it is in possession of the kind of grave knowledge usually reserved only for adults. catch a break. Posy was the pampered girl I tried to impress. But all she gave me was a single kiss before I had to skip town. Now I'm back, and the tables are turned. Posy runs a struggling pie shop. I'm the VP of a secretive billion-dollar security company. Not that I can tell her. There's a murderer on the loose in New York, and he seems to spend a lot of time at Posy's shop. It's my job to identify him before he can harm a hair on her pretty head. Going undercover as Posy's new barista wasn't my idea. I don't even drink coffee. But now I have to call her "boss," and do everything the curvy perfectionist asks of me. Investigation of the Assassination of President John F. Kennedy Penguin Wickedly sexy James Bowen is a bad boy of the highest order -- tattoos and attitude included -- which unfortunately ranks way up on Tate's not-a-chance-in-hell list, right there along with skydiving naked over Teheran and juggling Ebola vials just for kicks. But what the heck, she's on holiday, the guy is absolutely irresistible, and she needs to unplug from her life. With her dad and brother gone, Tate is left to deal with the family restaurant, which is fast going down the drain. Her employees are acting out, her boyfriend has bailed out, and her very own private stalker is emailing her to death with lovely threats of doom, fire, and dismemberment. So yeah, maybe a little holiday fling is in order. Strictly sex though, and no follow-up whatsoever. She hadn't counted on her take-charge holiday fling having an opinion of his own and stubbornly sticking around, before and after the sex, making himself at home in her life. There is definitely more to James than meets her prejudiced eye, and even if she's not ready to look deeper, James isn't prepared to permit her not to. The dreamiest player on the Moo U hockey team hangs a flyer on the bulletin board, and I am spellbound: Rent a boyfriend for the holiday. For \$25, I will be your Thanksgiving date. I will talk hockey with your dad. I will bring your mother flowers. I will be polite, and wear a nicely ironed shirt... Now everyone knows it 's a bad idea to introduce your long-time crush to your messed-up family. But I really do need a date for Thanksgiving, even if I ' m not willing to say why. So I tear his phone number off of that flyer... and accidentally entangle our star defenseman in a ruse that neither of us can easily unwind. Because Weston's family is even nuttier than mine. He needs a date, too, for the most uncomfortable holiday engagement party ever thrown. There will be hors d'oeuvre. There will be faked PDA. And there will be pro-level awkwardness... Elizabeth Bowen and the Dissolution of the Novel argues that the Anglo- Irish writer Elizabeth Bowen (1899-1973) is one of the most important, though undervalued, practitioner of the twentieth-century novel in English. This is an innovative study with significant implications for contemporary critical and theoretical writing. The authors contend that Bowen's work calls for a radically new conception of criticism and theory - and of the novel itself.

The House in Paris  
THE FIRST ROYAL SPYNESS MYSTERY! The New York Times bestselling author of the Molly Murphy and Constable Evan Evans mysteries turns her attentions to " a feisty new heroine to delight a legion of Anglophile readers. " \* London, 1932. Lady Victoria Georgiana Charlotte Eugenie, 34th in line for the English throne, is flat broke. She's bolted Scotland, her greedy brother, and her fish-faced betrothed. London is a place where she'll experience freedom, learn life lessons aplenty, do a bit of spying for HRH—oh, and find a dead Frenchman in her tub. Now her new job is to clear her long family name...

Fahl-Fall and Allied Families Steering clear of relationships has never been difficult for demolitions expert Cole Bowen, but now, with his brother's engagement sending the female population into full-blown hysterics and the town of Alden's month-long festivities not helping matters, he finds himself in hell. When he discovers Christine Sheridan, Alden's new resident--and the object of all his wet dreams--has sworn off relationships and is going to hire a gigolo to get professionally laid, he decides to kill two birds with one stone. Christy is "so" not drinking again. Thanks to Jose Cuervo she has her friends signing her up for stud conventions and Cole frigging Bowen offering sex in exchange for fake dates, which is so out of the question it isn't even funny. She knows the domineering man will push her boundaries, and after battling all her life with self-esteem issues, she isn't ready for that. Too bad he won't take no for an answer. Cole is determined to strip away all of her defenses but refuses to lower his ever-present walls, so when Christy realizes she wants more, she's left with only two options: walk away, or crack his shield--and risk her

### The Rudder

Summer nights and star-crossed lovers! From USA Today bestselling author Sarina Bowen. Once upon a time, he gave me a summer of friendship, followed by one perfect night. We shared a lot during our short time together. But he skipped a few crucial details. I didn't know he was a rock star. I didn't know his real name. Neither of us knew I'd get pregnant. And I sure never expected to see him again. Five years later, his tour bus pulls up in Nest Lake, Maine. My little world is about to be shattered by loud music and the pounding of my own foolish heart.

The 3-0 Vibration-rotation Band of N150

Tattooed bad boy James Bowen is about to marry the love of his life. Everything would be perfect if it wasn't for the tiny detail that his bride-to-be is freaking out big time. And trying to hide it from him. Tate Cooper is losing it. She loves James with all her heart and wants to be married to him; it's the getting married that's killing her. Still grieving the loss of her father and brother,

Tate just can't shake her fear and sadness. Add to that the stress of the wedding, and she's in full emotional meltdown. But James deserves a happy bride, not a high-maintenance, sorrow-filled, guilt-stricken one, and, by God, she's going to give him that, even if she has to paste on a smile and fake it till she makes it. James can see through her front, and he doesn't know whether to be amused or pissed. He understands she's running scared, her fear of loss making it hard for her to fully commit, but there is no way in hell he's going to allow this to continue; he's going to push her to confront her fears until she happily embraces their ever after.

Reconsidering Elizabeth Bowen's Shorter Fiction Ever since its original publication in Germany in 1938, Max Schweidler's *Die Instandsetzung von Kupferstichen, Zeichnungen, Buchern usw* has been recognized as a seminal modern text on the conservation and restoration of works on paper. To address what he saw as a woeful dearth of relevant literature and in order to assist those who have 'set themselves the goal of preserving cultural treasures,' the noted German restorer composed a thorough technical manual covering a wide range of specific techniques, including detailed instructions on how to execute structural repairs and alterations that, if skilfully done, can be virtually undetectable. By the mid-twentieth century, curators and conservators of graphic arts,

discovering a nearly invisible repair in an old master print or drawing, might comment that the object had been 'Schweidlerized.' This volume, based on the authoritative revised German edition of 1949, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated critical edition. The editor's introduction places the work in its historical context and probes the philosophical issues the book raises, while some two hundred annotati
