Q: What's the opposite of a "meet cute?" A:

Meeting a handsome guy at the very moment you're breaking out in hives all over your body. The mysterious allergic reaction I have at the hockey game is terrifying. But it's just a little less terrifying when a

big, strong equipment manager for the Brooklyn Bruisers saves the day. That's how I meet James "Jimbo" Carozza. When I'm alone and frightened, he gets me the help I need, and delivers me safely to the emergency room. the 4G63t has
more than a cult

following among sport-compact enthusiasts, who know and respect this engine's immense performance potential at the track or on the street. Up until now, in-depth performance information on the 4G63t has been hard to find. For this book, author Robert Bowen went straight to the source, Robert Garcia of Road/Race Engineering in Santa Fe Springs, California. RRE is the most well-known and respected

Mitsubishi turbo performance shop in the United States, and Garcia is its in-house engine builder. Mitsubishi enthusiasts will benefit from Garcia's expertise and be able to build better, stronger engines than ever before. "How to Build Max-Performance Mitsubishi 4G63t Engines" covers every system and component of the engine, including the turbocharger system and engine management. More than just a collection of tips

and tricks, this book includes a complete history of the engine and its evolution, an identification guide, and advice for choosing engine components and other parts. Profiles of successful built-up engines show the reader examples of what works, and the book includes helpful guidance for choosing your own engine building path.  murder interrupts her
 Christmas cheer in
 this all-new
 installment in the
 New York Times
 bestselling Royal
 Spyness series from
 Rhys Bowen.
 Georgie is excited for
 her first Christmas as
 a married woman in
 her lovely new home.
 She suggests to her
 dashing husband,
 Darcy, that they have
 a little house party,
 but when Darcy
 receives a letter from
 his aunt Ermintrude,
 there is an abrupt
 change in plans. She
 has moved to a house
 on the edge of the
 Sandringham estate,
 near the royal family,
 and wants to invite
 Darcy and his new
 bride for Christmas.
 Aunt Ermintrude hints
 that the queen would
 like Georgie nearby.
 Georgie had not
 known that Aunt
 Ermintrude was a
 former lady-in-
 waiting and close
 confidante of her
 royal highness. The
 letter is therefore
 almost a royal request,
 so Georgie, Darcy,
 and their Christmas
 guests: Mummy,
 Grandad, Fig, and
 Binky all head to
 Sandringham. Georgie
 soon learns that the
 notorious Mrs.
 Simpson, mistress to
 the Prince of Wales,
 will also be in
 attendance. It is now
 crystal clear to
 Georgie that the
 Queen expects her to
 do a bit of spying.
 There is tension in the
 air from the get-go,
 and when Georgie
 pays a visit to the
 queen, she learns that
 there is more to her
 request than just some
 simple eavesdropping.
 There have been a
 couple of strange
 accidents at the estate
 recently. Two
 gentlemen of the royal
 household have died
 in mysterious
 circumstances and
 another has been shot
 by mistake during a
 hunt. Georgie begins
 to suspect that a
 member of the royal
 family is the real
 target but her
 investigation will put
 her new husband and
 love of her life,
 Darcy, in the
 crosshairs of a killer.

Wickedly sexy James Bowen is a bad boy of the highest order--tattoos and attitude included--which unfortunately ranks way up on Tate's not-a-chance-in-hell list, right there along with skydiving naked over Teheran and juggling Ebola vials just for kicks. But what the heck, she's on holiday, the guy is absolutely irresistible, and she needs to unplug from her life. With her dad and brother gone, Tate is left to deal with the family restaurant, which is fast going down the drain. Her employees are acting up, her boyfriend has bailed

out, and her very own private stalker is emailing her to death with lovely threats of doom, fire, and dismemberment. So yeah, maybe a little holiday fling is in order. Strictly sex though, and no follow-up whatsoever. Once. Just once. She hadn't counted on her take-charge holiday fling having an opinion of his own and stubbornly sticking around, before "and after" the sex, making himself at home in her life. There is definitely more to James than meets her prejudiced eye, and even if she's not ready to look deeper, James isn't prepared to permit her not to.

Darcy O'Mara, Lady Georgiana Rannoch takes on the responsibilities of a grand estate, but proving she can run a household just may be the death of her in the new Royal Spyness Mystery from the New York Times bestselling author of *On Her Majesty's Frightfully Secret Service*. If only Darcy and I had eloped! What I thought would be a simple wedding has been transformed into a grand affair, thanks to the attendance of the queen, who has offered up the princesses as bridesmaids. Silly me! I thought that withdrawing from the royal line of succession would simplify my life. But before Darcy and I tie the knot in front of

queen and country, we have to find a place to live as man and wife... House hunting turns out to be a pretty grim affair. Just as we start to lose hope, my globetrotting godfather offers us his fully staffed country estate. Mistress of Eynsleigh I shall be! With Darcy off in parts unknown, I head to Eynsleigh alone, only to have my hopes dashed. The grounds are in disarray and the small staff is suspiciously incompetent. Not to mention the gas tap leak in my bedroom, which I can only imagine was an attempt on my life. Something rotten is afoot--and bringing the place up to snuff may put me six feet under before I even get a chance to walk down the aisle...
