Steering clear of relationships has never been difficult for demolitions expert Cole Bowen, but now, with his brother's engagement sending the female population into full-blown hysterics and the town of Alden's month-long festivities not helping matters, he finds himself in hell. When he discovers Christine Sheridan, Alden's new resident--and the object of all his wet dreams--has sworn off relationships and is going to hire a gigolo to get professionally laid, he decides to kill two birds

with one stone. Christy is "so" not drinking again. Thanks to Jose Cuervo she has her friends signing her up for stud conventions and Cole frigging Bowen offering sex in exchange for fake dates, which is so out of the question it isn't even funny. She knows the domineering man will push her boundaries, and after battling all her life with self-esteem issues, she isn't ready for that. Too bad he won't take no for an answer. Cole is determined to strip away all of her defenses but refuses to lower his ever-present walls, so when Christy realizes she wants

more, she's left with only two options: walk away, or crack his shield--and risk her heart in the process. Mark Twain's Letters, Volume 2 Tuxbury Publishing LLC Only in my family could a professional hockey player earning seven million dollars a year be considered a slacker. I'm at the height of my athletic career. Yet my arrogant brother is always trying to recruit me into the family business: a global security company so secretive that I don't even know its name. Pass, thanks. I don't need a summer job. But the jerk ambushes me with a damsel in distress. That damsel is

Alex, the competitive, sassy girl I knew when we were kids. Now she's a drop-dead gorgeous woman in deep trouble. So guess who's on a flight to Hawaii? It's going to be a long week in paradise. My job is keeping Alex safe, while her job is torturing me with her tiny bikinis. Or maybe we're torturing each other. It's all snark and flirting until the threat against Alex gets serious. And this jock must become her major league protector. Moonlighter is a stand-alone novel. No cliffhangers, no prior experience necessary. Contains: hackers, hockey players, and a hotel room with

only one bed. Sarina Bowen has done it again! Alex and Eric's chemistry is off the charts! USA Today bestselling author Nana Malone Eric Bayer is Sarina Bowen's sexiest hero yet! New York Times bestselling author Elle Kennedy

Were America's Founders Christians or deists?
Conservatives and secularists have taken each position respectively, mustering evidence to insist just how tall the wall separating church and state should be. Now Gregg Frazer puts their arguments to rest in the first comprehensive analysis of the Founders' beliefs as they themselves expressed them-showing that today's

political right and left are both wrong. Going beyond church attendance or public pronouncements made for political ends, Frazer scrutinizes the Founders' candid declarations regarding religion found in their private writings. Distilling decades of research, he contends that these men were neither Christian nor deist but rather adherents of a system he labels "theistic rationalism," a hybrid belief system that combined elements of natural religion, Protestantism, and reason-with reason the decisive element. Frazer explains how this theological middle ground

developed, what its core beliefs were, and how they were reflected in the thought of eight Founders: John Adams, Thomas Jefferson, Benjamin Franklin, James Wilson, Gouverneur Morris, James Madison, Alexander Hamilton, and George Washington. He argues convincingly that Congregationalist Adams is the clearest example of theistic rationalism; that presumed deists Jefferson and Franklin are less secular than supposed; and that even the famously taciturn Washington adheres to this theology. He also shows that the Founders held genuinely religious beliefs that aligned with morality, republican government, natural rights, science, and progress. Frazer's careful explication helps readers better understand the case for revolutionary recruitment, the religious references in the Declaration of Independence, and the religious elements-and lack thereof-in the Constitution. He also reveals how influential clergymen, backing their theology of theistic rationalism with reinterpreted Scripture, preached and published liberal democratic theory to justify rebellion. Deftly blending history, religion, and political thought, Frazer succeeds in showing that the American experiment was neither a wholly secular venture nor an attempt to create a Christian nation founded on biblical principles. By showcasing the actual approach taken by these key Founders, he suggests a viable solution to the twenty-first-century standoff over the relationship between church and state-and challenges partisans on both sides to articulate their visions for America on their own merits without holding the Founders hostage to positions they never

held.

Reconsidering Elizabeth

Bowen ' s Shorter Fiction: Dead Reckoning focuses on Elizabeth Bowen's representations of violence against the self and others. Heather Levy examines the complicity of landscape and the implications of mayhem, murder, and suicide in The Collected Stories of Elizabeth Bowen (2006) edited by Angus Wilson and The Bazaar and Other Stories (2008) edited by Alan Hepburn. It introduces five

previously unpublished short story fragments and two nearly complete stories from The Elizabeth Bowen Collection at The Harry Ransom Research Center. Levy argues that Bowen's shorter fiction is a quixotic celebration of moral transgression, crime without punishment, and suicide without mourners. Bowen's compassionate response to offenders and violence anticipated the Perpetrator Trauma movement in the United States. Her innovations with the freedom of the short story produced an uncanny narration of violence. This book integrates

the entirety of the scholarship on Bowen's short stories in a clear and original manner and offers a synthetic and compelling excavation of Bowen's unpublished short stories.

**Investigation of
the Assassination
of President John
F. Kennedy** Penguin
It's a tale as old
as time: the bad
boy meets the good
girl. He makes a
daring proposition.
Then the boy gets a
mysterious head
injury and loses a
year of his life..
The first time I

meet Rickie, I don't
know what to make
of him. The second
time we meet, he
doesn't remember
the six hours we
spent together. Or
standing me up
afterward. I'm not
the same, either.
I've got secrets.
I've told lies. Bad
boys aren't my
type, anyway. Even
the ones with
troubled gray eyes.
But now we're
roommates. Cue the

awkward moments in
the hallway when
he's wearing only a
towel and a smile.
He's determined to
win me over, and
his talented hands
weaken my resolve.
It's all fun and
games until my past
rears its ugly head
and his secrets
come to light,
shaking our fragile
connection, maybe
even breaking it..

the Duke**

In the days leading up to her wedding to Darcy O'Mara, Lady Georgiana Rannoch takes on the responsibilities of a grand estate, but proving she can run a household just may be the death of her in the new Royal Spyness Mystery from the New York Times bestselling author of On Her Majesty's Frightfully Secret Service. If only Darcy and I had eloped! What I thought would be a simple wedding has been transformed into a grand affair, thanks to the attendance of the queen, who has offered up the princesses as bridesmaids. Silly me! I thought that withdrawing from the royal line of succession would simplify my life. But before Darcy and I tie the knot in front of queen and country, we have to find a place to live as man and wife... House hunting turns out to be a pretty grim affair. Just as we start to lose hope, my globetrotting godfather offers us his fully staffed country estate. Mistress of Eynsleigh I shall be! With Darcy off in parts unknown, I head to Eynsleigh alone, only to have my hopes dashed. The grounds are in disarray and the small staff is

suspiciously incompetent. Not to mention the gas tap leak in my bedroom, which I can only imagine was an attempt on my life. Something rotten is afoot--and bringing the place up to snuff may put me six feet under before I even get a chance to walk down the aisle...

Must Love Hockey

THE FIRST ROYAL
SPYNESS MYSTERY!
The New York Times
bestselling author

of the Molly Murphy and Constable Evan Evans mysteries turns her attentions to "a feisty new heroine to delight a legion of Anglophile readers."* London, 1932. Lady Victoria Georgiana Charlotte Eugenie, 34th in line for the English throne, is flat broke. She's bolted Scotland, her greedy brother, and her fish-faced

betrothed. London is a place where she'll experience freedom, learn life lessons aplenty, do a bit of spying for HRH--oh, and find a dead Frenchman in her tub. Now her new job is to clear her long family name...

magnificently edited

letters that trace his remarkable self-transformation from a footloose, irreverent West Coast journalist to a popular lecturer and author of *The Jumping Frog*, soon to be a national and international celebrity. And on the move he was—from San Francisco to New York, to St. Louis, and then to Paris, Naples, Rome, Athens, Constantinople, Yalta, and the Holy Land; back to New York and on to Washington; back to San Francisco and Virginia City; and

on to lecturing in Ohio, Michigan, Pennsylvania, and New York. Resplendent with wit, love of life, ambition, and literary craft, this new volume in the wonderful Bancroft Library edition of *Mark Twain's Letters* will delight and inform both scholars and general readers. This volume has been supported by the National Endowment for the Humanities, the Mark Twain Foundation, Jane Newhall, and The Friends of The Bancroft Library.

Denver Post Index

Elizabeth Bowen and the *Dissolution of the Novel* argues that the Anglo-Irish writer Elizabeth Bowen (1899-1973) is one of the most important, though undervalued, practitioners of the twentieth-century novel in English. This is an innovative study with significant implications for contemporary critical and theoretical writing. The authors contend that Bowen's work calls for a radically new

conception of criticism he was an assassin.
and theory - and of the Common sense told her
