[Little Bear's Little Boat](#) Springer Science & Business Media Former NASA Astronaut Harrison Schmitt advocates a private, investor-based approach to returning humans to the Moon—to extract Helium 3 for energy production, to use the Moon as a platform for science and manufacturing, and to establish permanent human colonies there in a kind of stepping stone community on the way to deeper space. With governments playing a supporting role—just as they have in the development of modern commercial aeronautics and agricultural production—Schmitt believes that a fundamentally private enterprise is the only type of organization capable of sustaining such an effort and, eventually, even making it pay off.

The shuttle is hijacked. Now the countdown to adventure begins.... In his #1 New York Times bestselling memoir, *October Sky*, real-life NASA engineer Homer Hickam captured the excitement of America's first space ventures. Now, in this no-holds-barred joyride of a thriller,

---

he straps us into the cockpit of the space shuttle Columbia as a renegade rocket man hijacks the shuttle—and blasts off on a Mach-speed chase into space.... Jack Medaris is a man haunted by his past and driven by a dream: He's risking everything to "borrow" the Columbia—and pilot it to the moon. He didn't plan on an unexpected passenger, beautiful celebrity daredevil and scientist Penny High Eagle. To Penny, this hijacking will test every bit of her mettle as an adventurer—and as a woman. To Jack, the mission is a personal quest—to return to the moon and bring back what America left behind, something so explosive, it could change the future of the world. Now, as the U.S. government scrambles to the chase, and as deadly forces are deployed from earth to stop them, a man and a woman find their fates inextricably entwined. And in the savage emptiness of deep space, their only hope is to join forces to reach the lunar surface. Then comes the hard part. Getting home alive.

From #1 New York Times bestselling author Karen Kingsbury comes a “ heart tugging and emotional ” story in the Baxter Family collection that will “ touch readers deeply ” (RT Book Reviews) featuring two people who lost their parents in the same national tragedy—two people desperate to find each other and the connection they shared for a single day...that changed everything. Brady Bradshaw was a child when the Oklahoma City bombing killed his mother. Every year, Brady visits the memorial site on the anniversary to remember her. Eleven years ago on that day, he met Jenna Phillips, who was also a child when her parents were killed in the attack. Brady and Jenna shared a deep heart connection and a single beautiful day together at the memorial. But after that, Brady never saw Jenna again. Every year when he returns, he leaves a note for her in hopes that he might find her again. This year, Ashley Baxter Blake and her sister Kari Baxter Taylor and their families take a spring break trip that includes a visit to the site to see the memorial ' s famous Survivor Tree. While there, Ashley spots a young man, alone and troubled. That man is Brady Bradshaw. A chance moment leads Ashley to help Brady find Jenna, the girl he can ' t forget. Ashley ' s family is skeptical, but she pushes them to support her efforts to find

the girl and bring them together. But will it work? Will her husband, Landon, understand her intentions? And is a shared heartache enough reason to fall in love? With *To The Moon and Back* “ Kingsbury skillfully weaves a tale of divine love ” (Publishers Weekly, starred review) in an unlikely love story about healing, redemption, hope, and the belief that sometimes a new tomorrow can grow from the ashes of a shattered yesterday. “ Kingsbury writes with seemingly effortless poetic elegance, capturing the tender, intimate moments of daily family life as well as heart-wrenching flashbacks to fatal tragedy. A moving story of survival, of faith, and of beauty from the ashes ” (Booklist).

Lauren Prescott had dreamed of being an actress since she was cast as Wendy in her middle school production of Peter Pan. Yes, her nightgown snagged and brought the set tumbling down, but she was hooked. After years of unsuccessful auditions, performing just wasn't in the cards. Instead, Lauren established herself as a successful stage manager at the esteemed McAllister Theater.

Unfortunately, the resident director has cast celebrity Carly Daniel: headstrong, entitled, and always late. So why is their chemistry turning her the hell on? After partying her way through her twenties and ruining a successful film career, Carly Daniel has to take whatever she can get. If schlepping it onstage will raise her star again, she'll listen to her pesky agent. Added bonus: the uptight stage manager is a sexy distraction. When Carly's costar is sidelined, Lauren must decide whether renewing a long-forgotten dream will jeopardize what she has percolating with Carly. Is the limelight big enough for two?

The best seats Lisa Kohn ever had at Madison Square Garden were at her mother's mass

---

wedding, and the best cocaine she ever had was from her father's friend, the judge. Born to hippie parents and raised in New York City's East Village in the 1970s, Lisa's early years were a mixture of encounter groups, primal screams, macrobiotic diets, communes, Indian ashrams, Jefferson Airplane concerts in Central Park, and watching naked actors on off-Broadway stages during the musical HAIR. By the time her older brother was ten, Lisa's father had him smoking pot. By the time Lisa was ten, Lisa's mother had them pledging their lives to the Unification Church (the "Moonies") and self-appointed Messiah, Reverend Sun Myung Moon. As a child Lisa knew the ecstatic comfort of inclusion in a cult and as a teenager the torment of rebelling against it. As an adult, Lisa struggled to break free from the hold of abuse and the scars in her heart, mind, and psyche--battling her own addictions and inner demons and searching her soul for a sense of self-worth. Told in spirited candor, *To the Moon and Back* reveals how one can leave behind absurdity and horror and create a life of intention and joy. This is the fascinating tale of a story rarely told

in its full complexity.

It is a freestyle poetry book. It talks about love and other aspects of life. It discusses the norms which most of us consider taboo to talk about them. The book expresses the idea of freedom. Freedom from stigmas, freedom from your demons, and freedom from the shackles that society tries to put around our feet and don't let us walk away.
