My Friend is Sad

ASCD

Reading Horizons began in 1960 by Dorothy J. McGinnis as a local reading

education newsletter school and developed into professionals, an international literacy journal serving researchers, reading educators, teacher educators, and researchers. parents, and Major colleges, community leaders universities, and together in a individuals collaborative community to widen subscribe to literacy and Reading Horizons language arts across the United horizons. States, Canada and Research-based Methods of Reading Instruction, Grades K-3 a host of other Writers Digest Books countries. 章节长度太短 Dedicated to adding to the growing body of knowledge in literacy, the Can I Play Too? (An Elephant and Piggie Book) LB Kids quarterly journal welcomes new and Gerald is careful. Piggie is not. Piggie cannot help smiling. current research, Gerald can. Gerald worries so that Piggie does not have to. opinion pieces, Gerald and Piggie are best friends. In My New Friend Is So Fun!, Piggie has found a new friend! But is Gerald ready to share? theoretical essays, policy studies, and best literacy practices. As a peer-reviewed publication, Don't Let the Pigeon Drive the Bus! Harper Collins Reading Horizons endeavors to bring Research-based Methods of Reading Instruction, Grades

K-3: Grades K-3. Daddy Hugs Taylor & Francis In *Beyond Leveled Books, Second Edition*, Franki Sibberson, Karen Szymusiak, and Lisa Koch provide even more resources to help teachers understand and meet the needs of transitional readers. The key topic of series books has been revised and enlarged, with charts outlining new series with the challenges they pose and supports readers need. New lessons have been added, and most chapters now include a related article from a literacy expert. Some of the contributors include Kathy Collins, Larry Swartz, and Mary Lee Hahn. *Leveled* books are an indispensable tool for teaching children to read, especially for emergent readers, but the authors of *Beyond Leveled Books* are sounding the alarm about the overuse and misuse of leveling and the way it restricts teacher autonomy and undermines student choice and reading engagement. The authors lay out a blueprint for using leveled books effectively within a student-centered and differentiated approach that is designed to motivate all readers, particularly transitional ones. Teaching

Transitional Readers: Beyond Leveled Books is packed with resources to help teachers understand and meet the needs of transitional readers, including examples of classroom instruction, sample mini-lessons, strategies for small-group instruction, assessment techniques, and articles by literacy experts. *Resources for K-5 Classrooms: The book* explores the uses and limitations of leveled texts in primary reading instruction, including ideas for how to organize your classroom library and a list of great books and series to use alongside leveled text in supporting new readers. *Gateway to Independent Reading: The authors* provide explicit tools for helping students consolidate their skills and reading strategies, to read widely and deeply, to increase their vocabulary, and build critical thinking. *Making Reading Fun: Teach students to* experience joy from reading through deeper comprehension and application. *Beyond Leveled Books* is an essential resource for K-5 teachers looking to help all readers, including budding readers, struggling readers, transitional readers, and readers who have

plateaued. *My New Friend Is So Fun! (An Elephant and Piggie Book)* Elephant and Piggie Pig is bored and unsuccessfully tries to be a giraffe, a zebra, an elephant, a kangaroo, and a parrot before finding something fun to do to end his boredom. *The Unforgettable Logan Foster #1* Disney-Hyperion Graphica is a medium of literature that integrates pictures and words and arranges them to tell a story or convey information, usually presented in a comic strip, periodical, or book form AKA comics. It's no surprise comics have long been popular with kids and adults; some of our greatest heroes were introduced to us in comic form. Drawing on his own success using graphica with elementary students, literacy coach Terry Thompson introduces reading teachers to this popular medium in *Adventures in Graphica: Using Comics and Graphic Novels to Teach Comprehension, Grades 2-6*. In his book, Thompson explains how graphica can be an engaging and motivating tool for reluctant readers who often shun traditional texts. He suggests sources of appropriate graphica for the classroom and demonstrates how to fit this medium into the literacy framework and correlates with best practices in comprehension, vocabulary, and fluency instruction. *Adventures in Graphica* contains numerous, easy-to-replicate, instructional strategies, including examples of how graphic texts can be used to

create a bridge and students transfer abstract comprehension strategies learned through comics and graphic novels to traditional texts. It is an excellent roadmap for teachers looking to add graphica to their classrooms.

Should I Share My Ice Cream? (An Elephant and Piggie Book)
Disney-Hyperion

Packed with superheroes, supervillains, and epic showdowns between good and evil, *The Unforgettable Logan Foster* from debut author Shawn Peters shows that sometimes being a hero is just about being yourself. Logan Foster has pretty much given up on the idea of ever being adopted. It could have something to do with his awkward manner, his photographic memory, or his affection for reciting curious facts, but whatever the cause, Logan and his “PP’s” (prospective parents) have never clicked. Then everything changes when Gil and Margie arrive. Although they aren’t exactly perfect themselves—Gil has the punniest sense of humor and Margie’s cooking would have anyone running for the hills—they genuinely seem to care. But it doesn’t take Logan long to notice some very odd things about them. They are out at all hours, they never seem to eat, and there’s a part of the house that is protected by some pretty elaborate security. No matter what Logan could have imagined, nothing prepared him for the truth: His PP’s are actually superheroes, and they’re being hunted down by dastardly forces. Logan’s found himself caught in the middle in a massive battle and

the very fate of the world may hang in the balance. Will Logan be able to find a way to save the day and his new family? 2024 Illinois Bluestem Reader's Choice Award Nominee

Naughty Scheming Princess
