Today I Will Fly! Hyperion
Packed with superheroes, supervillains, and epic showdowns between good and evil, *The Unforgettable Logan Foster* from debut author Shawn Peter shows that sometimes being a hero is just about being yourself. Logan Foster has pretty much given up on the idea of ever being adopted. It could have something to with his awkward manner, his photographic memory, or his affection for reciting curious facts, but whatever the cause, Logan and his “PP’s” (prospective parents) have never clicked. Then everything changes when Gil and Margie arrive. Although they aren’t exactly perfect themselves—Gil has the punniest sense of humor and Margie’s cooking would have anyone running for the hills—they genuinely seem to care. But it doesn’t take Logan long to notice some very odd things about them. They are out at all hours, they never seem to eat, and there’s a part of the house that is protected by some pretty elaborate security. No matter what Logan could have imagined, nothing prepared him for the truth: His PP’s are actually superheroes, and they’re being hunted down by dastardly forces. Logan’s found himself caught in the middle in a massive battle and the very fate of the world may hang in the balance. Will Logan be able to find a way to save the day and his new family?

Today I Will Fly! Harper Collins
When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

Arthur Writes a Story Hyperion Books for Children
In this funny, uncannily wise portrait of the dynamics of a sixth-grade class and of the greatness that sometimes comes in unlikely packages, Dwight, a loser, talks to his classmates via an origami finger puppet of Yoda. If that weren’t strange enough, the puppet is uncannily wise and prescient. Origami Yoda predicts the date of a

pop quiz, guesses who stole the classroom Shakespeare bust, and saves a classmate from popularity-crushing embarrassment with some well-timed advice. Dwight’s classmate Tommy wonders how Yoda can be so smart when Dwight himself is so clueless. With contributions from his puzzled classmates, Tommy assembles this first case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of *Star Wars: Return of the Jedi: Beware the Power of the Dark Side*, and hailed by *School Library Journal* as “honest, funny, and immensely entertaining.” F&P Level: T F&P Genre: RF

Moonlight can totally change your life. And it all starts so simply. You. Him. The moon. You're toast. Okay, so maybe Shelby has made a few mistakes with boys lately (how was she supposed to know Wes had "borrowed" that Porsche?). But her stepmother totally overreacts when she catches Shelby in a post-curfew kiss with a hot senior: Suddenly Shelby's summer plans are on the shelf, and she's being packed off to brat camp. It's good-bye, prom dress; hello, hiking boots. Things start looking up, though, when Shelby meets fellow camper (and son of a rock star) Austin Bridges III. But soon she realizes there's more to Austin than crush material—his family has a dark secret, and he wants Shelby's help guarding it. Shelby knows that she really shouldn't be getting tangled up with another bad boy . . . but who is she to turn her back on a guy in need, especially such a good-looking one? One thing's for sure: That pesky full moon is about to get her into trouble all over again.
