 Endorsed by Amnesty International. Imagine if war broke out – not in Iraq or Afghanistan, somewhere far far away, but here, in our country. In War, Janne Teller embarks on a thought-provoking experiment: by simply turning the current crisis on its head, she reveals what it is like to flee your home country, to be exiled, and to fight for survival in a foreign country. In this illustrated short story, Europe has fallen apart and the only place at peace within reach is the Middle East. You follow a normal British family as they flee to the Middle East and see what they go through as refugees, through the eyes of their fourteen-year-old son. Originally published in Denmark in 2001, War has become more and more relevant and thought-provoking in the intervening years. In addition to the striking format and illustrations, what makes this book so special is that Janne Teller adapts the story for each country in which it is published.

 The phenomenal New York Times bestseller that “ explores the upstairs-downstairs goings-on of a posh Parisian apartment building ” (Publishers Weekly). In an elegant h ô tel particulier in Paris, Ren é e, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she ’ s everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Ren é e has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she ’ s come to terms with life ’ s seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Ren é e hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese

man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and “ teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors ” (Kirkus Reviews). “ The narrators ’ kinetic minds and engaging voices (in Alison Anderson ’ s fluent translation) propel us ahead. ” —The New York Times Book Review “ Barbery ’ s sly wit . . . bestows lightness on the most ponderous cogitations. ” —The New Yorker

 Renowned as Spain ’ s The Catcher in the Rye, this passionate coming-of-age novel follows a rebellious college-age girl as she uncovers her family ’ s secrets in chaotic, polarized, post-Civil War Barcelona. Andrea, an eighteen-year-old orphan, moves in with her volatile Barcelona relatives to attend the local University. Living in genteel squalor in a mysterious house on Calle de Aribau, Andrea relies on her wealthy, beautiful, bohemian friend Ena to prove that normal life exists beyond the gothic dwelling she calls home. In one year, as her innocence melts away, Andrea learns the truth about her overbearing and religious Aunt Angustias, her cruelly sensual, musically gifted uncle Rom á n and his violent brother Juan, and her lovely Aunt Gloria, who provides the family's bread with furtive gambling expeditions. She also learns the truth about Ena—and why her friendship goes hand in hand with her interest in Andrea ’ s family. Peppered with dark humor, energy, and hope, Carmen Laforet's stunning classic is the story of a young woman who endures the harsh realities of post-Civil War Barcelona, emerging wiser and stronger, and with a bright future ahead of her.

 For readers of Rachel Cusk, Lisa Taddeo and the essays of Zadie Smith, Bear Woman is a beautifully wrought memoir from one of Sweden's bestselling authors, in which she examines motherhood and the female experience. 'The deeply personal journey of a writer, surprising and illuminating, and for me, familiar in the most reassuring way as she loses herself in this compelling story' - Esther Freud, author of Hideous Kinky Marguerite de la Rocque didn't exist before her guardian abandoned her on a remote island. Abandoned, pregnant to a man she'd met on board one of the first ships sailing to settle what became Canada, Marguerite was forced to fight for her life against the treacherous wilderness of Nova Scotia, giving birth alone. When her guardian returned nearly two years later, her lover and her baby had died, but Marguerite had survived. Returning to France, her story was concealed so that her family's reputation might be protected. Centuries later, a woman with small children of her own begins writing what she believes to be a television script about the life of Marguerite de la Rocque and her incredible story of survival against the odds. As she delves deeper into the hidden history of Marguerite and her extraordinary story of persecution and survival, the woman begins to question her ability to tell this story, or that of any woman in history, and in so doing exposes a fundamental truth about what it is to be both a writer and mother. Combining historical text, autobiographical fiction

and essay with the uncertainty of memory, Bear Woman is a deeply moving journey into what it means to be a woman, in a world in which men still hold power.

 The author ’ s jumping-off point is the myth of Artemis and Siproites, in which a young man is turned into a woman as a punishment for the attempted rape of one of Artemis ’ s virgin cohorts. Bunjevac ’ s retelling follows Benny, a sexually deviant man who, coming across an alluring former classmate, concocts an elaborate, disturbing rape fantasy. Inked in her lush, stippled, illustrative style, Bunjevac crafts a gripping, noirish, Nabokovian tale, by turns surreal and harrowing, that turns the male gaze inside-out. Bezimená is both a radical examination of the misconceptions surrounding rape culture and an artistic and psychological tour de force.

 Laura Esquivel's debut novel Como agua para chocolate took the literary World by storm with its unique yet familiar story of love and longing on the Mexican border during the perilous times of the Mexican Revolution. This author's narrative, seeped in magic and peppered with Mexico's culinary customs, was quickly taken to the silver screen where Tita and Pedro's forbidden relationship would captivate audiences not only in its native country, but around the globe - cementing Equivel's name within the ever-growing canon of Latin American women writers. Nathaniel Gardner introduces the reader to both the novel and the film version of Como agua para chocolate and examines not only key themes, such as rebellion and tradition, but also its style and main characters. This narrative's acclaimed use of food and other gastronomic elements are taken into consideration as well as the significance of magic realism to this text. As this novel/film combination follow each other in an unusually close manner, the first part analyses many of the components the two share while the second part of this study emphasizes the cinematic mechanisms that are unique to this particular presentation of Esquivel's most widely-studied creation to date.

In any society, communicative activities are organized into models of conduct that differentiate specific social practices from each other and enable people to communicate with each other in ways distinctive to those practices. The articles in this volume investigate a series of locale-specific models of communicative conduct, or registers of communication, through which persons organize their participation in varied social practices, including practices of politics, religion, schooling, migration, trade, media, verbal art, and ceremonial ritual. Drawing on research traditions on both sides of the Atlantic, the authors of these articles bring together insights from a variety of scholarly disciplines, including linguistics, anthropology, folklore, literary studies, and philology. They describe register models associated with a great many forms of interpersonal behavior, and, through their own multi-year and multi-disciplinary collaborative efforts, bring register phenomena into focus as

features of social life in the lived experience of people in societies around the world.

El TODO es lo contrario de la NADA. La Nada es un lugar aterrador. Un lugar sin sentido, sin conexi ó n con el verdadero ser humano, sin vida aut é ntica, sin amor real. Un lugar del que s ó lo es posible huir. El Todo es un lugar donde todas las cosas tienen consistencia, un espacio de paz y armon í a donde no existe el miedo, porque todo es parte de uno y del mismo Todo. El Todo es la existencia com ú n a todos nosotros, es nuestra voz interior, es lo escrito entre l í neas. El Todo es lo que o í mos cuando nos olvidamos de nosotros mismos y escuchamos de verdad. ¿ De d ó nde viene la verdad? ¿ La promesa y la libertad son justificables? ¿ Las buenas intenciones bastan en situaciones dif í ciles?
