These are just some of the questions you will find answered in this delightful collection of stories recounting real-life incidents from the life of Sudha Murty-teacher, social worker and bestselling writer. There is the engaging story about one of her students who frequently played truant from school. The account of how her mother's advice to save money came in handy when she wanted to help her husband start a software company, and the heart-warming tale of the promise she made-and

fulfilled to her grandfather, to ensure that her little village library would always be well supplied with books. Funny, spirited and inspiring, each of these stories teaches a valuable lesson about the importance of doing what you believe is right and having the courage to realize your dreams.

With the increasing awareness of the importance of English as a global link language and the widespread use of the Internet and the globalization of business and education, the need for learning English effectively is being felt more than ever before. This international awakening has spurred nations like China and Russia that kept away from English in the past to educate their populations in the English language. In India too, there is a renewed interest in

learning English for communication. This book takes the most pragmatic and current approach to the teaching and learning of English which offers learners ready-to-use expressions in their day-to-day communication. The book offers conversations in various social contexts, in formal and informal situations, and lists in an exhaustive way all the expressions used within the particular communicative function. In addition, there are exercises at the end of each unit which provide the learners an opportunity to go through the actual use of those expressions, thereby

enhancing their confidence to use English. Designed primarily as a text in communicative or functional English, this book should also be useful to all those who wish to improve their English for socially appropriate communication.

KEY FEATURES •

- Provides learners with ready-to-use and socially appropriate expressions through conversations.
- Presents a full range of expressions for choice within the language functions such as requests, suggestions, asking and giving opinions, asking and giving advice, and agreeing and disagreeing.
- Offers

practice opportunity through exercises at the end of each unit.

- Brings communication in English within the reach of all learners through steps like read-practice-develop-use.

100 TESOL Activities for Teachers is a teacher training manual and activity guide that has been used by teacher training groups from Korea, China, Japan, Iraq, Peru, Mexico and many other parts of the world as part of the popular TESOL Certificate Program: Teach English Now! from Coursera and Arizona State University. Designed to be practical, these techniques support the general need to communicate, interact, and make language come alive

in the classroom. The manual is organized into 3 distinct parts: * The first section introduces teachers to some of the most common activities in English language teaching, followed by activities categorized by reading, writing, listening, speaking, vocabulary, and icebreakers. * The second section provides a unique model of lesson planning. This adaptable model helps teachers prepare organized routines to make classes more effective and easier to prepare. Includes activities for discussion, giving instructions, guided and less-guided practice, and independent practice. * The third section includes downloadable, photocopiable worksheets for the activities described in the manual.
