These classics are skillfully adapted into concise, softcover books of 80-136 pages. Each retains the integrity and tone of the original book. Interest Level: 5-12 Reading Level: 3-4 The Adventures of Tom Sawyer (Annotated) - Including FREE Study Guide Houghton Mifflin Harcourt

The classic boyhood adventure tale in a beautiful Deluxe Edition illustrated by Lilli Carre Mark Twain's tale of a boy's picaresque journey down the Mississippi on a raft conveyed the voice and experience of the American frontier as no other work had done before. When Huck escapes from his drunken father and the 'civilizing' Widow Douglas with the runaway slave Jim, he embarks on a series of adventures that draw him to feuding families and the trickery of the unscrupulous 'Duke' and 'Dauphin'. Beneath the exploits, however, are more serious undercurrents - of slavery, adult control and, above all, of Huck's struggle between his instinctive goodness and the corrupt values of society, which threaten his deep and enduring friendship with Jim. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics

represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Samuel Clemens. Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays A review section that tests your knowledge A Resource Center full of books, articles, films, and Internet sites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

Study Guide Independently Published

Reproductions of the original illustrations from the 1885 first edition highlight a new edition, featuring detailed annotations on the text and the era, of Twain's story about a boy and a runaway slave who travel down the Mississippi.

Study Guide Fearon

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

The Writings of Mark Twain: The adventures of Huckleberry Finn The

Adventures of Tom Sawyer Study Guide

ABOUT THE BOOK I first fell in love when I was about nine years old. My mother handed me a well-worn copy of The Adventures of Tom Sawyer because I was hungry for something to read and she ended up losing me for several days as I became lost in Tom's adventures. What wasn't to like about this kid? He was smart, charming, and a bit of a rogue. He had wonderful imagination and dreamed of big adventures. As a kid who was often drawn into the adventures of Luke Skywalker and Indiana Jones, I felt a real connection with Tom's fantastic imagination. I also felt myself drawn into his seemingly idyllic existence in the sultry summers on the Mississippi, and I could almost feel Tom sitting beside me, discussing what brand of mischief he'd fallen into. Twain's leisurely, conversational writing style became more appealing as I grew up. Like Tom, I almost refused to grow old, and now that I have children of my own, the oldest of whom is making her first forays into reading chapter books, I'm eager to introduce Tom and his gang of robbers to them. I see a lot of Tom's spirit in

my kids; there's the same love for life, for adventure, and for spinning a great story. In truth, Tom is not all that different from a 20th or 21st century kid. In many ways, he is someone many of us might have known when we ourselves were kids. What better way to reawaken our own childhoods than to disappear in Tom's story? MEET THE AUTHOR Chris St-Jean is a Canadian teacher who has enjoyed American literature for as long as she can remember. Her daughters, ages three and seven, seem to have inherited her appreciation for books as well. She spends her free time writing short stories, hanging out with her husband and children, and working toward a black belt in karate. EXCERPT FROM THE BOOK When readers compare Mark Twain's boyhood in Hannibal, Missouri and the life of young Tom Sawyer in *The Adventures of Tom Sawyer*, they are bound to see parallels. In fact, Twain based the characters of Tom Sawyer and Huckleberry Finn on two kids he knew during his formative years. In his autobiography, Twain wrote that *The Adventures of Tom Sawyer* is, in essence, a fictionalized account of his boyhood, with depictions of the school, the scenery and even the interactions with his classmates and teacher told in rich detail. While many may have a romanticized view of schooling in the 19th century, Twain paints a picture not unlike those told by our own 21st-century children. Children look for distractions in and out of the classroom, homework is done with varying degrees of care, and the teacher piles on the work, trying not to get frustrated with the lack of attention from her students. Tom doesn't make any claims of being a well-behaved young man, and Twain certainly doesn't portray him as such. Much of what Tom relays in his world is pleasant, reminding readers of a simpler existence free from the stresses of adulthood. As in the real world, however, evil casts shadows along the fringe of Tom's reality, reminding us that things aren't always perfect. These connections between a classic and reality today are likely why *The Adventures of Tom Sawyer* continues to be Twain's best-selling work. In an ironic twist, while this is a novel seemingly geared to older children, Twain himself has said, "It is not a boy's book, at all. It will only be read by adults. It is only written for adults." Regardless of the intended audience, this is certainly a book which continues to resonate with an audience of any age. Buy a copy to keep reading!

A Study Guide Learning Links

"*The Adventures of Tom Sawyer* by Mark Twain is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840 in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel Tom Sawyer has several adventures, often with his friend Huckleberry Finn. Originally a commercial failure, the book ended up being the best selling of any of Twain's works during his lifetime. Though overshadowed by its sequel, *Adventures of Huckleberry Finn*, the book is by many considered a masterpiece of American literature, and was one of the first novels to be written on a typewriter."

Grades 7-12 Total Class Notes

Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide, in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning.
