down to the "town" from the Tomboy Gold mine, 2000 feet above Telluride, to give birth to her first child. There are several photos of my mom as a young girl in the book.

Tomboy Bride has a fake boyfriend trope but it's well done. Love finds us in unexpected ways, as Kendra soon finds out. What sold me on this romance was Kendra. She's a woman after my own heart. She's been a tomboy all her life yet wants to show her crush she's 100% woman. I couldn't stop reading until the very end. Highly recommend!
