Sex, Drugs, Ratt & Roll Z2 Comics

Rock star Tommy Lee recounts his turbulent life, discussing his years with Motley Crue, his three marriages, his likes and dislikes, the events and people that have shaped his life, and other related topics.

[Raw](#) HarperCollins

An uncensored Hollywood tell-all filled with explicit tales of love, sex, and revenge from the video vixen made famous by Warrant 's rock anthem "Cherry Pie." Who could forget the sexy "Cherry Pie" girl from hair metal band Warrant 's infamous music video? Bobbie Brown became a bona fide vixen for her playful role as the object of lead singer Jani Lane 's desires. But the wide-eyed Louisiana beauty queen 's own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage later to Pamela Anderson—Bobbie decided it was time Hollywood 's hottest bachelors got a taste of their own medicine. Step one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts a life among some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy 's Jay Gordon, and many more. No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party—barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told.

Tommy Lee is known for any number of things: as the drummer for Motley Crue; as the husband and very public lover of Pamela Anderson; as a convicted felon; as the man who saw a child drown in his pool during a birthday party; and as a celebrity who continues to put his life back together after so many public trials and tribulations. It's been a life like no other - and now he's baring it all in a memoir like no other. Lee takes readers back to his childhood, when his penchant for misbehaviour got off to an early start, and brings them through the dizzying highs and abysmal lows of a life shaped by decadence and super-stardom. He shares what really happened during the Motley Crue days, reveals what it's like to film your own honeymoon and freely discusses his days in jail and how they changed his life. Often hilarious, always shameless, this is every bit the shocking memoir you'd expect from a man whose least interesting experience was being married to Heather Locklear. In an age of celebrity exposure, TOMMYLAND is the ultimate dish on the most notorious musical miscreant ever to dominate the headlines.

Motley Crue HarperCollins

The comedian and radio personality discusses his drug addiction, battle with depression, and ultimate recovery.

You thought you knew the story behind the world's most notorious rock band...the music, the mayhem...it is the stuff of rock n roll legend, chronicled in the New York Times bestselling book and subsequent Netflix movie, The Dirt. Now, as Nikki Sixx, Tommy Lee, Vince Neil and Mick Mars emerge from self-imposed exile from all corners of the globe, the REAL story behind the band can finally be told...as the exploits of Mötley Crüe working as special undercover government operatives are revealed in this graphic novel.

[The Last Living Slut](#) Grand Central Publishing

The Man Behind the Nose is the autobiography of the man who was Bozo. For 50 years Larry Harmon was the face—and the nose—of Bozo the Clown, the most well-known, beloved clown of them all, the precursor for every successful modern-day harlequin to come, from Ronald McDonald to Krusty. A warm, surprising, and endlessly entertaining life story filled to the brim with "Assassins, Astronauts, Cannibals, and Other Stupendous Tales," The Man Behind the Nose is a rollicking ride through the world of a true American icon in greasepaint.

[Whatever You Say I Am](#) Simon and Schuster

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

[Holy Barbarians](#) Crown

A tell-all memoir from the lead singer of the 1980s hair-metal band Ratt reveals all the aspects of rock star excess, including the groupies, the trashed hotel rooms, and the drugs.

[Too Fat to Fish](#) Simon and Schuster

New York Times BestsellerA #1 LA Times BestsellerA USA Today BestsellerOne of NPR's "Favorite Books of 2019" The iconic bassist and co-founder of the Red Hot Chili Peppers tells his fascinating origin story, complete with all the dizzying highs and the gutter lows you'd want from an LA street rat turned world famous rock star. In Acid for the Children, Flea takes readers on a deeply personal and revealing tour of his formative years, spanning from Australia to the New York City suburbs to, finally, Los Angeles. Through hilarious anecdotes, poetical meditations, and occasional flights of fantasy, Flea deftly chronicles the experiences that forged him as an artist, a musician, and a young man. His dreamy, jazz-inflected prose makes the Los Angeles of the 1970s and 80s come to gritty, glorious life, including the potential for fun, danger, mayhem, or inspiration that lurked around every corner. It is here that young Flea, looking to escape a turbulent home, found family in a community of musicians, artists, and junkies who also lived on the fringe. He spent most of his time partying and committing petty crimes. But it was in music where he found a higher meaning, a place to channel his frustration, loneliness, and love. This left him open to the life-changing moment when he and his best friends, soul brothers, and partners-in-mischief came up with the idea to start their own band, which became the Red Hot Chili Peppers. Acid for the Children is the debut of a stunning new literary voice, whose prose is as witty, entertaining, and wildly unpredictable as the author himself. It's a tenderly evocative coming-of-age story and a raucous love letter to the power of music and creativity from one of the most renowned musicians of our time.

[Kickstart My Heart](#) Simon and Schuster

Outrageous, raw, and painfully funny true stories straight from the life of the actor, comedian, and much-loved cast member of The Howard Stern Show—with a foreword by Howard Stern. When Artie Lange joined the permanent cast of The Howard Stern Show in 2001, it was possibly the greatest thing ever to happen in the Stern universe, second only to the show's move to the wild, uncensored frontier of satellite radio. Lange provided what Stern had yet to find all in the same place: a wit quick enough to keep pace with his own, a pathetic self-image to dwarf his own, a personal history both heartbreaking and hilarious, and an ingrained sense of self-sabotage that continually keeps things interesting. A natural storyteller with a bottomless pit of material, Lange grew up in a close-knit, working-class Italian family in Union, New Jersey, a maniacal Yankees fan who pursued the two things his father said he was cut out for—sports and comedy. Tragically, Artie Lange Sr. never saw the truth in that prediction: He became a quadriplegic in an accident when Artie was eighteen and died soon after. But as with every trial in his life, from his drug addiction to his obesity to his fights with his mother, Artie mines the humor, pathos, and humanity in these events and turns them into comedy classics. True fans of the Stern Show will find Artie gold in these pages: hilarious tales that couldn't have happened to anyone else. There are stories from his days driving a Jersey cab, working as a longshoreman in Port Newark, and navigating the dark circuit of stand-up comedy. There are outrageous episodes from the frenzied heights of his coked-up days at MADtv, surprisingly moving stories from his childhood, and an account of his recent U.S.O. tour that is equally stirring and irreverent. But also in this volume are stories Artie's never told before, including some that he deemed too revealing for radio. Wild, shocking, and drop-dead hilarious, Too Fat to Fish is Artie Lange giving everything he's got to give. And like a true pro, the man never disappoints.

[Crash and Burn](#) Crown Archetype

The New York Times Bestseller The Explosive National Bestseller "A backstage pass to the wildest and loudest party in rock history—you'll feel like you were right there with us!" —Bret Michaels of Poison Nothin' But a Good Time is the definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it. Hard rock in the 1980s was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-pumping hits like Twisted Sister's "We're Not Gonna Take It," Mötley Crüe's "Girls, Girls, Girls," and Guns N' Roses' "Welcome to the Jungle" are as inextricably linked to the era as Reaganomics, PAC-MAN, and E.T. From the do-or-die early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, Tom Beaujour and Richard Bienstock's Nothin' But a Good Time captures the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it. Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over two hundred author interviews with members of Van Halen, Mötley Crüe, Poison, Guns N' Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford, and many more, this is the ultimate, uncensored, and often unhinged, chronicle of a time where excess and success walked hand in hand, told by the men and women who created a sound and style that came to define a musical era—one in which the bands and their fans went looking for nothin' but a good time...and found it.

[Does the Noise in My Head Bother You?](#) Simon and Schuster

The incredible story of one of rock's most controversial stars, featuring excerpts from her letters and journals, interviews with friends speaking openly for the first time, and dozens of revealing, candid photos.

[Catch a Fire](#) St. Martin's Press

INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER! Soon to be a major motion picture written and directed by Academy Award-winning

director of Green Book, Peter Farrelly. “Chickie takes us thousands of miles on a hilarious quest laced with sorrow, but never dull. You will laugh and cry, but you will not be sorry that you read this rollicking story.”—Malachy McCourt A wildly entertaining, feel-good memoir of an Irish-American New Yorker and former U.S. marine who embarked on a courageous, hare-brained scheme to deliver beer to his pals serving Vietnam in the late 1960s. One night in 1967, twenty-six-year-old John Donohue—known as Chick—was out with friends, drinking in a New York City bar. The friends gathered there had lost loved ones in Vietnam. Now, they watched as anti-war protesters turned on the troops themselves. One neighborhood patriot came up with an inspired—some would call it insane—idea. Someone should sneak into Vietnam, track down their buddies there, give them messages of support from back home, and share a few laughs over a can of beer. It would be the Greatest Beer Run Ever. But who’d be crazy enough to do it? One man was up for the challenge—a U. S. Marine Corps veteran turned merchant mariner who wasn’t about to desert his buddies on the front lines when they needed him. Chick volunteered. A day later, he was on a cargo ship headed to Vietnam, armed with Irish luck and a backpack full of alcohol. Landing in Qui Nho’n, Chick set off on an adventure that would change his life forever—an odyssey that took him through a series of hilarious escapades and harrowing close calls, including the Tet Offensive. But none of that mattered if he could bring some cheer to his pals and show them how much the folks back home appreciated them. This is the story of that epic beer run, told in Chick’s own words and those of the men he visited in Vietnam.

Tommyland Harper Collins

Mr. Lipton's book is the first complete and unbiased survey of the beat generation and its role in our society. Here are the intimate facts about these people and their attitudes toward sex, dope, jazz, art, religion, parents, landlords, employers, politicians, draft boards, the law and, most important, toward the “square”. The author presents a picture of their way of life, their individual backgrounds, the language they have appropriated, in terms made clear for the first time to those of us who have been confused and puzzled about them. He also provides a balanced discussion of their literature, art and music, of what they produce and fail to produce in the arts they practice.

The Man Behind the Nose Hachette UK

Sensuality uninhibited. Behind the scenes look at one of Rock ‘n’ Roll's favorite women. Captured by Emma Dunlavey. Over a decade's worth of fly-on-the-wall style reportage. Fun, sexy handwritten prose by Pamela expressing herself freely within the images. Sexy and funny, Raw reveals Pamela Anderson at her most intimate. Featuring over a decade of Emma Dunlavey's behind-the-scenes photography, Raw shows Pamela at her wildest, her silliest, and her sexiest. Raw lets the reader be a fly on the wall, witnessing Pamela's adventures around the world. Combined with Pamela's prose and poetry, hand-written and hand-arranged by Pamela, Raw is a beautiful entrée into the life one the world's most exciting and sensual women. A journey worth taking. Proceeds from every print-edition purchase go to the Pamela Anderson Foundation, which supports organizations and individuals that stand on the front lines in the protection of human, animal, and environmental rights.

I Am Ozzy Gallery Books

"It's mind-blowing to me how utterly far gone Steve-O was, and how he looks back on it in this book with such intelligence, humor, and searing honesty. What a truly unbelievable life." --Johnny Knoxville From his early days videotaping crazy skateboard stunts to starring in the Jackass movies, there was little that Stephen "Steve-O" Glover wouldn't do. Whether it was stapling his nutsack to his leg or diving into a pool full of elephant crap, almost nothing was out of bounds. As the stunts got crazier, his life kept pace. He developed a crippling addiction to drugs and alcohol, and an obsession with his own celebrity that proved nearly as dangerous. Only an intervention and a visit to a psychiatric ward saved his life. Today he has been clean and sober for more than three years. Professional Idiot recounts the lunacy, the debauchery, the stunts, the drug addiction, and the path to recovery with bravado, humor, and heart. "A great book to read before you get on the roller coaster to hell, if you plan on surviving to tell about it like Steve-O did." --Nikki Sixx, author of *The Heroin Diaries* "This is the perfect book for people who hate reading." --Tommy Lee, author of *Tommyland* The feedback I've gotten on Facebook and Twitter from those of you who've read this book has been fascinating, heartwarming, and hilarious. I'm happy to keep answering your questions on there, and I encourage more of you to join in the discussion. Hope to hear from you soon, and thank you all so much. Love, Steve-O

Why AC/DC Matters Harper Collins

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Tattoos & Tequila John Wiley & Sons

Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock n' roll debauchery. You've seen *The Dirt* on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess. Vince's break with the band and his arduous re-uniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the heart of the matter. *Tattoos and Tequila* reveals the real Vince Neil, from his many vices--booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy, shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

Tommyland Simon and Schuster

The band known as much for their talent onstage as their antics offstage, Mötley Crüe epitomized the drug-fueled, sex-riddled excess of 1980's metal acts. In the process, they forged a rock dynasty few other bands have been able to achieve. Nikki Sixx,

Tommy Lee, Mick Mars, and Vince Neil became household names, the scourge of the Christian right, and the darlings of the Billboard charts. Read about their meteoric rise and fall in this issue of *Orbit!*

Billy Joe! National Geographic Books

Rapper 50 Cent has made it big in a very short space of time. Having been supported by Jam Master Jay, and produced by Dr Dre and Eminem, the rapper and poet has already experienced great success and critical acclaim for his anthemic single 'In Da Club' and bestselling debut album. While some rappers just talk the talk, though, 50 has walked the walk, and this brilliant insight into who he is and where he came from is a must for all fans. Growing up in Jamaica, Queens, he was born to a 15-year-old drug-dealing mother -- she was killed in mysterious circumstances -- and took over the family business at the age of twelve. Living hard, he has been stabbed, shot nine times (one bullet in his face) and has survived a number of assassination attempts. He is a survivor, a man from the streets who has made it big-time without forgetting his roots. This is the inside story of a rap icon.
