Two sisters, one destiny . . . Lex and Livia are on the

run. In Time of the Twins, Lex, an impulsive military cadet, and Livia, a pampered Ainess, have just found out they are twins, which is against the law in the great City of Indra. Now they are leaving behind the only world they have ever known: for Lex, it was the dark world of the Hub below the surface of Indra, where she survived the brutal Orphanage to become an

elite member of Indra's Population Control Forces, and for Livia, it was a life of luxury on the sky island of Helix, where she was brought up to be a Proper Indrithian Young Woman. With help from the charming and handsome Kane, Lex's best friend and Livia's newfound love, and Xavier, a gruff rebel who would prefer to leave them all behind, they make the grueling trek through the dangerous underground tunnels toward the Outlands beyond the dome of Indra in search of the mother they thought was dead. When they finally reach the Outlanders' colony, they discover their mother holds the key to unlocking their past, and they must confront an ancient prophecy, "The Time of the Twins." The prophecy claims they are the long-awaited "twin saviors," destined to save

the City of Indra from the oppressive High Council who have long reigned over all of its people. Will Lex and Livia agree to be a part of their mother's dangerous plan and take on the daunting role of the "twin saviors"? Will they trust their mother and put themselves in jeopardy to save countless lives? It's a responsibility they never asked for . . . but one that may prove impossible to ignore. The Land of Five Towers

(English Edition) Houghton Mifflin Harcourt

A #1 New York Times and National Bestseller! A gut-wrenching, startling historical thriller about communist Romania and the citizen spy network that devastated a nation, from the #1 New York Times bestselling, award-winning author of *Salt to the Sea* and *Between Shades of Gray*. Romania, 1989.

Communist regimes are crumbling across Europe. Seventeen-year-old Cristian Florescu dreams of becoming a writer, but Romanians aren't free to dream; they are bound by rules and force.

Amidst the tyrannical dictatorship of Nicolae Ceaușescu in a country governed by isolation and fear, Cristian is blackmailed by the secret police to become an informer. He's left with only two choices: betray everyone and everything he loves—or use his position to creatively undermine the most notoriously evil dictator in Eastern Europe. Cristian risks everything to unmask the truth behind the regime, give voice to fellow Romanians, and expose to the world what is happening in his country. He eagerly joins the revolution to fight for change when the time arrives. But what is the cost of freedom? Master storyteller Ruta Sepetys is back with a historical thriller that examines the little-known history of a nation defined by silence, pain, and the

unwavering conviction of the human spirit. Praise for *I Must Betray You*: “ As educational as it is thrilling...[T]he power of *I Must Betray You* [is] it doesn ’ t just describe the destabilizing effects of being spied on; it will make you experience them too. ”

– New York Times Book Review “ A historical heart-pounder... Ms. Sepetys, across her body of work, has become a tribune of the unsung historical moment and a humane voice of moral clarity. ” – The Wall Street Journal * “Sepetys brilliantly blends a staggering amount of research with heart, craft, and insight in a way very few writers can. Compulsively readable and brilliant.”

– Kirkus Reviews, starred review * “Sepetys once again masterfully portrays a dark, forgotten corner of history.”

– Booklist, starred review * “Sepetys ’ s latest book maintains the caliber readers have come to expect from an author whose focus on hidden histories has made her a YA powerhouse of historical - fiction... Sepetys is a formidable writer, and her stories declare the need to write about global issues of social injustice. For that reason and her attention to detail, this is a must-read.”

– School Library Journal, starred review * “Cristian ’ s tense first-person narrative foregrounds stark historical realities, unflinchingly confronting deprivations and cruelty while balancing them with perseverance and hope as Romania hurtles toward political change.”

– Publishers Weekly, starred review “ Sepetys keeps readers riveted to this vivid, heartbreaking and compelling

novel, locked into every meticulously researched detail. I Must Betray You demands a full investment from its audience--through poetic writing, sympathetic characters, revolutionary plot and pacing, it grips the heart and soul and leaves one breathless. ” – Shelf

completing a writing assignment for an English class. His task is to interview a stranger and write a brief biography of the person. With deadlines looming, Joe heads to a nearby nursing home to find a willing subject. There he meets Carl Iverson, and soon nothing in Joe's life is ever the same. Carl is a dying Vietnam veteran--and a convicted murderer. With only a few months to live, he has been medically paroled to a nursing home, after spending thirty years in prison for the crimes of rape and murder. As Joe writes about Carl's life, especially Carl's valor in Vietnam, he cannot reconcile the heroism of the soldier with the despicable acts of the convict. Joe, along with his skeptical female neighbor, throws himself into uncovering the truth, but he is hamstrung in his efforts by having to deal with his dangerously dysfunctional mother, the guilt of leaving his autistic brother vulnerable, and a haunting childhood memory. Thread by thread, Joe unravels the tapestry of Carl's conviction. But as he and Lila dig deeper into the circumstances of the crime, the stakes grow higher. "Alif had never set foot outside of West Sumatra. He passed his childhood days searching for fallen durian fruit in the jungle, playing soccer on rice paddies, and swimming in the blue waters of Lake Maninjau. His mother wants him to attend an Islamic boarding school, a pesantren, while he dreams of public high school. Halfheartedly, he

follows his mother's wishes. He finds himself on a grueling three-day bus ride from Sumatra to Madani Pesantren (MP) in a remote village on Java. On his first day at MP, Alif is captivated by the powerful phrase *man jadda wajada*. He who gives his all will surely succeed. United by punishment, he quickly becomes friends with five boys from across the archipelago, and together they become known as the Fellowship of the Manara. Beneath the mosque's minaret, the boys gaze at the clouds on the horizon, seeing in them their individual dreams of far-away lands, like America

and Europe. Where would these dreams take them? They didn't know. What they did know was: never underestimate dreams, no matter how high they may be. God truly is The Listener. Only a Monster Penguin From the fantastic author of *The Lonely Hearts Club* and *Prom & Prejudice* comes a story of all the drama and comedy of four friends who grow into themselves at a performing arts high school. Emme, Sophie, Ethan, and Carter are seniors at a performing arts school, getting ready for their Senior Showcase recital, where the pressure is on to appeal to colleges, dance academies, and professionals in show business. For Sophie, a singer, it's been great to be friends with Emme, who composes songs for her, and to date Carter, soap opera heartthrob who gets plenty of press coverage. Emme and Ethan have been in a

band together through all four years of school, but wonder if they could be more than just friends and bandmates. Carter has been acting since he was a baby, and isn't sure how to admit that he'd rather paint than perform. The Senior Showcase is going to make or break each of the four, in a funny, touching, spectacular finale that only Elizabeth Eulberg could perform.
