Reese Witherspoon's Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women's lives at all ages—a spicy and alluring mix of *Together Tea* and *Calendar Girls*. Every woman has a secret life . . . Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she's spent most of

her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

Saving June Grand Central Publishing

"I have learned to kiss the wave that throws me against the Rock of Ages." What does it mean to "kiss the wave?" These words, attributed to nineteenth-century British preacher Charles Spurgeon, speak to the Christian's only hope for perseverance in suffering. What if we can learn to experience the nearness of God in the midst of suffering? What if God intends to work through our trials rather than simply take them away? After living for more than a decade with a debilitating nerve condition in both arms, Dave Furman shows us that God, in his grace, always designs trials for our good—not minimizing the pain, but infusing significance into our suffering. Furman demonstrates that, even when tossed to and fro by stormy waves, God is near . . . and that makes all the difference in the world.
