How does one talk about love? Is it even possible to describe something at once utterly mundane and wholly transcendent, that has the power to consume our lives completely, while making us feel part of something infinitely larger than ourselves? Taking a unique approach to this age-old problem, the nameless narrator of David Levithan's *The Lover's Dictionary* constructs the story of a relationship as a dictionary. Through these sharp entries, he provides an intimate window into the great events and quotidian trifles of coupledness, giving us an indelible and deeply moving portrait of love in our time.

Kiss the Wave InterVarsity Press

"I have learned to kiss the wave that throws me against the Rock of Ages." What does it mean to "kiss the wave?" These words, attributed to nineteenth-century British preacher Charles Spurgeon, speak to the Christian's only hope for perseverance in suffering. What if we can learn to experience the nearness of God in the midst of suffering? What if God intends to work through our trials rather than simply take them away? After living for more than a decade with a debilitating nerve condition in both arms, Dave Furman shows us that God, in his grace, always designs trials for our good—not minimizing the pain, but infusing significance into our suffering. Furman demonstrates that, even when tossed to and fro by stormy waves, God is near . . . and that makes all the difference in the world.

Jen Oshman Helps Women Reject Idols and Discover God's Good Purpose for Their Lives In today's culture, women and girls are influenced by idols that promise purpose and meaning for their lives—outward beauty and ability, sex, abortion, and gender fluidity. Christian women

aren't exempt from these temptations either, and can even elevate good things like marriage and motherhood to the status of idolatry. Women may sense that these idols are hollow and leave them feeling unsettled, but where should they turn instead? In *Cultural Counterfeits*, Jen Oshman encourages women to reject the empty, destructive promises these idols offer and embrace something much more satisfying. She casts a vision for women to experience real hope and peace in Jesus, calling them to recognize their unshakable and eternal identities in him. This timely and compelling resource will help women find freedom and joy as they explore God's good design and purpose for their lives. Culturally Relevant: Addresses current topics such as the #MeToo movement, LGBTQIA+, social media, and feminism Explains "How We Got Here": Gives a brief history of the sexual revolution up to today Written by Jen Oshman: Author of *Enough about Me: Find Lasting Joy in the Age of Self For Group or Individual Study*: Includes discussion questions at the end of each chapter

Emme and Ethan have been in a band together through all four years of school, but wonder if they could be more than just friends and bandmates. Carter has been acting since he was a baby, and isn 't sure how to admit that he 'd rather paint than perform. The Senior Showcase is going to make or break each of the four, in a funny, touching, spectacular finale that only Elizabeth Eulberg could perform. "This fresh, fun, fabulous read will have you cheering for new beginnings. Five shiny gold stars!" —Susane Colasanti, bestselling author of the *City Love* series "The cutthroat competitiveness is balanced by quiet, thoughtful moments of soul-searching regarding stardom, the creative process, and doing and sharing what they love. When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In **GOD IS NOT MAD AT YOU**, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: * Perfectionism and Approval * The Pain of Rejection * Guilt and Shame * Developing Your Potential * Run to God, Not from Him * Getting Comfortable with God "It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

Drawing Closer to God One Decision at a Time On an average day, people makes countless decisions: Should I get out of bed or hit the snooze button? What should I have for breakfast? Why I Love the Apostle Paul Baker Books

"Besides Jesus, no one has kept me from despair, or taken me deeper into the mysteries of the gospel, than the apostle Paul." —John Piper No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person who lives with the unceasing anguish of empathy be always rejoicing? Can a man's description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If we know this man—if we see what Piper sees—we too will love him. Paul's testimony is a matter of life and death. Piper invites you into his relationship with Paul in the hope that you will know life, forever.

Girls. Every woman has a secret life . . . Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she 's spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father 's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London 's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community 's "moral police." But when the widows ' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.
