The TomTom balance. The

principle of Yin and Yang is central

to Chinese philosophy, describing

how everything in the natural

world is interconnected,

interdependent and carries its own

force. Yin and Yang are opposites,

yet achieve harmony through perfect balance. As we bring the world we 're mapping to life, we aim to achieve the perfect balance in all aspects of our identity.

TomTom Navigator is very flexible. If you take a different turn from the one TomTom Navigator proposes (whether by mistake or on purpose), TomTom Navigator will adjust almost instantly to the new situation. It will keep guiding you to your destination from your current position as fast as it can calculate. Chapter 3 Points of interest

TomTom Fitness Age is an indication of how well your body functions physically, relative to how well it should work, based on things like your heart rate during activities, maximum and resting heart rates, activity, gender, age, height and weight. The more effective activity you do, the better your Fitness Age becomes.
