Books 1-5 in National Bestselling Author Angelique Armae's Bestselling Shifters of Dundaire Series. Welcome to Dundaire, Scotland, a magical city that doesn't appear on any map, where kilt-wearing, immortal Highlanders are plentiful, and where romance and danger brew daily... DARK WOLF 1 - When Highland wolf Callen MacHendrie catches intern Miranda Kendrick stealing his prized sword, the term wild romp takes on a whole new meaning. CHRISTMAS WOLF 2 - When Highland wolf Rhys MacGregor goes in search of the perfect tree-topper for Wolfsden Keep's eighteen-foot-tall tree for the pack's Christmas Eve ball, he ends up rescuing a cat who turns out to be more than he ever imagined. VIKING WOLF 3 - A beautiful sin-eater falls for an immortal Viking cursed with a beastly wolf entombed in his heart... Leila MacHendrie has always dreamt of finding the perfect fairytale hero. Which in her case means a guy who doesn't attract curses, dark auras or the worst the full moon has to offer. Then she met the immortal Vidar von Hess. A man who is everything Leila doesn't want. For starters, he's a Viking, not a Scot. He doesn't wear a kilt, detests them to the point of calling them skirts. And he's an immortal wolf, when all she desires is your very-mortal-guy-next-door type. Plus, there's that little matter of the aura that keeps pulling from Vidar's body, tempting the sin-eater in her soul. Being a living, breathing Pandora's box isn't easy. Especially when that box contains the key to thawing Vidar's frozen heart. But breaking the man's curse means unleashing a centuries-old evil capable of killing them both. And being the untrained sin-eater that she is, Leila knows this is one love match that just might spell disaster for all involved. Too bad she finds the tempting Vidar so irresistibly sexy. HIGHLAND WOLF 4 - Bane MacHendrie is Scotland's most powerful alpha. He's also the Highland's most selfless wolf, having spent a thousand years sacrificing his own needs for the sake of his pack, his sons, and the goddess who owns his heart. But when an old enemy rises from the dead and challenges Bane for the woman they once both fought over, Bane must choose between love and honor. And being the noble beast that he is, his heart might just lose out for all eternity... RETURN OF THE WOLF 5 - For 500 years, Conall MacHendrie has lived as a ghost. To regain his body, all he has to do is forgive a witch of the debt she owes him. Too bad time hasn't lessened his desire to collect that one night of passion with her. Warning: Contains a happy-go-lucky castle, a sexy Highland immortal who can't keep his kilt on, and a feisty witch who's the perfect match for Dundaire's scorching hot Scot.

As you may recall, he only

managed to meet them all once: Yesterday, and at that point the dirtiest of the deeds, or at least what I thought they were, had already been done. Sorry, I like my men reliable and constant. At this point you probably think that I am a heartless bitch, but believe me you don't know a damn thing about me quite yet. After all what little girl do you know that would chose to have one doll when she could have two? (Remember that, the question will be of major importance in the increasingly near future). I figured that Dylan wouldn't do a thing even if he found out; not I figured, so much as I knew with a hundred percent certainty. Do not get confused, I take risks in life, this is simply not one of them, that's all. He simply all too nice. The very worst thing that could happen is that he kicks me out; which is definitely a stretch, and more so an impossibility. Dylan was just the kind of guy who would look in on himself, and try to improve or alter himself first before even asking me to do a single thing, and most, if not all, of the time he never did. However, it would be wrong for me to go after Tyler full force if the only thing I liked about him was the attitude or the better sex. No, no there was something way more important; far more meaningful there; something unique and permanent that made Tyler the apple of my eye; the diamond in the rough, but I could never in my life point it out to you. It was all too complex for me to explain to myself, never mind a whole audience. I mean can you tell me why you are with the other person in your relationship? Didn't think so, and if you could then probably, just maybe, a bit of a selfish prick. Seriously, if you are able to come up with a laundry list of reasons then you literally don't even care about them, and you probably can't even admit it to yourself. But who am I kidding: You all are only as bad as me and you know it. But do not close this chapter in frustration with my lack of character quite yet. See today whether I knew it then or not, I was going to be learning an extremely valuable lesson. A degree of appreciation for all that I had would soon wash over me. No worries though, I will still be all the more sexy. Since when is it not with me? I just do not learn anything unless someone teaches me through something naughty. Otherwise, if I do not learn something of substance now, I am screwed: completely and entirely screwed. I will be doomed to a permanent state of promiscuity, and everyone knows that this is only a good quality in any person when they are young, and only for a short time at that. Have your copy NOW!
