The Other/Argentina looks at literature, film, and the visual arts to examine the threads of Jewishness that create patterns of meaning within the fabric of Argentine self-representation. A multiethnic yet deeply Roman Catholic country, Argentina has worked mightily to fashion itself as a modern nation. In so doing, it has grappled with the paradox of Jewishness, emblematic both of modernity and of the lingering traces of the premodern. By the same token, Jewishness is woven into, but also other to, Argentineity. Consequently, books, movies, and art that reflect on Jewishness play a significant role in shaping Argentina's cultural landscape. In the process they necessarily inscribe, and sometimes confound, norms of gender and sexuality. Just as Jewishness seeps into Argentina, Argentina's history, politics, and culture mark Jewishness and alter its meaning. The feminized body of the Jewish male, for example, is deeply rooted in Western tradition; but the stigmatized body of the Jewish prostitute and the lacerated body of the Jewish torture victim acquire particular significance in Argentina. Furthermore, Argentina's iconic Jewish figures include not only the peddler and the scholar, but also the Jewish gaucho and the urban mobster, troubling conventional readings of Jewish masculinity. As it searches for threads of Jewishness, richly imbued with the complexities of gender and sexuality, The Other/Argentina explores the patterns those threads weave, however overtly or subtly, into the fabric of Argentine national meaning, especially at such critical moments in Argentine history as the period of massive state-sponsored immigration, the rise of labor and anarchist movements, the Perón era, and the 1976–83 dictatorship. In arguing that Jewishness is an essential element of Argentina's self-fashioning as a modern nation, the book shifts the focus in Latin American Jewish studies from Jewish identity to the meaning of Jewishness for the nation. The Lost Shtetl Rosetta Books

Presents a collection of pastry recipes from an award-winning New York baker, covering basic techniques, equipment, tools, and ingredients and offering variations on coffee cake, strudel, babka, and breads.

The Jewish Gauchos of the Pampas Basic Books

The Sonderkommando of Auschwitz-Birkenau consisted primarily of Jewish prisoners forced by the Germans to facilitate the mass extermination. Though never involved in the killing itself, they were compelled to be "members of staff" of the Nazi death-factory. This book, translated for the first time into English from its original Hebrew, consists of interviews with the very few surviving men who witnessed at first hand the unparalleled horror of the Auschwitz-Birkenau death camp. Some of these men had never spoken of their experiences before. Over a period of years, Gideon Greif interviewed intensively all Sonderkommando survivors living in Israel. They describe not only the details of the German-Nazi killing program but also the moral and human challenges they faced. The book provides direct testimony about the "Final Solution of the Jewish Problem," but it is also a unique document on the boundless cruelty and deceit practiced by the Germans. It documents the helplessness and powerlessness of the one-and-a-half million people, 90 percent of them Jews, who were brutally murdered in the gas chambers of Auschwitz-Birkenau.

Death Turns a Trick Harvard University Press

It's been a week since the funeral, and Mali is at her mother's Manhattan apartment, ready to pack it up-

at least that's what she thinks-until she discovers a manila envelope, propped up against the back of her mother's desk, and filled with a mass of unsent letters. Her mother's handwriting on the lined notepaper is so familiar, and the slight German accent Mali hears ticking through her words, so haunting. Mali reads the memories of her mother's Jewish childhood in 1930s Berlin, then her life in war-torn London. But when she comes to her mother's account of her too-early marriage and the divorce that forced her to leave her young daughter in London and go to New York, Mali is thrust back into her own unhappy childhood, where that relentless ache for her absent mother, lodged like a stony pit inside her, must now be reconciled.

Doesn't Anyone Blush Anymore? Springer Publishing Company

The central theme of this book is modesty, a notion so simple and common that most of us would dismiss it as irrelevant to our daily lives. But Rabbi Manis Friedman asks us to look again. And as we do he explains, clearly and succinctly, how modesty can become a powerful tool for change. Gently and with humor, Rabbi Friedman helps us redirect our thinking about sexuality and refocus our ideas about intimacy. In so doing, he moves us toward a truer understanding of ourselves and how we can cope with the changing world around us.

A Jewish Baker's Pastry Secrets HarperCollins

Traces the search for freedom by a black man and wife who traveled to Boston and eventually to England after their escape from slavery in Georgia.

Modern Jewish Baker: Challah, Babka, Bagels & More Parlor Press LLC

Three-time recipient of the AJN Book of the Year Award! Praise for the third edition: " This is an outstanding edition of this book. It has great relevance for learning about, developing, and using middle range theories. It is very user friendly, yet scholarly." Score: 90, 4 Stars -Doody's Medical Reviews The fourth edition of this invaluable publication on middle range theory in nursing reflects the most current theoretical advances in the field. With two additional chapters, new content incorporates exemplars that bridge middle range theory to advanced nursing practice and research. Additional content for DNP and PhD programs includes two new theories: Bureaucratic Caring and Self-Care of Chronic Illness. This user-friendly text stresses how theory informs practice and research in the everyday world of nursing. Divided into four sections, content sets the stage for understanding middle range theory by elaborating on disciplinary perspectives, an organizing framework, and evaluation of the theory. Middle Range Theory for Nursing, Fourth Edition presents a broad spectrum of 13 middle range theories. Each theory is broken down into its purpose, development, and conceptual underpinnings, and includes a model demonstrating the relationships among the concepts, and the use of the theory in research and practice. In addition, concept building for research through the lens of middle range theory is presented as a rigorous 10-phase process that moves from a practice story to a conceptual foundation. Exemplars are presented clarifying both the concept building process and the use of conceptual structures in research design. This new edition remains an essential text for advanced practice, theory, and research courses. New to the Fourth Edition: Reflects new theoretical advances Two completely new chapters New content for DNP and PhD programs Two new theories: Bureaucratic Caring and Self-Care of Chronic Illness Two articles from Advances in Nursing Science documenting a historical meta-perspective on middle range theory development Key Features: Provides a strong contextual foundation for understanding middle range theory Introduces the Ladder of Abstraction to clarify the range of nursing ' s theoretical foundation Presents 13 middle range theories with philosophical, conceptual, and empirical dimensions of each theory Includes Appendix summarizing middle range theories from 1988 to 2016

Recovering Biblical Manhood and Womanhood (Revised Edition) McFarland

A free open access ebook is available upon publication. Learn more at www.luminosoa.org. The Camphill movement, one of the world ' s largest and most enduring networks of intentional communities, deserves both recognition and study. Founded in Scotland at the beginning of the Second World War, Camphill communities still thrive today, encompassing thousands of people living in more than one hundred twenty schools, villages, and urban neighborhoods on four continents. Camphillers of all abilities share daily work, family life, and festive celebrations with one another and their neighbors. Unlike movements that reject mainstream society, Camphill

expressly seeks to be " a seed of social renewal " by evolving along with society to promote the full inclusion and empowerment of persons with disabilities, who comprise nearly half of their residents. In this multifaceted exploration of Camphill, Dan McKanan traces the complexities of the movement ' s history, envisions its possible future, and invites ongoing dialogue between the fields of disability studies and communal studies.

Stone Butch Blues The Countryman Press

Behind Deuteronomy's reflection on history is a host of support staff, mostly anonymous women, who harvest, glean, cook, fetch water and wash, spin and weave, heal the sick, bury the dead and much more. This study considers womens work in the Hebrew Bible.

Colonialism, Antisemitism, and Germans of Jewish Descent in Imperial Germany Houghton Mifflin Harcourt

"This book looks at twenty-six houses by an international roster of contemporary architects"--P. [4] of cover.

Basic Economics St. Martin's Griffin

"Nice girls don't! And nice lawyer Rebecca Schwartz shouldn't have--shouldn't have gotten involved with a co-op feminist whorehouse, a senator with kinky appetites, the demimonde of San Francisco, and \$25,000 planted in her asparagus fern. Especially when it all adds up to murder. Especially when it's committed in her living room. And especially when her favorite uncle is the prime suspect. Now this young urban professional is caught up with the world's oldest profession--and no law can help her when... Death turns a trick." --

The Cambridge History of Judaism: Volume 5, Jews in the Medieval Islamic World Cambridge University Press

The bestselling citizen's guide to economics Basic Economics is a citizen's guide to economics, written for those who want to understand how the economy works but have no interest in jargon or equations. Bestselling economist Thomas Sowell explains the general principles underlying different economic systems: capitalist, socialist, feudal, and so on. In readable language, he shows how to critique economic policies in terms of the incentives they create, rather than the goals they proclaim. With clear explanations of the entire field, from rent control and the rise and fall of businesses to the international balance of payments, this is the first book for anyone who wishes to understand how the economy functions. This fifth edition includes a new chapter explaining the reasons for large differences of wealth and income between nations. Drawing on lively examples from around the world and from centuries of history, Sowell explains basic economic principles for the general public in plain English.

Writing Spaces 1 State University of New York Press

WINNER OF THE NATIONAL JEWISH BOOK AWARD AND THE JEWISH FICTION AWARD FROM THE ASSOCIATION OF JEWISH LIBRARIES GOOD MORNING AMERICA MUST READ NEW BOOKS * NEW YORK POST BUZZ BOOKS * THE MILLIONS MOST ANTICIPATED A remarkable debut novel—written with the fearless imagination of Michael Chabon and the piercing humor of Gary Shteyngart—about a small Jewish village in the Polish forest that is so secluded no one knows it exists . . . until now. What if there was a town that history missed? For decades, the tiny Jewish shtetl of Kreskol existed in happy isolation, virtually untouched and unchanged. Spared by the Holocaust and the Cold War, its residents enjoyed remarkable peace. It missed out on cars, and electricity, and the internet, and indoor plumbing. But when a marriage dispute spins out of control, the whole town comes crashing into the twenty-first century. Pasha Lindauer, who has just suffered an ugly, acrimonious divorce, suddenly disappears. A day later, her husband goes after her, setting off a panic among the town elders. They send a woefully unprepared outcast named Yankel Lewinkopf out into the wider world to alert the Polish authorities. Venturing beyond the remote safety of Kreskol, Yankel is confronted by the beauty and the ravages of the modern-day outside world — and his reception is met with a confusing mix of disbelief, condescension, and unexpected kindness. When the truth eventually surfaces, his story and the existence of Kreskol make headlines nationwide. Returning Yankel to Kreskol, the Polish government plans to reintegrate the town that time forgot. Yet in doing so, the devious origins of its

disappearance come to the light. And what has become of the mystery of Peshah and her former husband? Divided between those embracing change and those clinging to its old world ways, the people of Kreskol will have to find a way to come together . . . or risk their village disappearing for good.

Middle Range Theory for Nursing Univ of California Press

Step-by-step instructions for the seven core doughs of Jewish baking. Jewish baked goods have brought families together around the table for centuries. In *Modern Jewish Baker*, Sarna pays homage to those traditions while reinvigorating them with modern flavors and new ideas. One kosher dough at a time, she offers the basics for challah, babka, bagels, hamantaschen, rugelach, pita, and matzah. Never one to shy away from innovation, Sarna sends her readers off on a bake-your-own adventure with twists on these classics. Recipes include: Chocolate Chip Hamantaschen Tomato-Basil Challah Everything-Bagel Rugelach S' mores Babka Detailed instructions, as well as notes on make-ahead strategies, ideas for using leftovers, and other practical tips will have even novice bakers braiding beautiful shiny loaves that will make any bubbe proud.

Camphill and the Future Peter Bedrick Books

In 'Introduction to the Science of Sociology', co-authors Robert Ezra Park and E. W. Burgess achieve a comprehensive exposition of sociological thought and its applications. Crafted with scrupulous detail and academic rigor, the text is a cornerstone in the landscape of social science literature. Through its systematic approach, it delineates the then-nascent principles of human interactions and societal structures, serving as an indispensable guide for scholars and students alike. The literary style is methodical and didactic, reflecting the authors' aspiration to both inform and educate their audience about the systematic study of society in the context of early 20th century scholastic inquiry. Author Robert Ezra Park's distinguished academic and professional career profoundly shaped his contributions to sociology and the crafting of this seminal work. A key figure in the Chicago School of Sociology, Park's experience as a journalist and his subsequent collaboration with sociologist Ernest Watson Burgess brought a unique and insightful perspective to the discipline. Their collective expertise distilled into this volume reflects social theories and ethnographic methods that were groundbreaking at the time of its original publishing. 'Recommendation to the reader' is notably absent in the provided information. However, 'Introduction to the Science of Sociology' is highly recommended for those interested in the historical foundations of sociological study and its evolution. This meticulously edited DigiCat Publishing edition ensures that Park and Burgess's seminal work continues to reach contemporary audiences, preserving its relevance and scholarly value. The book is a testament to sociological scholarship and an essential reading for anyone seeking to understand the complexities of social structures and the enduring influence of foundational sociological analyses.

Qualitative Research Methods - collection, organization, and analysis strategies This text shows novice researchers how to design, collect, and analyze qualitative data and then present their results to the scientific community. The book stresses the importance of ethics in research and taking the time to properly design and think through any research endeavor. Jephthe's Daughter Berkley Trade

An exploration of the fast food industry in the United States, from its roots to its long-term consequences.

The Joy of Intimacy Crossway

Volume 5 examines the history of Judaism in the Islamic World from the rise of Islam in the early sixth century to the expulsion of Jews from Spain at the end of the fifteenth. This period witnessed radical transformations both within the Jewish community itself and in the broader contexts in which the Jews found themselves. The rise of Islam had a decisive influence on Jews and Judaism as the conditions of daily life and elite culture shifted throughout the Islamicate world. Islamic conquest and expansion affected the shape of the Jewish community as the center of gravity shifted west to the North African communities, and long-distance trading opportunities led to the establishment of trading diasporas and flourishing communities as far east as India. By the end of our period, many of the communities on the 'other' side of the Mediterranean had come into their own—while many of the Jewish communities in the Islamicate world had retreated from their high-water mark.

Sexing the Body Penguin UK

This remarkable and timely ethnography explores how fishing communities living on the fringe of the South China Sea in central Vietnam interact with

state and religious authorities as well as their farmer neighbors – even while handling new geopolitical challenges. The focus is mainly on marginal people and their navigation between competing forces over the decades of massive change since their incorporation into the Socialist Republic of Vietnam in 1975. The sea, however, plays a major role in this study as does the location: a once-peripheral area now at the center of a global struggle for sovereignty, influence and control in the South China Sea. The coastal fishing communities at the heart of this study are peripheral not so much because of geographical remoteness as their presumed social 'backwardness'; they only partially fit into the social imaginary of Vietnam's territory and nation. The state thus tries to incorporate them through various cultural agendas while religious reformers seek to purify their religious practices. Yet, recently, these communities have also come to be seen as guardians of an ancient fishing culture, important in Vietnam's resistance to Chinese claims over the South China Sea. The fishers have responded to their situation with a blend of conformity, co-option and subtle indiscipline. A complex, triadic relationship is at play here. Within it are various shifting binaries – e.g. secular/religious, fishers/farmers, local ritual/Buddhist doctrine, etc. – and different protagonists (state officials, religious figures, fishermen and -women) who construct, enact, and deconstruct these relations in shifting alliances and changing contexts. Fishers, Monks and Cadres is a significant new work. Its vivid portrait of local beliefs and practices makes a powerful argument for looking beyond monolithic religious traditions. Its triadic analysis and subtle use of binaries offer startlingly fresh ways to view Vietnamese society and local political power. The book demonstrates Vietnam is more than urban and agrarian society in the Red River Basin and Mekong Delta. Finally, the author builds on intensive, long-term research to portray a region at the forefront of geopolitical struggle, offering insights that will be fascinating and revealing to a much broader readership.

The Hebrew Republic Princeton University Press

Tracing neoliberalism's devastating erosions of democratic principles, practices, and cultures. Neoliberal rationality—ubiquitous today in statecraft and the workplace, in jurisprudence, education, and culture—remakes everything and everyone in the image of homo oeconomicus. What happens when this rationality transposes the constituent elements of democracy into an economic register? In *Undoing the Demos*, Wendy Brown explains how democracy itself is imperiled. The demos disintegrates into bits of human capital; concerns with justice bow to the mandates of growth rates, credit ratings, and investment climates; liberty submits to the imperative of human capital appreciation; equality dissolves into market competition; and popular sovereignty grows incoherent. Liberal democratic practices may not survive these transformations. Radical democratic dreams may not either. In an original and compelling argument, Brown explains how and why neoliberal reason undoes the political form and political imaginary it falsely promises to secure and reinvigorate. Through meticulous analyses of neoliberalized law, political practices, governance, and education, she charts the new common sense. *Undoing the Demos* makes clear that for democracy to have a future, it must become an object of struggle and rethinking.
