Temptation On His Terms Brava

A young woman inherits an Alaskan B&B that 's a portal to an alternate universe in this sexy paranormal romance by the New York Times bestselling author. Three weeks ago I, Rachel Bond, inherited a bed-and-breakfast. In Alaska. Just this morning I was in my warm bed in LA but now here I am, up north--and this is, like, nosebleed north--sorting it all out. So: PROS: 1. Bears and wolves and moose can 't be any worse than LA guys. 2. You 've heard of "starving artists?" I 'm about to faint. So it 's probably time for a change. 3. My good friend Kellan--you 'll like him, unlike me, he 's cool under pressure--suddenly has this animal sexiness I 've never even seen before. CONS: 1. ALASKA. 2. The house chef can 't cook, and the guide can 't read a map. 3. Kellan 's sudden hotness is getting very hard to ignore. 4. I just got hit by lightning. And

I 'm not sure if this is a pro or a con just yet, but since that lightning bolt, I can see through everything. As in completely transparent. That was before things started to get really weird . . . "Jill Shalvis is a total original! It doesn 't get any better." --Suzanne Forster "Shalvis breaks new ground with this sexy paranormal romance . . . told from both his and her perspectives." --Booklist

good smut ? She falls first but he falls harder ? Second-chance ? Hot, alpha MMC ? Committed FMC ? Standalone in a series - no cliffhanger! Publisher Description CASSIDY Everyone makes mistakes. Some we brush off with time. Others live in our heads rent-free for longer. Forever. Not many of us make mistakes that destroy our chance at a real, meaningful relationship. I did. A mistake that should've never happened to someone like me-a scholar student, a well-behaved, obedient foster daughter, a charity volunteer. That mistake was none other than Theo Hayes. I've been paying the price ever since, because days later I met and fell in love with his older brother, Logan... Logan, who cut me loose the minute he learned his brother had me first. LOGAN The heart wants what the heart wants. Or in this case, the brain... the one in my pants. It wants her. Cassidy Annabelle Roberts. The pretty blonde I was falling for before I found out she'd hit my brother's sheets just days earlier. That was three years ago. We've bumped into each other a few times, but never talked... until she almost died in my arms at my sister-in-law's Birthday party. The emotions that ran through me while I tried to bring her back knocked me off my feet and I can't stay away, so I don't. But it's just physical. Cassidy and I can't happen on any other level for a number of reasons. We'll never begin, but she's good at keeping her mouth shut about our little dalliance, and I can't seem to shake her from my system fast enough... So maybe I need to f*ck her out.

He heard me throwing up in his guest bathroom. And since that evening, he's been on my mind every day. He awoke needs and desires I didn't know existed, but no matter how strong the pull between us grows, Nico doesn't want to want me. He keeps me at arm's length, so I defy all my instincts and... I steal the first kiss. NICO Never touch your brother's girl. All my life, I pursued women who made me feel like I was licking honey off the edge of a sharp knife. In the "new" old south, pedigree and money still mean plenty ... especially when you have neither. P.I. Charlotte deShawn and her friends Prissy, BrieAnna, and Bebe know all too well what it's like to be on the outside looking in, having grown up with more questions than answers about the parents they each lost at an early age. For Charlotte, enduring condescending looks and whispers only made her more determined to ignore social standing. So why should it be a problem when wealthy hotel owner Griff Parish wants to hire her to find the missing heir to his family fortune? Just because their chemistry is hotter than Georgia in August doesn't mean she can't be a pro about this. After all, they travel in completely different circles--or they did until now. Griff's always had a thing for Charlotte, with her long red hair, big green eyes, and wild streak. Even the hefty chip on her shoulder only reminds him of how strong she is. Still, nothing's ever come of the attraction. Now, however, the

temptation Charlotte represents is too close to ignore. True, Griff got himself into this fix. He could have hired a different detective agency--but that wouldn't have served his ends. He has damn good reason to keep Charlotte deShawn close, and it has nothing to do with her keen mind or her gorgeous body. Yeah, right. Falling hard for Charlotte wasn't part of the plan, but in Savannah, what you expect is just about never what you get.
