[HAND TOOL MANUALS -  
General Tools & Instruments](#)

As a self-taught craftsman,  
I've frequently needed  
manuals and books to help  
myself set up or operate  
complicated machines. That is  
why I started this service with  
my family- to make hard-to-  
find manuals easier for other  
craftsmen to obtain. I wanted  
to make the best quality,  
printed manuals to work with  
in a shop.
