Four Tough Cases of the F.B.I. Simon and Schuster  
From an award-winning New York Times reporter comes the full, mind-boggling true story of the lies, crimes, and ineptitude behind the Enron scandal that imperiled a presidency, destroyed a marketplace, and changed Washington and Wall Street forever. It was the corporate collapse that appeared to come out of nowhere. In late 2001, the Enron Corporation—a darling of the financial world, a company whose executives were friends of presidents and the powerful—imploded virtually overnight, leaving vast wreckage in its wake and sparking a criminal investigation that would last for years. Kurt Eichenwald transforms the unbelievable story of the Enron scandal into a rip-roaring narrative of epic proportions, taking readers behind every closed door—from the Oval Office to the executive suites, from the highest reaches of the Justice Department to the homes and bedrooms of the top officers. It is a tale of global reach—from Houston to Washington, from Bombay to London, from Munich to Sao Paolo—laying out the unbelievable scenes that twisted together to create this shocking true story. Eichenwald reveals never-disclosed details of a story that features a cast including George W. Bush, Dick Cheney, Paul O ’ Neill, Harvey Pitt, Colin Powell, Gray Davis, Arnold Schwarzenegger, Alan Greenspan, Ken Lay, Andy Fastow, Jeff Skilling, Bill Clinton, Rupert Murdoch and Sumner Redstone. With its you-are-there glimpse into the secretive worlds of corporate power, Conspiracy of Fools is an all-true financial and political thriller of cinematic proportions.

TOP CASES of The FBI - Vol. II Dorrance Publishing  
This investigation concerned allegations of wrongdoing and improper practices within certain sections of the FBI Lab. These involved some of the most significant prosecutions in the recent history of the Dept., including the World Trade Center and OK City bombings. They implicated fundamental aspects of law enforcement: the reliability of the procedures employed to analyze evidence, the integrity of the persons engaging in that analysis, and the trustworthiness of the testimony by FBI Lab. examiners. The invest. lasted more than 18 months and addressed a large number of allegations; most were not substantiated, but some important ones were.

Candice DeLong has been called a real-life Clarice Starling and a female Donnie Brasco. She has been on the front lines of some of the FBIs most gripping and memorable cases, including being chosen as one of the three agents to carry out the manhunt for the Unabomber in Lincoln, Montana. She has tailed terrorists, gone undercover as a gangsters moll, and posed as the madam for a call-girl ring. Now for the first time she reveals the dangers and rewards of being a woman on the front lines of the worlds most powerful law enforcement agency. She traces the unusual career path that led her to crime fighting, and recounts the incredible obstacles she faced as a woman and as a fledgling agent. She takes readers step by step through the profiling process and shows how she helped solve a number of incredible cases. The story of her role as a lead investigator on the notorious Tylenol Murderer case is particularly compelling. Finally, she gives the true, insiders story behind the investigation that led to the arrest of the Unabomber including information that the media cant or wont reveal. A remarkable portrait of courage and grace under fire,

Special Agent offers a missing chapter to the annals of law enforcement and a dramatic and often funny portrait of an extraordinary woman who has dedicated her heart and soul to the crusade against crime.

Across the Mitten and through the Upper Peninsula, the Wolverine State has witnessed some thrilling and historic federal cases. In Detroit, FBI agents took point investigating the kidnapping (and safe return) of a GM executive's son and in a manhunt for an armed killer in the north woods near Escanaba. The Bureau was called in to discover who poisoned patients at the Ann Arbor Veterans Hospital and for a grisly double homicide solved by a persistent and determined fingerprint examiner. Michigan agents spearheaded the first-ever investigation and prosecution of an Internet threat, and legendary football coach Bo Schembechler inspired an epic international undercover operation targeting the illegal distribution of steroids. Retired Special Agent Greg Stejskal recalls these stories and others from more than thirty years as a G-man in Michigan.

What is the FBI? How did it come into being? What has it accomplished? What are its powers? Above all, what does the mere fact of its existence mean to Every Citizen of the United States?This book, written with the cooperation of J. Edgar Hoover and FBI Personnel will answer these questions once and for all.THE FBI STORY, written by one of America's top reporters, Don Whitehead, and with a Foreword by J. Edgar Hoover, takes you behind the scenes to reveal the record of America's crusade against crime and subversion.THE FBI STORY names names, places and events. You'll read about cases which have made today's headlines as well as about the celebrated cases and notorious events which made yesterday's.You'll read about the Black Tom explosion and other acts of sabotage which were the prelude to America's entrance into World War I. You will find the case histories of the Wall Street Explosion and "Palmer's Raids"; the Harding Era and Gaston Means.The gangsters' rise to power in the roaring twenties and the "lady in red," Pretty Ana Cump na, who betrayed John Dillinger, and Al Capone. Here too are the Lindbergh Kidnapping, the Kansas City Massacre and many other cases which placed the FBI in the forefront of the public's imagination.THE FBI STORY is the story too of Pearl Harbor, the capture of the Japanese espionage messages, the German saboteurs' invasion of the United States and their capture, and other behind the scenes dramas of World War II. The book tells of the FBI's secret operations in South and Central America and the experiences of its Special Intelligence Service (SIS). How the FBI tricked the Germans through double agent radio stations is a "stranger than fiction" story. You'll read of the FBI's role in combating postwar crime as Don Whitehead reports on the kidnap murder of little Bobby Greenlease and the murder of a mother by her son high over a Colorado beet field when a plane fell carrying passengers and crew to their deaths.The fight against Communism in the United States, Smith Act prosecutions and the gathering of evidence which made these prosecutions possible are all portrayed. Also related are the cases of Hiss and Klaus Fuchs and the theft of the atomic secrets and the Rosenberg and Greenglass cases, which are revealed in detail.The history of the FBI in reality represents the people's efforts to achieve government by law. THE FBI STORY, then, is the story of America itself and the struggles to attain this ideal.

America's foremost expert on criminal profiling provides his uniquely gripping analysis of seven of the most notorious murder cases in the history of crime -- from the Whitechapel murders to JonBenet Ramsey -- often contradicting conventional wisdom and legal decisions. Jack the Ripper. Lizzie Borden. The Zodiac Killer. Certain homicide cases maintain an undeniable, almost mystical hold on the public imagination. They touch a nerve deep within us because of the personalities involved, their senseless depravity, the nagging doubts about whether justice was done, or because, in some instances, no suspect has ever been identified or caught. In The Cases That Haunt Us, twenty-five-year-FBI-veteran John Douglas, profiling pioneer and master of modern criminal investigative analysis, and author and filmmaker Mark Olshaker, the team behind the bestselling Mindhunter series, explore the tantalizing mysteries that both their legions of fans and law enforcement professionals ask about most. Among the questions they tackle: Was Jack the Ripper actually the Duke of Clarence, eldest grandson of Queen Victoria, or perhaps a practicing medical doctor? And did highly placed individuals within Scotland Yard have a good idea of the Ripper's identity, which they never revealed? Douglas and Olshaker create a detailed profile of the killer, and reveal their chief suspect. Was Lizzie Borden truly innocent of the murder of her father and stepmother as the Fall River, Massachusetts, jury decided, or was she the one who took the ax and delivered

those infamous "whacks"? Through a minute-by-minute behavioral analysis of the crime, the authors come to a convincing conclusion. Did Bruno Richard Hauptmann single-handedly kidnap the baby son of Charles and Anne Morrow Lindbergh, the most famous couple in the world, or was he an innocent man caught up and ultimately executed in a relentless rush to judgment in the "crime of the century"? What kind of person could kill six-year-old JonBenet Ramsey on Christmas night in her own home? Douglas was called in on the case shortly after the horrifying murder, and his conclusions are hard-hitting and controversial. Why, in the face of the majority of public, media, and law enforcement opinion, including former FBI colleagues, does Douglas believe that John and Patricia Ramsey did not murder their daughter? And what is the forensic and behavioral evidence he brings to bear to make his claim? Taking a fresh and penetrating look at each case, the authors reexamine and reinterpret accepted facts and victimology using modern profiling and the techniques of criminal analysis developed by Douglas within the FBI. This book deconstructs the evidence and widely held beliefs surrounding each case and rebuilds them -- with fascinating and haunting results.

Jim Ingram is to the FBI what Elliot Ness was to the Treasury Department-a larger-than-life symbol of American justice, a Klan-busting crime fighter who was involved with some of the highest profile FBI cases of the 1950s, 1960s and 1970s. Interestingly, after nearly 30 years with the FBI, Ingram was brought out of retirement in the 2000s as a cold-case investigator of Mississippi civil rights-era murders, casting him into his fifth decade of crime fighting. Among the historic cases worked by Ingram: The assassination of President John F. Kennedy. The "Mississippi Burning" civil rights murders. The assassination of Martin Luther King. The murder of Federal Judge John H. Woods, known by friends and detractors as "Maximum John." The convicted hit man was actor Woody Harrelson's father, Charles Harrelson. The bombing of Beth Israel Temple. The FBI counterintelligence operation known as COINTELPRO. The FALN bombings by Puerto Rican separatists. In this memoir, Jim Ingram provides insider information on the above high-profile cases and others, along with a personal perspective on his nearly 30-year career of law enforcement. During that career, he headed up the FBI offices in New York and Chicago, and was in charge of the violent crimes civil rights desk in Mississippi in the 1960s, and served in the 1970s as deputy assistant FBI director in Washington, DC. After his retirement from the FBI, Ingram served as Public Safety Commissioner for the State of Mississippi, which put him in charge of the Highway Patrol, an agency that had been heavily infiltrated by the KKK while he was head of the civil rights desk in Mississippi. Appointed by Governor Kirk Fordice, a conservative Republican. Ingram became good friends with the man despite their political differences. Jim Ingram passed away in August 2009 of cancer, but worked on this memoir with his co-author, right up until his death. The book contains new, formerly classified information about a variety of cases. "Jim Ingram made a big difference in Mississippi, and our folks will always appreciate him, his courage and his character. I was blessed to be his friend."-Former Mississippi Governor Haley Barbour "This is a simple story about a complex man who had a lasting effect on Mississippi. Jim Ingram was from the "old school" in the best sense of those words. He treasured traits like loyalty to others and loyalty to the law. He abhorred bullies and was fearless in tracking the "night riders" who used terror as their weapon of choice. Question: who was the world famous Middle-Eastern dictator who took refuge in a "safe house" in Jackson, Mississippi...well, you'll just have to read the book and be stunned to find who was in our midst."-Former Mississippi Secretary of State Dick Molpus "Jim was always a big case guy-a long ball hitter. He didn't hit singles. He took the ball out of the park."-Retired FBI Special Agent Bill Stokes"
