The Sage Encyclopedia of LGBTQ+ Studies, 2nd Edition Pearson Education ESL

The SAGE Encyclopedia of LGBTQ Studies, 2nd Edition will be a broad, interdisciplinary product aimed at students and educators interested in an interdisciplinary perspective on LGBTQ issues. This far-reaching and contemporary set of volumes is meant to examine and provide understandings of the lives and experiences of LGBTQ individuals, with attention to the contexts and forces that shape their world. The volume will address questions such as: What are the key theories used to understand variations in sexual orientation and gender identity? How do LGBTQ+ people experience the transition to parenthood? How does sexual orientation intersect with other key social

locations (e.g., race) to shape experience and identity? What does LGBTQ+ affirmative therapy look like? How have anti-LGBTQ ballot measures affected LGBTQ people? What are LGBTQ+ people's experiences during COVID-19? How were LGBTQ+ people impacted by the Trump administration? What is life like for LGBTQ+ people living outside the United States? This encyclopedia will be a unique product on the market: a reference work that looks at LGBTQ issues and identity primarily through the lenses of psychology, human development, and sociology, and emphasizing queer, feminist, and ecological perspectives on this topic. Entries will be written by top researchers and clinicians across multiple fields—psychology, human development, gender/queer studies, sexuality studies, social work, nursing, cultural studies, education, family studies, medicine, public health, and sociology—contributing to approximately 450-500 signed entries. All entries will include cross-references and Further Readings.

Top Notch 3 Classroom Audio Program Saunders
FOREWORD BY GUY KAWASAKI
Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net - presentationzen.com - shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote.

Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.
