#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

Charlotte Perkins Gilman's 1892 short story, The Yellow Wallpaper is a valuable piece of American feminist literature that reveals attitudes toward the psychological health of women in the nineteenth century. Diagnosed with "temporary nervous depression - a slight hysterical tendency" by her physician husband, a woman is confined to an upstairs bedroom. Descending into psychosis at the complete lack of stimulation, she starts obsessing over the room's yellow wallpaper: "It is the strangest yellow, that wall-paper! It makes me think of all the yellow things I ever saw - not beautiful ones like buttercups, but old foul, bad yellow things. But there is something else about that paper - the smell! ... The only thing I can think of that it is like is the color of the paper! A yellow smell."

High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, Dude, You're a Fag sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.

Academic Writing, Real World Topics fills a void in the writing-across-the-curriculum textbook market. It draws together articles and essays of actual academic prose as opposed to journalism; it arranges material topically as opposed to by discipline or academic division; and it approaches topics from multiple disciplinary and critical perspectives. With extensive introductions, rhetorical instruction, and suggested additional resources accompanying each chapter, Academic Writing, Real World Topics introduces students to the kinds of research and writing that they will be expected to undertake throughout their college careers and beyond. Readings are drawn from various disciplines across the major divisions of the university and focus on issues of real import to students today, including such topics as living in a digital culture, learning from games, learning in a digital age, living in a global culture, our post-human future, surviving economic crisis, and assessing armed global conflict. The book provides students with an introduction to the diversity, complexity and connectedness of writing in higher education today. Part I, a short Guide to Academic Writing, teaches rhetorical strategies and approaches to academic writing within and across the major divisions of the academy. For each writing strategy or essay element treated in the Guide, the authors provide examples from the reader, or from one of many resources included in each chapter ’ s Suggested Additional Resources. Part II, Real World Topics, also refers extensively to the Guide. Thus, the Guide shows student writers how to employ scholarly writing practices as demonstrated by the readings, while the readings invite students to engage with scholarly content.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

"Fascinating.... Lays a foundation for understanding human history."—Bill Gates In this "artful, informative, and delightful" (William H. McNeill, New York Review of Books) book, Jared Diamond convincingly argues that geographical and environmental factors shaped the modern world. Societies that had had a head start in food production advanced beyond the hunter-gatherer stage, and then developed religion --as well as nasty germs and potent weapons of war --and ventured on sea and land to conquer and decimate preliterate cultures. A major advance in our understanding of human societies, Guns, Germs, and Steel chronicles the way that the modern world came to be and stunningly dismantles racially based theories of human history. Winner of the Pulitzer Prize, the Phi Beta Kappa Award in Science, the Rhone-Poulenc Prize, and the Commonwealth club of California's Gold Medal.

Anne Lamott claims the two best prayers she knows are: "Help me, help me, help me" and "Thank you, thank you, thank you." She has a friend whose morning prayer each day is "Whatever," and whose evening prayer is "Oh, well." Anne thinks of Jesus as "Casper the friendly savior" and describes God as "one crafty mother." Despite--or because of--her irreverence, faith is a natural subject for Anne Lamott. Since Operating Instructions and Bird by Bird, her fans have been waiting for her to write the book that explained how she came to the big-hearted, grateful, generous faith that she so often alluded to in her two earlier nonfiction books. The people in Anne Lamott's real life are like beloved characters in a favorite series for her readers--her friend Pammy, her son, Sam, and the many funny and wise folks who attend her church are all familiar. And Traveling Mercies is a welcome return to those lives, as well as an introduction to new companions Lamott treats with the same candor, insight, and tenderness. Lamott's faith isn't about easy answers, which is part of what endears her to believers as well as nonbelievers. Against all odds, she came to believe in God and then, even more miraculously, in herself. As she puts it, "My coming to faith did not start with a leap but rather a series of staggers." At once tough, personal, affectionate, wise, and very funny, Traveling Mercies tells in exuberant detail how Anne Lamott learned to shine the light of faith on the darkest part of ordinary life, exposing surprising pockets of meaning and hope.

ULYSSES James Joyce's novel Ulysses is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day: June 16, 1904. Causing controversy, obscenity trials and heated debates, Ulysses is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written. ULYSSES Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be

one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake. ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy's boys' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what's happening outside but also what's happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer's Odyssey, James Joyce's Ulysses is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. Explores childhood in relation to blackness, transfeminism, queerness, and deportability to interrogate what “the child” makes possible The concept of childhood contains many contested and ambivalent meanings that have extraordinary implications, particularly for those staking their claim for belonging and justice on the wish for inclusion within it. In Ambivalent Childhoods, Jacob Breslow examines contemporary U.S. social justice movements (including Black Lives Matter, transfeminism, queer youth activism, and antideportation movements) to discover and reveal how childhood operates within and against them. Ambivalent Childhoods brings together critical race, trans, feminist, queer, critical migration, and psychoanalytic theories to explore the role of childhood in shaping and challenging the disposability of young black life, the steadfastness of the gender binary, the queer life of children's desires, and the precarious status of migrants. Through an engagement with “the psychic life of the child” that combines theoretical discussions of childhood, blackness, transfeminism, and deportability with critical readings of films, narrative, images, and social justice movements, Breslow demonstrates how childhood requires sustained attention as a complex and ambivalent site for contesting the workings of power, not only for the young. Ambivalent Childhoods is a forward-thinking and intersectional analysis of how childhood affects activism, national belonging, and the violence directed against queer, trans, and racialized people.

Winner, Kirkus Prize for Non-Fiction, 2015 In the 150 years since the end of the Civil War and the ratification of the Thirteenth Amendment, the story of race and America has remained a brutally simple one, written on flesh: it is the story of the black body, exploited to create the country's foundational wealth, violently segregated to unite a nation after a civil war, and, today, still disproportionately threatened, locked up and killed in the streets. What is it like to inhabit a black body and find a way to live within it? And how can America reckon with its fraught racial history? Between the World and Me is Ta-Nehisi Coates' attempt to answer those questions, presented in the form of a letter to his adolescent son. Coates shares with his son the story of his own awakening to the truth about history and race through a series of revelatory experiences: immersion in nationalist mythology as a child; engagement with history, poetry and love at Howard University; travels to Civil War battlefields and the South Side of Chicago; a journey to France that reorients his sense of the world; and pilgrimages to the homes of mothers whose children's lives have been taken as American plunder. Taken together, these stories map a winding path towards a kind of liberation—a journey from fear and confusion, to a full and honest understanding of the world as it is. Masterfully woven from lyrical personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me offers a powerful new framework for understanding America's history and current crisis, and a transcendent vision for a way forward. Ta-Nehisi Coates is a national correspondent for the Atlantic and the author of the memoir The Beautiful Struggle. Coates has received the National Magazine Award, the Hillman Prize for Opinion and Analysis Journalism, and the George Polk Award for his Atlantic cover story 'The Case for Reparations'. He lives in New York

with his wife and son. ‘Coates offers this eloquent memoir as a letter to his teenage son, bearing witness to his own experiences and conveying passionate hopes for his son's life...this moving, potent testament might have been titled Black Lives Matter.’ Kirkus Reviews ‘I’ve been wondering who might fill the intellectual void that plagued me after James Baldwin died. Clearly it is Ta-Nehisi Coates. The language of Between the World and Me, like Coates’ journey, is visceral, eloquent and beautifully redemptive. And its examination of the hazards and hopes of black male life is as profound as it is revelatory. This is required reading.’ Toni Morrison ‘Extraordinary...Ta-Nehisi Coates...writes an impassioned letter to his teenage son—a letter both loving and full of a parent's dread—counselling him on the history of American violence against the black body, the young African-American's extreme vulnerability to wrongful arrest, police violence, and disproportionate incarceration.’ David Remnick, New Yorker ‘A searing meditation on what it means to be black in America today...as compelling a portrait of a father—son relationship as Martin Amis's Experience or Geoffrey Wolff's The Duke of Deception.’ New York Times ‘Coates possesses a profoundly empathetic imagination and a tough intellect...Coates speaks to America, but Australia has reason to listen.’ Monthly ‘Heartbreaking, confronting, it draws power from understatement in dealing with race in America and the endless wrong-headed concept that whites are somehow entitled to subjugate everyone else.’ Capital ‘In our current global landscape it's an essential perspective, regardless of your standpoint.’ Paperboy ‘Impactful and poignant.’ Reading With Jenna
