A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Following two families from Pakistan and Iraq in the 1990s to San Francisco in 2016, *The Bad Muslim Discount* is an inclusive, comic novel about Muslim immigrants finding their way in modern America. "Masood's novel presents a stereoscopic, three-dimensional view of contemporary Muslim America: the way historical conflict in the Middle East lingers in individual lives, the way gossip travels in a close-knit immigrant community." —The New York Times Book Review It is 1995, and Anvar Faris is a restless, rebellious, and sharp-tongued boy doing his best to grow up in Karachi, Pakistan. As fundamentalism takes root within the social order and the zealots next door attempt to make Islam great again, his family decides, not quite unanimously, to start life over in California. Ironically, Anvar's deeply devout mother and his model-Muslim brother adjust easily to life in America, while his fun-loving father can't find anyone he relates to. For his part, Anvar fully commits to being a bad Muslim. At the same time, thousands of miles away, Safwa, a young girl living in war-torn Baghdad with her grief-stricken, conservative father will find a very different and far more dangerous path to America. When Anvar and Safwa's worlds collide as two remarkable, strong-willed adults, their contradictory, intertwined fates will rock their community, and families, to their core. *The Bad Muslim Discount* is an irreverent, poignant, and often hysterically funny debut novel by an amazing new voice. With deep insight, warmth, and an irreverent sense of humor, Syed M. Masood examines universal questions of identity, faith (or lack thereof), and belonging through the lens of Muslim Americans.

A Shepherd to Fools is the second of Drew Mendelson's trilogy of Vietnam War novels that began with *Song Ba To* and will conclude with *Poke the Dragon*. Shepherd: It is the ragged end of the Vietnam war. With the debacle of a failing South Vietnamese invasion of Northern Laos as background, *A Shepherd to Fools* tells the harrowing tale of a covert Hatchet Team of US soldiers and Montagnard mercenaries. They are ordered to find and capture or kill a band of American deserters, called Longshadows, before the world learns of their paralyzing rebellion. An earlier attempt to capture them failed disastrously, the facts of it buried. Captain Hugh Englander commands the Hatchet Team. He is a humorless bastard, sneering and discourteous to every regular army soldier. He cares little for the welfare of his own men and nothing for the lives of the deserters. The conflict between him and Captain David Weisman, the artillery officer assigned to the mission for artillery support, threatens to tear the team apart. Deep in the Laotian jungle, the team is caught in a final, horrific battle facing an enemy armed with Sarin nerve gas, the "worst of the worst" of the war's clandestine weapons.

Motivation expert James Fell teaches readers how to skip the hard part and go directly from intention to committed action. After years of helping people change, James Fell had a sudden insight about sudden insight: significant life change doesn't often come from just putting one foot in front of the other, carefully observing and altering habits, slogging through baby steps toward new behavior. Rather, the research reveals that serious life turnaround usually happens in a moment, with a flash of inspiration. Epiphany arrives like a lightning strike, rapidly shifting the recipient of such enlightenment onto a new path that creates a better life. Motivational psychology has traditionally focused on slow and steady—gradual improvement over time to reach a desired goal, whether it's weight loss, career change, battling addiction, or success in relationships. We've been told since toddlerhood that the tortoise beats the hare. But, through compelling science and powerful stories, James Fell shows us that the hare has the edge; overwhelming desire can be awakened fast and furiously. When you learn to become attuned to that sensation of sudden awakening, a new path can be followed almost effortlessly, because it feels like destiny. Everyone has the ability to experience the lightning strike. The Holy Sh!t Moment will teach you how to create a life-changing epiphany and go directly from intention to action.

If you want to learn how to shoot a basketball, you begin by carefully observing someone who knows how to shoot a basketball. If you want to be a writer, you begin by carefully observing the work of accomplished writers. Recognizing the importance that modeling plays in the learning process, high school English teacher Kelly Gallagher shares how he gets his students to stand next to and pay close attention to model writers, and how doing so elevates his students' writing abilities. *Write Like This* is built around a central premise: if students are to grow as writers, they need to read good writing, they need to study good writing, and, most important, they need to emulate good writers. In *Write Like This*, Kelly emphasizes real-world writing purposes, the kind of writing he wants his students to be doing twenty years from now. Each chapter focuses on a specific discourse: express and reflect, inform and explain, evaluate and judge, inquire and explore, analyze and interpret, and take a stand/propose a solution. In teaching these lessons, Kelly provides mentor texts (professional samples as well as models he has written in front of his students), student writing samples, and numerous assignments and strategies proven to elevate student writing. By helping teachers bring effective modeling practices into their classrooms, *Write Like This* enables students to become better adolescent writers. More important, the practices found in this book will help our students develop the writing skills they will need to become adult writers in the real world.
