Descriptive writing calls for close attention to factual and sensory details: show, don't tell. Whether your subject is as small as a strawberry or as large as a fruit farm, you should begin by observing your subject closely. Examine it with all five senses, and write down any details and descriptions that come to mind.

150 Informative Essay Topics For Students In 2019 ...

In order to avoid trouble, always divide topics into several sections. When choosing Ancient Egypt, it is most likely that task is to write about something specific. Good paper will always make it clear in Introduction, but even then, one should use topic sentences that help reader to be aware of main ideas.

A number of these topics are rather controversial—that's the point. In an argumentative essay, opinions matter and controversy is based on opinions, which are, hopefully, backed up by facts. If these topics are a little too controversial or you don't find the right one for you, try browsing through persuasive essay and speech topics as well.
