The Rabbi's Bible Behrman House, Inc

In Hebrew the word Torah means guidance. The Torah is the holiest and most beloved of the sacred writings of Judaism. This volume draws from a selection of its most relevant and meaningful texts. It is written for the modern reader.

The Heart of Torah KTAV Publishing House, Inc.

Ibn Ezra addresses the importance of the knowledge of grammar, stating that one cannot fully understand the text of the Torah without it. He also discusses the study of the Bible and the Talmud, arguing that one cannot properly comprehend the Talmud if one does not know the sciences, for there are many passages in the Pentateuch and the Talmud that are either incomprehensible or given to misinterpretation by one who has no prior knowledge of the sciences.

The Bible may be likened to a magnificent diamond, glistening with many brilliant colors all at the same time. And although the different hues often appear to be contradictory, when you view the totality of the light emanating from the diamond, you begin to appreciate how complementary they really are. Thus the sages of the Talmud understood that there are many possible truths contained in each biblical statement, each adding its unique melody to the magnificent symphony of the whole, synthesizing not in conflicting dissonance but in holy dialectic. Torah Lights is Rabbi Shlomo Riskin'ss analysis and original contemplations on life, love and family in the biblical book of Genesis.

Uriel Simon describes the fascinating controversy that raged from the tenth to the twelfth centuries regarding the theological status and literary genre of the Psalms. Saadiah Gaon, who initiated the controversy, claimed that the Psalter was a second Torah—the Lord's word to David—and by no means man's prayer to God. Salmon ben Yeruchan and Yefet ben Ali insisted on the Karaite view that the Book of Psalms was the prophetic common prayerbook of Israel. Totally opposing both of these concepts, Rabbi Moses Ibn Giqatilah regarded the Psalms as non-prophetic prayers authored by different poets, beginning with David and ending with the captive Levites in the Babylonian exile. Finally, Rabbi Abraham Ibn Ezra reverted to the belief held by the Talmudic sages—that the Psalms were Israel's divinely inspired and most sacred poetry. The book also includes the full text of a previously unknown introduction to his familiar classical commentary.

The Gods Are Broken! Chanan Morrison

"One of the greatest religious biographies ever written." — Dennis Prager In this enlightening biography, Joseph Telushkin offers a captivating portrait of the late Rabbi Menachem Mendel Schneerson, a towering figure who saw beyond conventional boundaries to turn his movement, Chabad-Lubavitch, into one of the most dynamic and widespread organizations ever seen in the Jewish world. At once an incisive work of history and a compendium of Rabbi Schneerson's teachings, Rebbe is the definitive guide to understanding one of the most vital, intriguing figures of the last centuries. From his modest headquarters in Crown Heights, Brooklyn, the Rebbe advised some of the world's greatest leaders and shaped matters of state and society. Statesmen and artists as diverse as Ronald Reagan, Robert F. Kennedy, Yitzchak Rabin, Menachem Begin, Elie Wiesel, and Bob Dylan span the spectrum of those who sought his counsel. Rebbe explores Schneerson's overarching philosophies against the backdrop of treacherous history, revealing his clandestine operations to rescue and sustain Jews in the Soviet Union, and his critical role in the expansion of the food stamp program throughout the United States. More broadly, it examines how he became in effect an ambassador for Jews globally, and how he came to be viewed by many as not only a spiritual archetype but a savior. Telushkin also delves deep into the more controversial aspects of the Rebbe's leadership, analyzing his views on modern science and territorial compromise in Israel, and how in the last years of

his life, many of his followers believed that he would soon be revealed as the Messiah, a source of contention until this day.

Midrash Rabbah: Genesis John Wiley & Sons

Hebrew-English Torah: The Five books of Moses is a Study Edition of the traditional Masoretic text, placed next to the classic "word-for-word" Jewish translation; it features the most authoritative Hebrew text -- based on the Leningrad Codex and complete with cantillation marks, vocalization and verse numbers. The large format and the use of good paper are part of the design to allow a diligent Torah student to write on margins for more efficient learning. This printed edition comes with a free downloadable PDF edition of the title provided by Varda Books upon presenting to it the proof of purchase.

Reconnect with the power and promise of engagement with Torah—from a modern men's perspective. This major contribution to modern biblical commentary addresses the most important concerns of modern men—issues like relationships, sexuality, ambition, work and career, body image, aging, and life passages—by opening them up to the messages of the Torah. It includes commentaries by some of the most creative and influential rabbis, cantors, journalists, media figures, educators, professors, authors, communal leaders, and musicians in contemporary Jewish life, and represents all denominations in Judaism. Featuring poignant and probing reflections on the weekly Torah portions, this collection shows men how the messages of the Torah intersect with their own lives by focusing on modern men's issues. Ideal for anyone wanting a new, exciting view of Torah, this rich resource offers perspectives to inspire all of us to gain deeper meaning from the Torah as well as a heightened appreciation of Judaism and its relevance to our lives. Torah presents the first five books of the Hebrew Bible, also known as Pentateuch or Five Books of Moses. The Torah starts from the beginning of God's creating the world, through the beginnings of the people of Israel, their descent into Egypt, and the giving of the Torah at biblical Mount Sinai. It ends with the death of Moses, just before the people of Israel cross to the promised land of Canaan. Interspersed in the narrative are the specific teachings given explicitly or implicitly embedded in the narrative. In Hebrew, the five books of the Torah are identified by the incipits in each book; and the common English names for the books are derived from the Greek Septuagint and reflect the essential theme of each book: B reshit —Genesis, meaning "Creation" Sh mot —Exodus, meaning "Exit" Vayikra —Leviticus, meaning "Relating to the Levites" B midbar —Numbers D varim —Deuteronomy, meaning "Second-Law"

The Everything Jewish History and Heritage Book Harper Collins

Judaism isn't a race or even a particular culture or ethnic group. There are about 13 or 14 million Jews spread around the world, including about 6 million in the United States and about 5 million in Israel – so Judaism clearly isn't "a nation." So what does it mean to be Jewish? Here are the basics: Being Jewish (being "a Jew") means you're a Member of the Tribe (an M-O-T). The tribe started with a couple named Abraham and Sarah about 4,000 years ago, it grew over time, and it's still here today. You can become part of the Jewish tribe in two ways: By being born to a Jewish mother or joining through a series of rituals (called converting). Judaism is a set of beliefs, practices, and ethics based on the Torah. You can practice Judaism and not be Jewish, and you can be a Jew and not practice Judaism. Whether you're interested in the religion or the spirituality, the culture or the ethnic traditions, Judaism For Dummies explores the full spectrum of Judaism, dipping into the mystical, meditative, and

and breakaway denominations Judaism as a daily practice The food and fabric of Judaism Jewish wedding ceremonies Celebrations and holy days 4,000 years of pain, sadness, triumph, and joy Great Jewish thinkers and historical celebrities Jews have long spread out to the corners of the world, so there are significant Jewish communities on many continents. Judaism For Dummies offers a glimpse into the rituals, ideas, and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far-reaching as across the world.

Teaching Torah Simon and Schuster

A teacher's bible for teaching the Five Books of Moses This invaluable guide for preparing to teach or study the weekly Torah portion provides a precise synopsis of each of the 54 parashiyot, as well as overviews of commentaries and sources, capsule biographies of Torah interpreters, and provocative questions. Over 1,000 unusual strategies help readers analyze, extend, and personalize the text. A Christian wanting to grow. At the other extreme, they are so academic that a doctorate in divinity is required to get anything out of bibliography and a thematic index make this an especially useful resource for Bar/Bat Mitzvah preparation, sermon/D'var Torah ideas, and Havurah discussions.

Four Approaches to the Book of Psalms KTAV Publishing House, Inc.

4, November 2019 - The Bible more myths busted. Packed absolutely full of information - no Hebrew roots Bible even comes close this is guaranteed and these scrolls are the difference between night and day, see for yourself!!! The politically incorrect guide to the Elohim of Israel and the real chosen people of YHWH. Are you willing to listen to what YHWH has said about our world and how He is going to restore all things back including His real chosen people hidden to this day? Many texts uncovered and explained in great details accurately and many corrections made to the many faulty translations out there making this a real eye-opener text. Was Chava (Eve) the only woman in the garden? We reveal a deep held secret. Where did the demons come from? Ezekiel refers to some of Israel's evil deeds in Egypt explicitly uncovered which are glossed over in the King James Version. Who are the Real Hebrews of the Bible, which people does the land of Y'sra'el really belong to? Time to do away with the deception. Did Abraham keep the Sabbath? We show you when and where. But I thought Keturah was Hagar, another error of Judaism corrected. But I thought Keturah was married to Abraham after Sarah's death, no not really. A very bad textual translation. Who was Balaam, a profit for cash as are many pastors and Bishops today doing the same thing running and chasing after the Almighty dollar? Who were Abraham's ancestors, Africa or Europeans? Why did Isaac marry at forty years of age, what happened to his first wife? Rebecca was not his only wife, an error and ignorance of Christendom exposed? Where is Noah's ark likely to be? Not Ararat in Turkey or Iran another error. Who are the four wives of Abraham and who is the real firstborn? Not Ishmael and not even Isaac. Was Isaac his only begotten son another error? All the modification of modern Judaism of the scribes has been undone to give you what was the real text including the original conversation of the Serpent with Chava (Gen 3) unedited plus Abraham's conversation unedited at last in Genesis 18. The legendary Rabbi Simon Altaf Hakohen guarantees that this will teach you to take the best out there and open their eyes in prophecy, historical argument and theology. He will personally mentor you through the texts of the Torah, the prophets. Does any Bible seller offer this extent of training? We do. And Rabbi Simon is available at the end of an e-mail.

Judaism For Dummies WestBow Press

The story of Abraham smashing his father's idols might be the most important Jewish story ever told and the key to how Jews define themselves. In a work at once deeply erudite and wonderfully accessible, Rabbi Jeffrey K. Salkin conducts readers through the life and legacy of this powerful story and explains how it has shaped Jewish consciousness. Offering a radical view of Jewish existence, The Gods Are Broken! views the story of the young Abraham as the "primal trauma" of Jewish history, one critical to the development of a certain Jewish comfort with rebelliousness and one that, happening in every generation, has helped Jews develop a unique identity. Salkin shows how the story continues to reverberate through the ages, even in its connection to the phenomenon of anti-Semitism. Salkin's work--combining biblical texts, archaeology, rabbinic insights, Hasidic texts (some never before translated), philosophy, history, poetry, contemporary Jewish thought, sociology, and popular culture--is nothing less than a journey through two thousand years of Jewish life and intellectual endeavor.

Abrahamic-Faith Nazarene Hebraic Study Scriptures Torah Chronicle Books

Paperback: Very Large font 14 point Arial font: Feb 5, 2015 Release (Yod); The many questions that you have had and now they can be answered. What happened in the Garden of Eden, where was it, who was in it? Where was the Garden? What was Noah's curse? Who was Noah and where did he live? How many wives did Abraham have? What about Keturah, Hagar and many other questions answered? What was the serpent in the Garden? How did the Y'sra'elite journey begins where are they in exile today and how will be the restoration take place. What and who were Abraham's family, his sons his wives, his sons wives and lots more. This is a journey that will be unforgettable.

Gold from the Land of Israel Turner Publishing Company

In The Heart of Torah, Rabbi Shai Held's Torah essays--two for each weekly portion--open new horizons in Jewish biblical

spiritual depth of the faith and the practice. In this warm and welcoming book, you'll find coverage of Orthodox Jews commentary. Held probes the portions in bold, original, and provocative ways. He mines Talmud and midrashim, great writers of world literature, and astute commentators of other religious backgrounds to ponder fundamental questions about God, human nature, and what it means to be a religious person in the modern world. Along the way he illuminates the centrality of empathy in Jewish ethics, the predominance of divine love in Jewish theology, the primacy of gratitude and generosity, and God's summoning of each of us--with all our limitations--into the dignity of a covenantal relationship. <u>Judaism</u> State University of New York Press

> A Christian's View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art, such as symbolism, parallelism, reflections, and repeated themes. This book presents the Bible (or at least the Torah) as a unified whole with consistent underlying themes rather than a collection of disjointed stories. And it shows, from the Christian point of view, how the Torah points toward Christ and His church. Most biblical study guides fall into two extremes. At one end of the spectrum, they are directed toward the uninitiated or new Christian and are therefore so simplistic that they give no new insights to a them. A few strive to touch the middle ground, which allows the average Christian to grow and to add to his faith. A Christian 's View of the Torah is an attempt to strike the middle ground. This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories. It is intended for those who have a working knowledge of the Bible, particularly the Torah, the Historical Books, the Gospels, Acts, and the Epistles—in short, Genesis through Second Chronicles and Matthew through Jude. This is a single Christian's point of view. Hidden Truths Hebraic Scrolls (Torah) Urim Publications

> The epitaph on Maimonides's tombstone reads, "From Moses (the prophet) to Moses, there was none like Moses (Maimonides)." The name, "Moses Maimonides" (1138-1204) is an acronym for his Hebraic name Moses ben Maimon). For centuries, yeshiva scholars and students alike affectionately refer to him by the epithet, "the Rambam." Just as the original Moses became the founder of the religion of ancient Israel, Moses Maimonides redefined Judaism for the future generations-more so than any other Judaic thinker or Halakhic scholar who came before or after him. Modern Judaism owes its conceptual and legal foundations to this remarkable thinker. This remarkable person occupies a rare position in the annals of Jewish history and is widely considered as one of the greatest Jewish thinkers and philosophers who ever lived, Maimonides stature reached almost mythic proportions. Jews of all modern religious persuasions-from the ultra-liberal to the Haredi branches of Orthodoxy each claim Maimonides as their patron hero. Both Christian and Islamic thinkers held Maimonides (who refer to him as Musa ibn Maymun in Arabic writings) in high regard. __ I have been impressed with the writings of Rabbi Michael Leo Samuel ever since I read his first book on Philo. I enjoyed the comprehensive nature of his writings and the many insights in his books. I liked that he described Philo's views in an easy to read manner and compared Philo views with those of many ancient and modern writers. Since that time, I wrote six reviews of his Philo books and praised them all. There is much in them that will interest and teach both scholars and readers who had no idea beforehand about this first century philosopher, or just a little information about him. Reading Rabbi Samuel's books will introduce readers to a large number of Philo ideas, those of other thinkers on the ideas, including the Talmuds and Midrashim, and about philosophy and Judaism generally. Thus, when Rabbi Samuel asked me to write the Foreword to his first book on Maimonides, I was very pleased to accept his offer, both out of respect for his scholarship and because I wrote many books and articles on Maimonides myself. - Rabbi Dr. Israel Drazin __ Rabbi Michael Leo Samuel is the son of a Holocaust survivor. He holds two rabbinic ordinations from the Tomchei Temimim Lubavitch Yeshiva of 770 Eastern Parkway, Brooklyn and holds a D. Min degree from the San Francisco Theological Seminary. He is an avid student of the Greek classics, Biblical and Talmudic scholarship, Jungian Psychology, Western Medieval Theology, Modern Philosophy, and 20th century psychology. He is the author of The Lord Is My Shepherd: The Theology of the Caring God (1996), Birth and Rebirth Through Genesis (2010), A Shepherd's Song: Psalm 23 and the Shepherd Metaphor In Jewish Thought (2014), and Rediscovering Philo of Alexandria: A First Century Jewish Commentator (Volumes, 1-5), (2014-2018).
