Wired Rogue Good Press  
Horse of Karbala is a study of  
Muharram rituals and  
interfaith relations in three  
locations in India: Ladakh,

Darjeeling, and Hyderabad.  
These rituals commemorate  
an event of vital importance to  
Shia Muslims: the seventh-  
century death of the Imam  
Husain, grandson of the  
Prophet Muhammad, at the  
battlefield of Karbala in Iraq.  
Pinault examines three  
different forms of ritual  
commemoration of Husain's  
death - poetry-recital and self-  
flagellation in Hyderabad; stick-  
fighting in Darjeeling; and the

Hakuin Ekaku Zenji (1686 – 1769) was one of the greatest Zen masters ever to live. Originator of the famous koan "What is the sound of a single hand?" he is credited with reviving the Rinzaï sect of Zen in Japan, and today all masters of that sect trace their lineage back to him. Through his numerous descendants, his influence is now felt worldwide, with his "Song of Zazen" chanted daily in temples around the globe. Norman Waddell has spent decades reading and translating Hakuin's vast writings. He has published several

previous selections, all leading to his work on this monumental gathering, the Keiso Dokuzui, little known in Japan and never before translated into any foreign language. Interpreting such a text requires immersion in the material in its original language, as well as complete mastery of the available commentary. Probably no one alive is as fully prepared for this important and difficult task as Dr. Waddell. For this collection, Hakuin gathered together an enormous number and variety of pieces—commentaries, memorials, poems, koans, teisho (lectures), letters, and more. Having presented many of them live to the throng of students residing in and around his temple as well as to other audiences around the country, Poison Blossoms From a Thicket of Thorn Neal Enterprises INC

Danger stalks paradise. The past never stays buried. Sixteen years ago, Sergeant Lei Texeira met Harriet Vierra and Malia, the infant she adopted, in a deadly encounter in Mexico. Now a detective with the Maui Police Department, Harry works with Lei, and Malia, a teen sleuth, is determined to find her lost friend Camille. But Camille is only one of many missing girls. Young women are vanishing across the islands without a trace. Lei and Harry search for answers with the FBI, as Malia secretly conducts her own dangerous investigation: but for the girls taken by traffickers, time is running out. "My favorite series of all time!" ~Reviewer

A History of Chinese Literature Univ of California Press

'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' 'I've been getting into trouble for as long I can remember.

Usually I don't mind - some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth!

Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong...' Meet Hector: a bully whose dastardly antics spiral out of control when, after school one day, he decides to bully a homeless

---

man in the local park. But as London's most famous statues and emblems go missing and its homeless communities are pointed to as the thieves, has Hector managed to pick on the leader of them all? And if so, what can he do in a world that won't believe a word he says? Written in lockdown when - for the first time in history - London's homeless community were gifted shelter, *The Night Bus Hero* explores themes of bullying and homelessness, and the potential everyone has to change for the good.

*Musical Theatre: A History* is a new revised edition of a proven core text for college and secondary school students – and an insightful and accessible celebration of twenty-five centuries of great theatrical entertainment. As an educator with extensive

experience in professional theatre production, author John Kenrick approaches the subject with a unique appreciation of musicals as both an art form and a business. Using anecdotes, biographical profiles, clear definitions, sample scenes and select illustrations, Kenrick focuses on landmark musicals, and on the extraordinary talents and business innovators who have helped musical theatre evolve from its roots in the dramas of ancient Athens all the way to the latest hits on Broadway and London's West End. Key improvements to the second edition: - A new foreword by Oscar Hammerstein III, a critically acclaimed historian and member of a family with deep ties to the musical theatre, is included - The 28 chapters are reformatted for the typical 14 week, 28 session academic course, as well as for a two semester, once-weekly format,

---

making it easy for educators to plan a syllabus and reading assignments. To make the book more interactive, each chapter includes suggested listening and reading lists, designed to help readers step beyond the printed page to experience great musicals and performers for themselves. A comprehensive guide to musical theatre as an international phenomenon, *Musical Theatre: A History* is an ideal textbook for university and secondary school students.

Paradise Crime

In an attempt to reconstruct an elusive aspect of the medieval Chinese imagination, *The Eminent Monk* examines biographies of Chinese Buddhist monks, from the uncompromising ascetic to the unfathomable

wonder-worker. While analyzing images of the monk in medieval China, the author addresses some questions encountered along the way: What are we to make of accounts in “ eminent monk ” collections of deviant monks who violate monastic precepts? Who wrote biographies of monks and who read them? How did different segments of Chinese society contend for the image of the monk and which image prevailed? By placing biographies of monks in the context of Chinese political and religious rhetoric, *The Eminent Monk* explores both the role of Buddhist literature in Chinese history and the monastic imagination that inspired this literature. *The Lake Regions of Central Africa* Cambridge

University Press

This carefully crafted ebook: "ULYSSES (Modern Classics Series)" is formatted for your eReader with a functional and detailed table of contents. Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and

those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a

From the New York Times bestselling author of *The Downstairs Girl* comes the richly imagined story of Valora and Jamie Luck, twin British-Chinese acrobats traveling aboard the Titanic on its ill-fated maiden voyage. Valora Luck has two things: a ticket for the biggest and most luxurious ocean liner in the world, and a dream of leaving England behind and making a life for herself as a circus performer in New York. Much to her surprise though, she's turned away at the gangway; apparently, Chinese aren't allowed into America. But Val has to get on that ship. Her twin brother Jamie, who has spent two long years at sea,

is there, as is an influential circus owner, whom Val hopes to audition for.

Thankfully, there's not much a trained acrobat like Val can't overcome when she puts her mind to it. As a stowaway, Val should keep her head down and stay out of sight. But the clock is ticking and she has just seven days as the ship makes its way across the Atlantic to find Jamie, perform for the circus owner, and convince him to help get them both into America. Then one night the unthinkable happens, and suddenly Val's dreams of a new life are crushed under the weight of the only thing that matters: survival.

"John Williams was not the  
first London Missionary  
Society missionary to  
Polynesia, but his passion to  
conquer the whole Pacific  
region, and resolute belief that  
he knew better than the  
Directors in London how this  
vision might be achieved  
marked him out as an  
ambitious and aggressive man.  
Samoa, the setting of thses  
journals, was the last island  
group where Williams'  
personally introduced the  
gospel before he was  
murdered at Eromanga... Of  
the several journals kept by  
Williams during his pan-  
Polynesian travels, the two  
relating to his visits to Samoa  
in 1830 and 1832 are the most  
comprehensive and  
illuminating. In the course of  
both journeys Williams also  
visited Tonga, and provided

I ' m Kat Smith, a Secret Service agent turned postmaster sleuth, assigned to cover a cozysmall town on Maui called Ohia.

Things have been nuts since I got here; I ' ve been dealing with murder, mayhem, and a cozy little mystery since I moved into a shack near the beach and was adopted by a stray cat named Tiki who has a nose for dead bodies. Now it ' s

“ Hawaii time ” to solve another murder mystery in paradise with new friends Opal, Artie, the Red Hat Society ladies, and a hot pilot named Mr. K.

Assisting us are tech whiz Sophie Smithson and Detectives Lei and Pono of

the Maui Police Department.

If we ' re lucky, no one will get hurt solving this latest small town cat-

astrophe—but I ' ve never been particularly lucky. "My new favorite cozy mystery series. A laugh on every page!" ~Reviewer

Portobello Books

This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English

---

spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme /grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of

correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters ) to be spelt with those single letters in non-final syllables.

"Tobacco has been pervasive in China almost since its introduction from the Americas in the mid-

sixteenth century. One-third of the world's smokers--over 350 million--now live in China, and they account for 25 percent of worldwide smoking-related deaths. This book examines the deep roots of China's contemporary "cigarette culture" and smoking epidemic and provides one of the first comprehensive histories of Chinese consumption in global and comparative perspective"--Provided by publisher.
