**Dante's Divine Comedy in Plain and Simple English (Translated)** Routledge  
When a forgotten, time-honored traditional food is rediscovered for its health and beauty benefits, we all pay attention. In this one-of-a-kind culinary adventure, internationally renowned self-help pioneer Louise Hay and "21st-century medicine woman" Heather Dane join together to explore a fresh and fun take on the art of cooking with bone broth, as well as the science behind its impressive curative applications. Chock-full of research, how-tos, and tips, this inventive cookbook offers a practical, playful, and delicious approach to improving your digestion, energy, and moods. With over 100 gut-healing recipes for broths, elixirs, main dishes, breads, desserts—and even beauty remedies and cocktails—Louise and Heather will show you how to add a dose of nourishment into every aspect of your diet. You'll also get entertaining stories along the way that remind you to add joy back onto your plate and into your life. Plus, you'll find out how Louise not only starts her day with bone broth, but uses it as an ingredient in many of her meals as well—discovering why it is one of her secrets to vibrant wellness and longevity. "Wherever I go, I'm asked, 'How do you stay so healthy and young?'" Or I'm complimented on how beautiful my skin, hair, and nails look. I always say that the key is positive thoughts and healthy food. For many years, the staple of my diet has been bone broth. My doctors keep pointing out that my blood tests and other health-test results are better than people half my age. I tell them, 'I'm a big, strong, healthy girl!' Then I talk about bone broth. I want everyone to know about it because I believe it is an integral part of my health, energy, and vitality."— Louise Hay

Of the Wood Called Guaiacum Wiley-Blackwell  
"Klezmer" is a Yiddish word for professional folk instrumentalist-the flutist, fiddler, and bass player that made brides weep and guests dance at weddings throughout Jewish eastern Europe before the culture was destroyed in the Holocaust, silenced under Stalin, and lost out to assimilation in America. Klezmer music is now experiencing a tremendous new spurt of interest worldwide with both Jews and non-Jews recreating this restless volatile, and vibrant musical culture. Firmly centered in the United States, klezmer has paradoxically moved back across the Atlantic as a distinctly "American" music, played throughout central and eastern Europe, as well as in many other parts of the world. Fiddler on the Move places klezmer music squarely within American music studies, cultural studies, and ethnomusicology. Neither a chronology nor a comprehensive survey, the book describes a variety of approaches and perspectives for coming to terms with the highly diverse array of activities found under the klezmer umbrella. Bringing to his subject the insights of an accomplished ethnomusicologist, Slobin addresses such questions as: How does klezmer overlap with, and differ from, the many other contemporary "heritage" musics based on an assumed connection with a group identity and links to a tradition? How do economics, artistic expression, and the evocation of the past interact in motivating klezmer performers and audiences? In what kinds of environment does klezmer flourish? How do stylistic features such as genre, form, and ornamentation help to define the technique, affect, and aesthetic of klezmer? Featuring a music CD with many of the archival and contemporary recordings discussed in the text, this fascinating study will interest scholars, students, musicians, and music lovers

Outstanding selection of great letters from ancient times to the 21st century, touching on power, love, art, sex, faith, and war. Written in History: Letters that Changed the World celebrates the great letters of world history, and cultural and personal life. Bestselling, prizewinning historian Simon Sebag Montefiore selects letters that have changed the course of global events or touched

a timeless emotion—whether passion, rage, humor—from ancient times to the twenty-first century. Some are noble and inspiring, some despicable and unsettling, some are exquisite works of literature, others brutal, coarse, and frankly outrageous, many are erotic, others heartbreaking. It is a surprising and eclectic selection, from the four corners of the world, filled with extraordinary women and men, from ancient times to now. Truly a choice of letters for our own times encompassing love letters to calls for liberation to declarations of war to reflections on life and death. The writers vary from Elizabeth I and Catherine the Great to Mandela, Stalin and Picasso, Fanny Burney and Emily Pankhurst to Ada Lovelace and Rosa Parks, Oscar Wilde, Chekhov and Pushkin to Balzac, Mozart and Michelangelo, Hitler, Rameses the Great and Alexander Hamilton to Augustus and Churchill, Lincoln, Donald Trump and Suleiman the Magnificent. In a book that is a perfect gift, here is a window on astonishing characters, seminal events, and unforgettable words. In the colorful, accessible style of a master storyteller, Montefiore shows why these letters are essential reading and how they can unveil and enlighten the past—and enrich the way we live now.

Dante's Inferno (Illustrated by Dore) Independently Published  
Veronica Franco (whose life is featured in the motion picture Dangerous Beauty) was a sixteenth-century Venetian beauty, poet, and protofeminist. This collection captures the frank eroticism and impressive eloquence that set her apart from the chaste, silent woman prescribed by Renaissance gender ideology. As an "honored courtesan", Franco made her living by arranging to have sexual relations, for a high fee, with the elite of Venice and the many travelers—merchants, ambassadors, even kings—who passed through the city. Courtesans needed to be beautiful, sophisticated in their dress and manners, and elegant, cultivated conversationalists. Exempt from many of the social and educational restrictions placed on women of the Venetian patrician class, Franco used her position to recast "virtue" as "intellectual integrity," offering wit and refinement in return for patronage and a place in public life. Franco became a writer by allying herself with distinguished men at the center of her city's culture, particularly in the informal meetings of a literary salon at the home of Domenico Venier, the oldest member of a noble family and a former Venetian senator. Through Venier's protection and her own determination, Franco published work in which she defended her fellow courtesans, speaking out against their mistreatment by men and criticizing the subordination of women in general. Venier also provided literary counsel when she responded to insulting attacks written by the male Venetian poet Maffio Venier. Franco's insight into the power conflicts between men and women and her awareness of the threat she posed to her male contemporaries make her life and work pertinent today.

Balbino,"a boy from a village", a "nobody" who writes a notebook about everything that happens to him within the repressed and stifling society of Galicia in the thirties and forties. He tells of the moral and social atmosphere that prevails asking and answering questions and details the most elemental social struggle. There is also however the story of a true but impossible love. This book was first printed in Argentina in 1961 and became one of the most successful Galician books published. It has a lyrical style that immediately evokes sights and sounds of this part of Spain. The author Xos Neira Vilas writes from his experiences of the era and the lifestyle of boys growing up in that society and provides a rich insight to life of the peasant boy "Balbino".

Questa raccolta di poesie e di racconti popolari anonimi in dialetto molisano tracciano il percorso di due storie che, pur diversificate, si compenetrano e si completano a vicenda: la storia individuale dell' autore e la storia collettiva della societa di un paese del Sud. Le immagini di un mondo apparentemente immobile e arcaico si alternano alle vicende di una realta storica complessa e tormentata, nel cui magma vecchio e nuovo si scontrano e si fondono. This collection of poems and anonymous folktales in the Molisan dialect traces the unfolding of two stories which, although distinct, interweave and complete each other: the author's individual story and the story of a town in the South of Italy. The images of an apparently immobile and archaic world alternate with the events of a complex and tormented historical reality, in whose magma the new and the old clash and fuse."

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave

The World of Lucha Libre is an insider ’ s account of lucha libre, the popular Mexican form of professional wrestling. Heather Levi spent more than a year immersed in the world of wrestling in Mexico City. Not only did she observe live events and interview wrestlers, referees, officials, promoters, and reporters; she also apprenticed with a retired luchador (wrestler). Drawing on her insider ’ s perspective, she explores lucha libre as a cultural performance, an occupational subculture, and a set of symbols that circulate through Mexican culture and politics. Levi argues that the broad appeal of lucha libre lies in its capacity to stage contradictions at the heart of Mexican national identity: between the rural and the urban, tradition and modernity, ritual and parody, machismo and feminism, politics and spectacle. Levi considers lucha libre in light of scholarship about sport, modernization, and the formation of the Mexican nation-state, and in connection to professional wrestling in the United States. She examines the role of secrecy in wrestling, the relationship between wrestlers and the characters they embody, and the meanings of the masks worn by luchadors. She discusses male wrestlers who perform masculine roles, those who cross-dress and perform feminine roles, and female wrestlers who wrestle each other. Investigating the relationship between lucha libre and the mass media, she highlights the history of the sport ’ s engagement with television: it was televised briefly in the early 1950s, but not again until 1991. Finally, Levi traces the circulation of lucha libre symbols in avant-garde artistic movements and its appropriation in left-wing political discourse. The World of Lucha Libre shows how a sport imported from the United States in the 1930s came to be an iconic symbol of Mexican cultural authenticity.
