Popular Science DigiCat In this comprehensive, practical guide, award-winning photojournalist Stacy Pearsall offers the techniques, guidance, and inspiration needed to succeed in the dynamic and exciting field of photojournalism. Starting with an overview of photojournalism and her experience as both a combat and domestic photographer, Stacy covers the basics of preparing for assignments, discussing such key topics as selecting suitable attire for different environments, assembling essential camera gear, developing the right approach for a story, and honing your shooting technique. beyond the fundamentals, Stacy then dives into the nitty-gritty details of photojournalism work, providing insights into living and working in harsh conditions, maintaining physical and mental health, and managing relationships with subjects. The book interweaves

hundreds of Stacy’s amazing photographs with stories of her experiences in the field, providing context for advice on everything from navigating unfamiliar locations, to properly exposing your images, to building innovative multimedia projects. Follow her into "the trenches" for the fascinating stories behind the shots, which show by example how to get the best photographs you can, even under the most challenging circumstances. Features stunning full-color images from some of the author’s most dramatic moments as a photojournalist Offers insights on preparing for long-term assignments, working in austere environments, and reintegrating into society after a project Interweaves photography techniques with advice on interacting with subjects and creating compelling stories

Adding Value to Iowa's Agricultural Commodities Copyright Office, Library of Congress

The New York Times bestselling series returns in this heart-stopping prequel novella. Ever wonder how our future queen fell for her bodyguard? Or how Prince Jefferson and his sister’s best friend got caught in a love triangle for the ages? Grab your royal invitation and we’ll show you the night that started it all. Princess Beatrice realizes what’s expected of her as heir apparent—and it is not riding in cars, alone, with her Revere Guard. But what the Crown doesn’t know won’t hurt it...right? Princess Samantha is already bored of her own graduation party. She swears she isn’t looking for trouble, but when the king and queen are away, the spare will play.... Nina never dreamed of acting on her feelings for Prince Jefferson. Tonight, though, anything seems possible: even a prince and a commoner. Meanwhile, Daphne is hiding more than one secret beneath her perfect exterior. A royal party might just be the window of opportunity she needs—until

everything comes crashing down. Will this be an evening of new beginnings, or will it mark the end of an era? Set before the events of New York Times bestseller *American Royals*, this brand-new story offers a glimpse of your favorite royal family as you've never seen them before, just in time for the release of *American Royals III: Rivals!*
